2023-2024 Student Handbook

Dear Panther Students and Parent(s)/Guardian(s),

We warmly welcome you to a new school year at Alma Public Schools. Working with you and your children to provide the best possible education is our goal. TOGETHER let us strive for EXCELLENCE!

In order to ensure each student a quality education, we have established guidelines and expectations. These are designed to create a pleasant and safe learning environment for all students. We encourage you to take the time to read this handbook to become familiar with our schools. This handbook summarizes many of the official policies and administrative guidelines of the Board of Education and the district. If you have any questions that are not addressed in this handbook, you are encouraged to talk to your teachers and building principals.

We are proud of our schools and welcome your participation, suggestions, comments, and questions so that together we can continue to provide an excellent school experience.

This handbook is intended for use by students, parents, and staff as a guide to the rules, procedures, and general information about the District. The use of the word “parent” in this handbook means a student’s natural or adoptive parent or legal guardian. Students and their parents are responsible for familiarizing themselves with this handbook, and parents should use the handbook as a resource to assist their children with following its rules and procedures.

Students must comply with all school policies, regulations, rules, and expectations. The use of the word “Policy” in this handbook includes bylaws or policies adopted by the Board of Education. Although the information in this handbook is comprehensive, it is not intended to address every situation that may arise during a school day or school year. This handbook does not create a contract between the District and parents, students, or staff. The administration is responsible for interpreting the rules contained in the handbook to ensure the implementation of the school’s educational program and well-being of all students. If a situation arises that is not specifically addressed by this handbook, the administration may respond based on applicable law and policy.

The rules and information provided in this handbook may be supplemented or amended by the administration at any time, consistent with applicable law and policy.

EMERGENCY SCHOOL CLOSING PROCEDURES

In the event of an emergency school closure, such as a bad weather day or when school is unexpectedly closed early, the District will notify students, parents, and the general public about the closure in the following manner:

Alma Public Schools will place this information on the district website, local media stations, and will notify employees, students, and parents. Alma Public Schools uses Thrillshare for school closing and delay announcements.

Parents and students are responsible for knowing about emergency closings and delays. The system will attempt to call the phone number that is on record at each child's school. Parents are able to access and update this information by going to the website (on Alma Public School's website, click on Parents & Community, followed by PowerSchool Parent Portal).

On days when school is delayed due to inclement weather or fog, classes will begin at your building's late start time (reference table below). If school is delayed and then changed to a cancellation, you will again be notified in the same manner as mentioned above, and the updated information will be shared on local media stations.

NOTICE OF NON-DISCRIMINATION

The District does not discriminate on the basis of race, color, religion, national origin, ethnicity, sex (including pregnancy, gender identity, or sexual orientation), disability, age, height, weight, marital or family status, veteran status, ancestry, genetic information, military status, or any other legally protected category (collectively, “Protected Classes”), in its programs and activities, and provides equal access to the Boy Scouts and other designated youth groups as required by law.

The District prohibits unlawful discrimination, including unlawful harassment and retaliation. The District will investigate all allegations of unlawful discrimination and will take appropriate action, including discipline, against any person who, following an investigation, is determined to have engaged in unlawful discrimination.

“Unlawful harassment” is verbal, written, or physical conduct that denigrates or shows hostility or aversion toward a person because of the person’s membership in a Protected Class that has the purpose or effect of: (1) creating an intimidating, hostile, or offensive environment; or (2) unreasonably interfering with the person’s ability to benefit from the District’s educational programs or activities.

- **Race, color, and national origin harassment** can take many forms, including, but not limited to, slurs, taunts, stereotypes, or name-calling, as well as racially motivated physical threats, attacks, or other hateful conduct. Harassment based on ethnicity, ancestry, or perceived ancestral, ethnic, or religious characteristics is considered race, color, and national origin harassment.
- **Disability harassment** can take many forms, including, but not limited to, slurs, taunts, stereotypes, or name-calling, as well as disability-motivated physical threats, attacks, or other hateful conduct.
- **Sex-based harassment** can take many forms. For the definition of sex-based harassment, including sexual harassment under Title IX, see Policies 3118 and 5202. The District’s Title IX Policy is attached to this handbook as Appendix A.

Any student who witnesses an act of unlawful discrimination, including unlawful harassment or retaliation, is encouraged to report it to District personnel. No student will be retaliated against based on any report of suspected discrimination. A student may also anonymously report an incident of unlawful discrimination. The District will investigate anonymous reports pursuant to its investigation procedures described by Policy. Minor students do not need parent permission to file complaints or participate in the formal complaint resolution process described by Policy.

If you or someone you know has been subjected to **sex-based discrimination, harassment, or retaliation**, you may file a report with any District employee. Formal Complaints of sexual harassment must be filed with the Title IX Coordinator:

SECTION I: DISTRICT-WIDE POLICIES AND PROCEDURES

Attendance

Students are expected to attend school every day school is in session. Students are to arrive before the first class and stay until the scheduled end of their school day. If a student is unable to attend school, the student or parent must report that absence to office personnel.

Luce Road- Roxann Harrington 989-463-1012

Hillcrest Elementary- Naomi Snider 989-463-3113

Pine Avenue- Carrie Bailey 989-466-7651

DLPMS- Lisa Haller 989-466-7602

Alma High School- Teresa Sweet 989-466-7522

If a student arrives late, the student must sign in at the office. A student may only leave school early if the student's parent notifies the office or the student is an emancipated minor or 18 years old.

The following absences will be considered excused if they are confirmed by communication to the school from the student's parent/guardian:

- the student's physical or mental illness (a physician's verification is required after 4 consecutive days of absence for illness);
- severe weather;
- medical appointments for the student;
- death or serious illness of the student's family member;
- attendance at a funeral, wedding, or graduation;
- appearance at court or for other legal matters;
- observance of religious holidays of the student's own faith;
- college planning visits; and
- personal or family vacations.

Students who are more than 1 minute late for a middle school/high school class are considered tardy.

A student who violates attendance expectations may be subject to discipline and any other applicable consequences.

Absences due to illness

The school will contact parents if a student becomes ill at school and may ask that the parent pick up the student

Planned absences

Parents who know in advance that a student will be absent must contact the school at the earliest possible date. Students who will be absent for reasons that can be anticipated, such as routine medical appointments and school activities, must complete any work required by the teacher before the absence unless alternative arrangements are approved by the teacher in advance. Parents should make every attempt to schedule medical and other appointments outside of school hours.

Students are expected to:

- Complete all class work in advance for any absence that can be anticipated or make alternative arrangements with their teacher in advance of the absence.
- Sign out of school at the office if leaving school during the school day.
- Make up all work that is assigned by teachers for the instructional time that has been missed.

For more information, see Policy 5301.

Books and Supplies

The District will provide free instruction to all students and will not charge a fee for materials necessary to complete required or elective courses. Students and parents may purchase additional supplies at their own expense. The District may charge a reasonable and refundable deposit to cover damage to textbooks and supplies. A teacher may provide a list of suggested materials that students and parents may purchase. Purchasing materials is voluntary and not required for curricular activities.

Students must take care of books and other supplies provided by the District. The District may assess fees to repair or replace District property that is lost, damaged, stolen, returned in a different condition, or not returned on time.

Bulletin Boards

Space may be provided within school buildings or on school electronic media for students and student organizations to post notices about student groups. Rules for posting on bulletin boards are found in Policy 5503.

Bullying

All types of student-on-student bullying, including cyberbullying, without regard to subject matter or motivation, are prohibited. The District's Anti-Bullying Policy is attached to this handbook as Appendix B.

Cell Phone Use

Students may use cell phones or other electronic devices while at school, so long as they do so safely, responsibly, and respectfully, and comply with all other school rules while using the devices.

Students are personally and solely responsible for the security of their cell phones and other electronic devices. The District is not responsible for theft, loss, or damage of any cell phone or other electronic device.

Students may not use cell phones or other electronic devices while they are in locker rooms, restrooms, or any other area in which others may have a reasonable expectation of privacy.

Taking, disseminating, transferring, or sharing obscene, pornographic, lewd, or otherwise illegal photographs, video, audio, or other similar data, whether by electronic data transfer or otherwise (including via cell phone or other electronic device), may constitute a crime under state or federal law. A student engaged in any of these activities at school, at a school event, or on school-provided transportation, may be subject to discipline. A student engaged in any of these activities outside of school may be disciplined if the student's activities substantially disrupt or negatively affect the school environment.

K-8

Cell phones are to remain off and away during the school day. Students may have phones out before school begins and after the final bell of the day.

9-12

Students may use personal communication devices before and after school, during their lunch break, in between classes as long as they do not create a distraction, disruption or otherwise interfere with the educational environment during after-school activities (e.g., extra-curricular activities) and/or at school-related functions.

Teachers may also develop classroom rules for use of cell phones and other electronic devices.

School administrators and teachers may confiscate a student's cell phone or other electronic device if the student's use or possession of a cell phone or electronic device violates Board Policy, the student code of conduct, or any applicable building or classroom rule. The building principal or designee may require a meeting with the student's parent to discuss the rule violation before returning the cell phone or electronic device.]

Cheating, Plagiarism, and Academic Dishonesty

Students may not cheat, plagiarize, or otherwise participate in academic dishonesty in any form. Unless specifically authorized by a teacher, prohibited behavior may include, but is not limited to:

- Obtaining, attempting to obtain, or aiding another person in obtaining credit for work by any dishonest or deceptive means.
- Copying another person's work or answers.
- Discussing with other students the answers or questions on a test or assignment before the test or assignment has been submitted for a grade.
- Taking or receiving copies of a test.
- Using or displaying notes, "cheat sheets," or other sources of unauthorized information.
- Using the ideas or work of another person as if they were your own without giving proper credit to the source.
- Using artificial intelligence to assist or complete an assignment or test.
- Submitting work or any portion of work completed by another person.

A student who cheats, plagiarizes, or otherwise participates in any academic dishonesty may receive no credit on that assignment or class and will be subject to discipline, up to and including expulsion.

Children's Protective Services Investigations

The District will cooperate with Children's Protective Services (CPS) during an investigation of suspected child abuse or neglect. Cooperation may include allowing CPS access to a student without parent consent if CPS determines access is necessary to complete the investigation or prevent abuse or neglect. As a matter of law, the identity of an individual who makes a report of suspected child abuse or neglect is confidential and will not be disclosed.

Classroom Behavior

Teachers may establish classroom conduct rules that students must follow.

Communicable Diseases

The District, in conjunction with local health department officials, may exclude students who:

- Are suspected of having a communicable disease until a physician or local health department official determines the student is no longer a risk; or
- Lack documentation of immunity or are otherwise considered susceptible to a communicable disease until the local health department officials determine the risk of spreading the disease has passed.

Communicable diseases include, but are not limited to, diphtheria, scarlet fever, strep infections, whooping cough, mumps, measles, rubella, COVID-19, and other conditions

indicated by the local and state health departments. Any removal will only be for the contagious period or as directed by the local health department.

Damage to School Property

Students who damage school property either intentionally or unintentionally may be subject to discipline and required to pay to replace or restore the property.

Dress and Grooming

In general, clothing should be clean and appropriate for the climate and the situation. Student dress, hair style, make up, cleanliness, or personal appearance that is a threat to the safety, health, or welfare of others; violates any statute, Policy 5101, or the Dress Code; or substantially disrupts the educational environment or that school officials reasonably forecast will substantially disrupt the educational environment, is grounds for remedial or disciplinary action.

The final decision in any situation involving inappropriate attire rests with building administrators.

Students who are dressed inappropriately will be asked to change clothing immediately. If necessary, parents will be called to bring appropriate clothing, students can use extra clothing provided by the District, or the student may be sent home to change. Repeated dress code violations may result in more severe consequences.

Dress Code

Tops must have straps or sleeves and must cover the student's entire torso from armpit to armpit. Pants, shorts, and skirts must have an inseam at least 4 inches in length. Clothing may not display material that:

- Is materially and substantially disruptive or that school officials can reasonably forecast will create a substantial disruption;
- Is obscene, sexually explicit, indecent, or lewd;
- Promotes the use of or advertises illegal substances, including but not limited to substances illegal for minors;
- Incites violence;
- Contains "fighting words";
- Constitutes a true threat of violence;
- Demonstrates hate group association/affiliation or uses hate speech targeting groups based on their membership in a protected class; or
- Displays nipples, genitals, or buttocks.

Students who represent the District at an official or school-sponsored function or public event (e.g., athletic teams, bands, choirs, and other groups) may be required to follow specific dress requirements as a condition of participation or attendance.

Driving and Parking Personal Vehicles

Student driving and parking on District property is a privilege, not a right, that may be revoked at any time. Students who drive to school must obey the following rules:

1. Students may not move their vehicles, sit in, or be around their vehicles during the school day without permission from administration.
2. Students may not drive carelessly or with excessive speed on school grounds.
3. By driving to school and parking on school grounds, students and parents consent to having that vehicle searched when school officials have reasonable suspicion that a search will reveal a violation of school rules, Board Policy, or law.

Emergency Contact Information

Parents must provide emergency information for each student enrolled in the District. The information should include the family physician's name, contact information for parents or a responsible adult, and any necessary emergency instructions. Parents must promptly inform the school if this contact information changes.

Fees

The District will not charge students a fee to participate in curricular activities. The District may charge students a fee to participate in extracurricular and noncurricular activities to cover the District's reasonable costs. The District may require students to furnish specialized equipment and clothing required for participation in extracurricular and noncurricular activities or may charge a reasonable fee for the use of District-owned equipment or clothing. The activity's coach or sponsor will provide students with information about the fees charged and the equipment or clothing required.

Food Services

Due to statewide budget increases, we are able to provide free breakfast and lunch to all K-12 students daily. Our food service program adheres to all state and federal nutritional requirements. A snack cart will be available in the High School during breakfast time and in the Cafeteria during lunch time at the Middle School. Stay up to date with the meals being served by checking out the monthly menu on our building websites.

Field Trips

Classes occasionally take field trips off school property for educational enrichment. Each student must submit a completed permission form signed by the student's parent before being allowed to attend a field trip.

A student's failure to comply with Board Policy, the Student Code of Conduct, or any other applicable rules or behavioral expectations while on a field trip may result in disciplinary action and removal or exclusion from the trip or future field trips.

Students who have not met academic or behavioral expectations may not be allowed to attend field trips.

First Aid, Illness, or Injury at School

Students who feel ill or are hurt while at school should seek immediate assistance from their classroom teacher or the nearest staff member.

When the building principal or designee determines that a student is too ill or injured to remain at school, school staff will contact the student's parent or other designated responsible adult to pick up the student from school. If the student requires immediate medical attention, the District will first attempt to contact a parent or other designated responsible adult when reasonably possible. If contact cannot be made, the building principal or designee will take any reasonable action necessary on the student's behalf, consistent with state law.

Students showing symptoms of a communicable disease may be sent home. The District may require a statement from a licensed physician or local health official before allowing the student to return to school.

Head Lice

A student with nits within $\frac{1}{4}$ inch of the scalp or live lice may remain at school until the end of the school day. The student will be restricted from activities that involve close head-to-head contact or sharing of personal items. The District will notify the student's parent and provide educational materials on head lice prevention and treatment.

The student will be readmitted to school after treatment so long as the parent consents to a head examination and the examining District official does not find live lice on the student. If the District official finds nits within $\frac{1}{4}$ inch of the student's scalp, the student may return to class, but the District must inform the student's parent about the need to remove the nits. District personnel will not ostracize or embarrass a student with lice or nits and will maintain student confidentiality.

If a student has a persistent infestation after 6 weeks or 3 separate cases within 1 school year, the District will form a team that may include the student's parents, teacher, social workers, or administrators to determine the best approach to resolve the issue.

Homeless Children and Youth

The District will provide a free public education to homeless children and youth who are in the District and will afford them the educational rights and legal protections provided by federal and state law. Homeless children and youth will not be stigmatized or segregated based on their homeless status and will have the same access to services offered to students who are not homeless.

A student or parent in a homeless situation who requires assistance should contact the District's homeless liaison:

Tia Hahn

6265 N. Luce Road, Alma, MI 48801
989-463-1012
thahn@almaschools.net

For detailed information about Homeless Children and Youth, see Policy 5307.

Immunizations

For a student entering the District for the first time or entering 7th grade, a parent must provide the building principal or designee with a certificate stating that the student has received at least 1 dose of an immunizing agent against each disease specified by the Michigan Department of Health and Human Services (MDHHS) or other responsible agency or documentation of an applicable approved exemption.

The student's parent must provide the certificate or documentation at the time of registration, or no later than the first day of school. A parent of a student who has not received all doses of any required immunizing agent must provide the District an updated immunization certificate demonstrating that the immunizations have been completed as required by the MDHHS. The updated certificate must be provided within 4 months of the student entering the District for the first time or upon entering 7th grade. The District will not permit a student to attend school unless the parent provides evidence of immunizations or exemptions consistent with Policy 5713 and state law.

Law Enforcement Interviews

Law enforcement officers may be called to the school at the request of school administration. Students may be questioned by law enforcement consistent with Policy 5201. Students may be questioned by school officials at any time, without parent notice or consent, consistent with the District's obligation to maintain a safe and orderly learning environment.

Limited English Proficiency

Limited proficiency in the English language should not be a barrier to a student's equal participation in the District's instructional or extracurricular programs. Those students identified as having limited English proficiency will be provided additional support and instruction to assist them in gaining English proficiency and in accessing the educational and extra-curricular programs offered by the District.

Locker Use

Pursuant to Policy 5102, lockers are District property and may be made available for student use. Lockers are assigned to students on a temporary basis, and District administration may revoke a student's locker assignment at any time. The District retains ownership of lockers notwithstanding student use.

Students have no expectation of privacy in their lockers. The building principal or designee may inspect lockers without any particularized suspicion or reasonable cause and without advance notice. Upon the request of the building principal or designee, law enforcement may assist with searching lockers.

During a locker search, student privacy rights will be respected for any items that are not illegal or violate Board Policy or building rules.

Students must keep all personal belongings, including coats and backpacks, in their lockers during the school day. Students may not share lockers space. No open food should be stored in a locker.

Lost and Found

All lost and found items are to be taken to the buildings' designated area. Students may claim lost articles there. Unclaimed items may be donated to a local charity or otherwise disposed of at the conclusion of each semester.

Media Center

Students must check out materials from the media specialist or designee on duty. Each borrower is responsible for all materials checked out in the borrower's name. If materials are lost and not returned by the end of the trimester they were checked out in, the student must pay for the replacement cost. Anytime materials are returned, the fine will be removed.

Medication

Whenever possible, parents should arrange student medication schedules to eliminate the need for administration of medication at school. When a student requires prescription or over-the-counter medication at school, the following procedures apply:

- The student's parent must annually submit a written request and consent form as required by the District.
- A building principal or designee must request that the parent supply medications in the exact dosage required whenever feasible.
- The building principal or designee will notify the student's parent of any observed adverse reaction to medication.
- All medications must be in the original container.

For additional information and requirements, see Policy 5703.

Asthma Inhalers and Epinephrine Auto-Injectors/Inhalers

A student may possess and use an asthma inhaler or epinephrine auto-injector or inhaler with written approval from the student's healthcare provider and consistent with Policy 5703. A minor student must also have written permission from the student's parent. The required documentation must be submitted to the building principal or designee. If a student is authorized to self-possess or self-administer an asthma inhaler or epinephrine auto-injector or inhaler, the building principal or designee will notify the student's teachers and other staff as appropriate.

Additionally, the school must maintain a written emergency care plan drafted by a physician in collaboration with the student's parent. The emergency care plan will contain

specific instructions related to the student's needs. The physician and parent should update the emergency care plan as necessary to address any changes in the student's medical circumstances.

Parties

Classes may have seasonal or curriculum-related parties during the year. Students must follow all expectations and rules established by the teacher or other relevant staff during the party. Invitations for private parties and non-school-sponsored events may not be distributed in the classroom.

Playground/Recess Rules

Staff will supervise students when the students use the playground or recess area during the school day or as part of a school activity. At all other times and circumstances, the District does not provide supervision of its playgrounds, equipment, or surrounding areas.

Protection of Pupil Rights

The District respects the rights of parents and their children and has adopted a Protection of Pupil Rights policy as required by law. The policy is available on the District's website or upon request from the District's administrative office. Parents may opt their child out of participation in activities identified by the Protection of Pupil Rights policy by submitting a written request to the Superintendent. Parents may have access to any survey or other material described in the Protection of Pupil Rights policy by submitting a written request to the Superintendent. A copy of the District's annual notice to parents regarding the Protection of Pupil Rights Amendment is attached as Appendix C.

Public Display of Affection

Students may not engage in public display of affection that are disruptive to the school environment or distracting to others.

Rights of Custodial and Non-Custodial Parents

Unless a parent has provided the building principal or designee with a court order that provides otherwise, District personnel will treat each parent, regardless of custody or visitation rights, the same as to accessing student records, meeting and conferring with District personnel, visiting a child at school, and transporting a child to or from school. District personnel are not responsible for enforcing visitation or parenting time orders.

Parents, regardless of custodial status, will be provided information about conference times so both parents may attend a single conference. The District is not required to schedule separate conferences if both parents have been previously informed of scheduled conference times.

If either or both parents' behavior is disruptive, staff may terminate a conference and reschedule it with appropriate modifications or expectations.

Search and Seizure

To maintain order and discipline in school and protect the safety and welfare of students and school personnel, school authorities may search a student or the student's personal effects (e.g., purse, book bag, athletic bag) as permitted by law and may seize any illegal, unauthorized, or contraband materials discovered in the search. As noted in "Locker Use," student lockers and desks are school property and remain at all times under the District's control. Student lockers and desks are subject to search at any time for any reason and without notice or consent.

School officials may use canines, metal detectors, wands, or other tools to conduct searches.

A student's failure to permit a search and seizure may be grounds for disciplinary action. A student's person and personal effects may be searched whenever a school official has reasonable suspicion to believe that the student possesses illegal or unauthorized materials. If a properly conducted search yields illegal or contraband materials, these items may be turned over to law enforcement.

Student Education Records

The District may collect, retain, use, and disclose student education records consistent with state and federal law. See Policy 5309 for an overview of the District's collection, retention, use, and disclosure of student records.

Parents may inspect and review their minor child's education records, regardless of custody status, unless a court order specifies otherwise. An eligible student (i.e., a student who is 18 years or older or an emancipated minor) may also inspect and review their education records.

Right to Request Explanation or Interpretation

A parent or eligible student may request, in writing, an explanation or interpretation of a student's education records. School officials will respond to any reasonable request.

Right to Request Amendment of Education Records

A parent or eligible student may request that a student's education record be amended if the parent or eligible student believes the record is inaccurate, misleading, or otherwise in violation of the student's privacy rights as explained in Policy 5309.

Directory Information

The District designates the following information as directory information:

- a. student names, addresses, and telephone numbers;
- b. photographs, including photographs and videos depicting a student's participation in school-related activities and classes;
- c. date and place of birth;

- d. major field of study;
- e. grade level;
- f. enrollment status (e.g., full-time or part-time);
- g. dates of attendance (e.g., 2013-2017);
- h. participation in officially recognized activities and sports;
- i. weight and height of athletic team members;

School officials may disclose “directory information” without the prior written consent of a parent or eligible student unless the parent or eligible student specifically notifies the District that the parent or eligible student does not consent to the disclosure of the student’s directory information for 1 or more of the uses for which the District would commonly disclose the information.

A Directory Information Opt Out Form is attached to this handbook as Appendix D. This form allows the parent or eligible student to elect not to have the student’s directory information disclosed for 1 or more of the listed uses. Upon receipt of a completed Directory Information Opt Out Form, school officials may not release the student’s directory information for any of the uses selected on the form.

Technology

Use of District technology resources is a privilege, not a right. Students are expected to use computers, the Internet, and other District technology resources for school-related educational purposes only. Students and their parents are required to sign and return the Acceptable Use Agreement attached as Appendix E before they may use or access District technology resources. Students who violate the District’s Acceptable Use Agreement may have technology privileges terminated or suspended and may be subject to discipline, up to and including expulsion.

Transportation Services

School Vehicle Rules

Riding in school vehicles is a privilege, not a right. Students must comply with the following rules and all school conduct rules and directives while riding in school vehicles. In addition, students must comply with the Student Code of Conduct while in school vehicles.

When in school vehicles, the following rules apply:

1. Students must promptly comply with any directive given by the driver.

2. Students must wait in a safe place for the vehicle to arrive, clear of traffic and away from where the vehicle stops.
3. Students may not fight or engage in bullying, harassment, or horseplay while riding or waiting for school vehicles.
4. Students must enter the vehicle without crowding or disturbing others and go directly to a seat.
5. Students must remain seated and keep aisles and exits clear while the vehicle is moving.
6. Students may not throw or pass objects on, from, or into vehicles.

10. Students may not open windows without the driver's permission. Students may not dangle body parts or other items (e.g., legs, arms, backpacks) out of the windows.
11. Students must secure any item(s) that could break or cause injury if tossed about the inside of the vehicle if the vehicle were involved in an accident.
12. Students must respect the rights and safety of others at all times.
13. Students must help keep the vehicle clean, sanitary, and orderly. Students must remove all personal items and trash upon exiting.
14. Students may not vandalize or intentionally cause damage to the vehicle.
15. Students may not leave or board the vehicle at locations other than the assigned stops at home or school unless approved prior to departure by the superintendent or designee.

Video cameras may be placed on vehicles and buses to monitor student behavior on the vehicle/bus. Exceptions or modifications to these rules may be made as necessary to accommodate a student with a disability.

School Vehicle Misconduct Consequences

Students who violate the school vehicle rules will be referred to the building principal for discipline. Disciplinary consequences may include parent notification, suspension of vehicle/bus riding privileges, exclusion from extracurricular activities, in-school suspension, and suspension or expulsion.

These consequences are not progressive and school officials have discretion to impose any listed consequence they deem appropriate in accordance with state and federal law and board policy.

Records of vehicle misconduct will be forwarded to the appropriate building principal and will be maintained in the same manner as other student discipline records. Reports of serious misconduct may be reported to law enforcement.

Different Route Requests

Students who are not regular route riders may not ride the bus with a friend, unless the parent of the non-route rider and the parent of the regular route rider gives verbal permission to the transportation department ahead of time. District administration reserves the right to deny any request for non-route riders.

Video Surveillance and Photographs

The District may monitor any District building, facility, property, bus, or vehicle with video recording equipment other than areas where a person has a legally recognized and reasonable expectation of privacy (e.g., restrooms and locker rooms). Except in those school areas, a person has no expectation of privacy.

The District may use video recordings for any lawful purpose, including student discipline, assisting law enforcement, or investigations.

Students may not make recordings: on school property; when on a vehicle owned, leased, or contracted by the District; or at a school-sponsored activity or athletic event unless otherwise authorized by Policies 5210 or 5805, applicable law, or a District employee.

Withdrawal From School

Students who are transferring from the District must submit written notice to the building principal at least 1 week before the withdrawal.

For some students, it may be appropriate to modify the Michigan Merit Curriculum through implementation of a personal curriculum. All students who have completed 9th grade are entitled to a personal curriculum, and the District will implement a personal curriculum for a student if requested by a parent or by the student if the student is age 18 or older. Any modification to the Michigan Merit Curriculum must be consistent with Michigan law and must incorporate as much of the Michigan Merit Curriculum content standards as practicable for the student. The District retains discretion to determine what modifications to the Michigan Merit Curriculum are appropriate for a particular student through a personal curriculum. A student who successfully completes an approved personal curriculum will earn a regular high school diploma.

To request a personal curriculum, please contact Georgia Guiett, high school guidance counselor.

For additional information about the Michigan Merit Curriculum and Personal Curriculum, see Policy 5409.

Participation in extracurricular activities is a privilege, not a right. Students are encouraged to participate in extracurricular activities. Participation is open to students who meet the eligibility requirements established by the District and any applicable governing body.

The District has exclusive control over extracurricular activities including, but not limited to, formation, naming, structure, operation, financing, and discontinuance.

Students may voluntarily form clubs that are not directly related to the school curriculum to promote activities unrelated to curriculum. Membership in a student-initiated, non-curricular club must be open to all interested and eligible District students, and the club may not refuse membership to a student based on any protected classification under state or federal law.

For more information about student-initiated non-curricular clubs, including how to form a club, see Policy 5510.

Transportation To/From Extracurricular Activities

The District may provide transportation to students who participate in school-sponsored events. If District-provided transportation is available, students must ride to and from those events in a school vehicle unless otherwise excused by the activity sponsor.

SECTION IV: DISCIPLINE AND CODE OF CONDUCT

Discipline Generally

The District may discipline students who engage in misconduct, up to and including suspension or expulsion from school.

The District will take steps to effectively discipline students in a manner that appropriately minimizes out-of-school suspensions and expulsions. The District will comply with applicable laws related to student discipline, including the consideration of specific factors and possible use of restorative practices.

If an administrator determines that an emergency requires the immediate removal of a student from school, the administrator may contact the student's parent or local law enforcement or take other measures to have the student safely removed from school.

Students who are involved in extracurricular activities and engage in misconduct may face consequences related to the activity in addition to the consequences provided in this handbook.

The District reserves the right to refer to an appropriate non-school agency any act or conduct which may constitute a crime. The District will cooperate with those agencies in their investigations as permitted by law.

The District's rules and policies apply to any student who is on school property or school-affiliated transportation, who is in attendance at school or at any school-sponsored activity or function, or whose conduct at any time or place directly interferes with the operation, discipline, or general welfare of the school, regardless of location, date, or time.

Forms of School Discipline & Applicable Due Process

After-School Detention

Teachers and administrators may require students to stay after school to serve a detention when the student violates any of the rules contained in this handbook or violates classroom-specific conduct rules set by individual teachers.

Students who ride the bus home from school will be given a 24-hour notice of a detention so that parents may make transportation arrangements for the student the following day.

Saturday School

The building administrator may require a student to attend Saturday School. Students follow strict rules and must work on assignments the entire time, except for short breaks. Students who do not follow Saturday School rules will be removed and will face further disciplinary action.

In-School Suspension

The building administrator may require a student to serve in-school suspension, during which students follow strict rules and must work on assignments the entire time, except

for short breaks. Students not completing their In-School Suspension will face further disciplinary action.

Snap Suspension - Suspension from Class, Subject, or Activity by Teacher

A teacher may suspend a student from any class, subject, or activity for up to 1 full school day if the teacher has good reason to believe that the student:

- intentionally disrupted the class, subject, or activity;
- jeopardized the health or safety of any of the other participants in the class, subject, or activity; or
- was insubordinate during the class, subject, or activity.

Any teacher who suspends a student from a class, subject, or activity must immediately report the suspension and its reason to the building principal or designee. If a student is suspended from a class, subject, or activity, but will otherwise remain at school, the building principal or designee must ensure that the student is appropriately supervised during the suspension and, if the student is a student with a disability, that all procedures applicable to students with disabilities are followed.

Any teacher who suspends a student from a class, subject, or activity must, as soon as possible following the suspension, request that the student's parent attend a parent/teacher conference to discuss the suspension. The building principal or designee must attend the conference if either the teacher or the parent requests the building principal's attendance. The building principal or designee must make reasonable efforts to invite a school counselor, school psychologist, or school social worker to attend the conference.

Removal for 10 or Fewer School Days

Before a student is suspended for 10 or fewer school days, an administrator will: (1) provide the student verbal notice of the offense the student is alleged to have committed, and (2) provide the student an informal opportunity to respond and explain what happened. Except in emergency circumstances, an administrator will not suspend the student unless, after providing the student notice and an opportunity to explain, the administrator is reasonably certain that the student committed a violation of the Student Code of Conduct and that suspension is the appropriate consequence. The building administrator will consider the 7 factors provided in the Student Code of Conduct before suspending a student.

Removal for More than 10 and Fewer than 60 School Days

Before a student is suspended for more than 10 school days but less than 60 school days, the Superintendent or designee will provide the parent or student with: (1) written notice of the offense the student is suspected to have committed; (2) an explanation of the evidence relied upon by the District in arriving at the conclusion that disciplinary action may be warranted; and (3) an opportunity for a hearing at which the student may present

evidence and witnesses to show that the student did not commit the alleged offense or that suspension is not an appropriate consequence.

The Superintendent or designee will provide the parent or student at least 3 calendar days' notice before the hearing. The parent and student may be represented, at their cost, by an attorney or another adult advocate at the hearing.

The Superintendent or designee will not suspend the student unless, following the hearing, he or she is convinced by a preponderance of the evidence that the student committed a violation of the Student Code of Conduct and that suspension is the appropriate consequence. The Superintendent or designee will consider the 7 factors noted in the Student Code of Conduct before suspending a student.

Removal for 60 or More School Days

Before the Board suspends or expels a student, the Superintendent or designee must provide the parent or student with: (1) written notice of the offense the student is suspected to have committed; (2) an explanation of the evidence relied upon by the District in arriving at the conclusion that disciplinary action may be warranted; and (3) an opportunity for a Board hearing at which the student may present evidence and witnesses to show that the student did not commit the suspected offense or that suspension or expulsion is not an appropriate consequence.

The Superintendent or designee will provide the parent or student at least 3 calendar days' notice before the hearing. The parent and student may be represented, at their cost, by an attorney or another adult advocate at the hearing.

The Board will not suspend or expel the student unless, following the hearing, a majority of the Board finds by a preponderance of the evidence that the student committed misconduct that should result in suspension or expulsion under either the Student Code of Conduct or Board Policy and that suspension or expulsion is the appropriate consequence. The Board will consider the 7 factors noted in the Student Code of Conduct before suspending or expelling a student. The Board's decision is final.

Student Code of Conduct

This Student Code of Conduct is meant to be a guide and is subject to the discretion of administration and the Board.

Administration will, as required or permitted by state law, always consider the use of restorative practices as an alternative to, or in addition to suspension or expulsion. Nothing in the following table limits the District's ability to impose more or less severe disciplinary consequences depending on the situation's unique circumstances and the following factors:

1. the student's age;
2. the student's disciplinary history;
3. whether the student has a disability;

4. the seriousness of the behavior;
5. whether the behavior posed a safety risk;
6. whether restorative practices will be used to address the behavior; and
7. whether a lesser intervention would properly address the behavior.

Nothing in this handbook limits the District's authority to discipline a student for conduct that is inappropriate in school, but that is not specifically provided in this table. Depending on the circumstances of a particular situation, separate athletic or extracurricular sanctions may be imposed, in accordance with the applicable handbook or rules.

GENERAL INFORMATION

CLOSED CAMPUS

Alma High School operates with a closed campus for all students. Students are not to leave school grounds during the school day without checking out of the Student Services Office with parental approval. During lunch periods, students are to be in the

cafeteria or designated areas. Parking lots are off limits. We strongly discourage parents from signing students out during their lunch period. Parents wanting to sign their student out for lunch must do so prior to the student's lunch period.

CELL PHONES/ELECTRONIC DEVICES

The Alma High School Cell Phone policy prohibits use of all personal communication devices, smart watches, and airpods/earbuds, personal computers, tablets, etc. in the classroom. The following process will be used if a student is referred to the office for a violation of the policy;

1st Offense: Student turns in device in the office. Student may pick up device after school.

2nd Offense: Student turns in device in the office. Parent may pick up device after school.

Additional Offenses: Student turns in device in the office Parent may pick up device after school. Additional consequences will be assigned to the student.

Any student that video/audio records others without consent will be subject to disciplinary action.

CALLS AND MESSAGES

Calls for emergencies will be forwarded to students immediately. Other messages will be available in the office and students will be paged over the public address system during passing time. Parents are asked to limit messages to only those of the utmost importance.

PACKAGE AND FOOD DELIVERY

There will be no food/package deliveries to the office. This is to limit the number of people in and out of our building for security and safety purposes.

LOCKERS

Each student will be assigned an individual locker for his/her use for each school year. For safety and security reasons, backpacks and bags will not be allowed in the classrooms; all bags must be stored in lockers. Any oversized athletic equipment and bags may be stored in the entryway to SRC. No bags will be stored in the Student Services Office.

Students are responsible for the care of their lockers and must bear the cost of any damage which they inflict. Damage to lockers by others should be reported immediately to the Student Services Office. For sanitation and health reasons, students should not leave food in lockers. All lockers must be completely cleaned out at the end of the school year for cleaning and repairs. The school is not responsible for items left in lockers at the end of the year.

Lockers are the property of the school and only assigned for student use. They should be kept locked when not in use. Lockers are **not** to be shared with other students. The school reserves the right to enter any locker for purposes deemed essential. Lockers

are searched periodically by canines for banned substances.

VALUABLES

Students are encouraged not to bring items of value to school. Items such as jewelry, expensive clothing, electronics, and the like, are tempting targets for theft and extortion. All items should be locked in the student's assigned locker or gym locker. The school cannot be responsible for their safe-keeping and will not be liable for loss or damage to personal valuables.

VISITORS

Visitors, particularly parents, are welcome at the school. In order to properly monitor the safety of students and staff, each visitor must report to the SSO upon entering the school to obtain a pass. Any visitor found in the building without a pass shall be reported to the principal. If a person wishes to confer with a member of the staff, he/she should call for an appointment prior to coming to the school, in order to schedule a mutually convenient time. Students may not bring visitors to school without prior written permission from the principal.

SINGLE POINT OF ENTRY

For security reasons, all students and visitors must enter through the main entrance doors during the school day. Students who arrive late and students who are being signed out must check in at the main office.

BACKPACKS AND BAGS

For safety and security, as well as to reduce congestion in classrooms and hallways, students will be prohibited from carrying backpacks or large bags during the school day. Students in PE classes may use string bags which may be issued by the PE teacher.

PICK UP & DROP OFF

All student pick-up and drop-off before and after school should be done in the South student lot. The circle drive in the front of the school is designated for bus use only at those times. Student parking is in the South lot. Students are not allowed to park in the East lot (by the tennis courts) or the North lot (by G section) during school hours.

ACADEMICS

For the high school course offerings, graduation requirements, and academic honors, please refer to the curriculum guide.

PROMOTION, PLACEMENT, AND RETENTION

A student's progress toward graduation and receiving a diploma is determined by completing required coursework, earning the necessary credits, and passing the State mandated tests. A student is only promoted when the necessary requirements are met or the student has completed the goals and objectives of an Individualized Education Plan (IEP) or personal curriculum. It is the student's responsibility to keep in contact

with his/her counselor and teachers to ensure that all requirements are being met. Information about credit and course requirements is available in the Guidance Office, and a counselor will answer any questions.

ONLINE LEARNING

E2020

E2020 will primarily be utilized for students who are in need of credit recovery due to the failure of a course and/or other extenuating circumstances. In most instances, E2020 courses will be offered in addition to a student's normal class load. Students will be expected to:

- remain self-motivated to complete course work independently.
- meet all E2020 course expectations by the end of the semester in which the course is assigned.
- meet with their assigned online mentor on a bi-weekly basis to review progress in the course.
- make weekly progress toward the completion of the course.

Students successfully completing E2020 courses as a credit recovery will receive credit for the course on your transcript. Students failing to complete their E2020 course in the assigned time will be dropped from the course. Students will only be permitted to take an E2020 course as part of their regular schedule as long as all other scheduling options have been exhausted. Students taking E2020 courses as part of the regular schedule will be required to complete coursework on campus in the online learning lab located in the IMC.

Michigan Virtual University

Michigan Virtual University (MVU) provides additional course options for students. Courses taken to complete a MMC requirement will receive a grade. Elective courses may be taken on a credit/no credit basis by student request at the start of the course. Students may drop an MVU course during the designated drop period without any penalty and will be assigned another course. Students must be in good academic standing and on pace to graduate on time in order to take an MVU course. Students will be expected to:

- remain self-motivation to complete course work independently.
- meet all MVU course expectations by the end of the semester in which the course is assigned.
- meet with their online mentor on a bi-weekly basis to review progress in the course.
- make weekly progress toward the completion of the course.

Students are required to complete MVU course work on campus in the online learning lab located in the IMC. If a student fails an MVU course he/she will be responsible for reimbursing Alma Public Schools the full tuition amount.

COLLEGE ENTRANCE AND PLACEMENT TESTS

The Preliminary Scholastic Aptitude Test, (PSAT) is the qualifying test for the National Merit Scholarship Program giving the student verbal and math scores which can be used to predict SAT scores. All freshmen and sophomores are required to take the PSAT in the spring.

The Scholastic Aptitude Test (SAT) and achievement test programs are required by some Michigan colleges and many out-of-state colleges. The SAT is now incorporated into the MME. All juniors are required to take the SAT in the spring.

The American College Test WorkKeys is a job skills assessment system measuring "real-world" skills that employers believe are critical to job success. All juniors will take the WorkKeys in the spring.

The M-STEP provides information about student performance in science and social studies. All juniors will take the M-STEP test in the spring.

COMPETENCY TESTING

Any high school student who wishes to test out of a course in which he/she is not enrolled may do so by taking the competency examination for the course and receiving a score of at least a 78% or by demonstrating mastery of the subject matter as determined by the assessment. Successful completion of a competency examination will be recorded on the student's official transcript, but it will not count toward the total number of required credits for graduation, nor will it be used to compute grade point average. It will, however, fulfill the graduation requirement for any required class. The student may not receive credit for a course in the same area but lower in the course sequence. Any student who attempts to test out of a given class and fails, will not be afforded the opportunity to attempt to test out of the same class again. If a senior wishes to take the competency test of a class required for graduation, he/she must complete the test before winter break in December.

SENIOR EXAM EXEMPTIONS (3rd TRIMESTER)

It is expected that all students take exams at the end of each trimester. However, seniors that meet the following criteria may exempt their 3rd trimester exam.

- Student must have no unexcused absences
- Student must have no suspension
- Student must have 3 or less tardies in **all** classes
- Student must have a B+ or higher grade in the class
- Student must have teacher permission

ACTIVITIES

MIXERS

Students must present, upon request, required identification to be admitted. Only Alma High School students are allowed to attend mixers. Mixer doors will close 45 minutes after the conclusion of the game, and end at 11 p.m. Once students leave the building, they will not be readmitted. Attendance can be denied at the discretion of the administration. Students suspected of being under the influence of alcohol or drugs will not be allowed to enter and parental contact will be made. The school dress code applies to mixers.

SPECIAL DANCES

All mixers rules apply to special dances, except for the conclusion time. All tickets must be purchased in advance. No one may enter the dance without prior ticket purchase. A guest form for any non-current Alma High School student is required. Forms will be filled out, returned, and after administration approval, tickets may be purchased. Students who have experienced an out of school suspension at any point in that school year prior to a school dance due to either of the behavioral infractions below, are ineligible to attend that upcoming school dance:

1. Use or possession of a vape, dab pen, tobacco product, or other illicit drugs.
2. Physical fight/physical violence on school property.

Any 9th or 10th grader attending the Junior/Senior prom as a guest of an Alma High School 11th or 12th grader must have a guest form filled out. It is expected that each underclassman guest will arrive and leave with the student inviting them.

WORK PERMITS

Work permits may be obtained from the SSO. However, before the work permit can be issued, an application must be obtained and completed. The prospective employer must fill out the application for the work permit. Once the employer has filled out this form, the student must bring it to the SSO. The work permit should then be kept on file at the employer's place of business. Birth certificates are required of those students requesting a work permit that are not from the Alma School District. Students issued work permits must be aware that poor school attendance may affect the continuance of a work permit.

STUDENT CONDUCT

STUDENT RESPONSIBILITY CENTER

The discipline program at Alma High School is the Student Responsibility Center, SRC. The basic premise of SRC is that teachers can teach and students can learn in a safe, non-disruptive environment. Our staff is committed to helping students learn ROARS: Respect Others, Act Responsibly, and be Safe. We believe that discipline is a time to teach and learn. Accordingly, we begin by working with our students to establish clear and reasonable rules for classroom behavior.

APPENDIX A: TITLE IX SEXUAL HARASSMENT

3118 Title IX Sexual Harassment

Consistent with Policy 3115, the District prohibits unlawful sex discrimination, including harassment and retaliation, in any of its education programs or activities in accordance with Title IX of the Education Amendments of 1972 and corresponding implementing regulations.

This Policy addresses allegations of Title IX sexual harassment that occurred on or after August 14, 2020. Allegations of discrimination, harassment, or retaliation not covered by this Policy should be addressed under the District's applicable non-discrimination or anti-harassment policies. Allegations alleging both Title IX sexual harassment and other forms of unlawful discrimination and harassment (e.g., race, age, disability) that cannot be reasonably separated into two distinct complaints should be investigated under this Policy. Investigating other forms of discrimination, including harassment and retaliation, through this Policy will fulfill the District's investigation requirements under Policies 4104 or 5202, but nothing in this paragraph limits the District's right to determine at any time that a non-Title IX allegation should be addressed under Policies 4104 or 5202 or any other applicable Policy.

The Board directs the Superintendent or designee to designate one or more employees who meet the training requirements in Section M of this Policy to serve as the District's Title IX Coordinator(s). The Title IX Coordinator will designate an Investigator, Decision-Maker, and Appeals Officer, if applicable, for each Formal Complaint made under this Policy. If a Formal Complaint is made under this Policy against the Title IX Coordinator, the Board President will designate the persons who will serve as the Investigator, Decision-Maker, and Appeals Officer and will work with District administrators to ensure that all other requirements of this Policy are met.

The Investigator, Decision-Maker, Appeals Officer, and any person designated to facilitate an informal resolution process cannot be the same person on a specific matter, and the persons designated to serve in those roles may or may not be District employees. Any person serving as the Investigator, Decision-Maker, Appeals Officer, or person designated to facilitate an informal resolution process must meet the training requirements in Section M of this Policy.

Inquiries about Title IX's application to a particular situation may be referred to the Title IX Coordinator, the Assistant Secretary for Civil Rights of the United States Department of Education, or both.

A. Definitions

For purposes of this Policy, the below terms are defined as follows:

1. "Sexual Harassment" means conduct on the basis of sex that satisfies one or more of the following:

- a. A District employee conditioning the provision of a District aid, benefit, or service on a person's participation in unwelcome sexual conduct;
- b. Unwelcome conduct that a reasonable person would determine to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education program or activity; or
- c. Sexual assault, dating violence, domestic violence, or stalking, as defined by the Violence Against Women Act, 34 USC § 12291 et. seq., and the uniform crime reporting system of the Federal Bureau of Investigation, 20 USC 1092(f)(6)(A)(v).
 - i. "Sexual assault" means an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation.
 - ii. "Dating violence" means violence committed by a person who is or has been in a romantic or intimate relationship with the Complainant. The existence of such a relationship is based on a consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.
 - iii. "Domestic violence" means felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the Complainant, person with whom the Complainant shares a child, person who is cohabitating with or has cohabitated with the Complainant as a spouse or intimate partner, person similarly situated to a spouse of the Complainant under the domestic or family violence laws of Michigan; or any other person against an adult or youth Complainant who is protected from that person's acts under the domestic or family violence laws of Michigan.
 - iv. "Stalking" means engaging in a course of conduct directed at a specific person that would cause a reasonable person to (1) fear for the person's safety or the safety of others; or (2) suffer substantial emotional distress.
- 2. "Actual Knowledge" means notice of sexual harassment or allegations of sexual harassment to the District's Title IX Coordinator or any District employee. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge. This standard is not met when the only District employee with actual knowledge is the Respondent.
- 3. "Appeals Officer" is the person designated by the District to handle appeals of a dismissal or determination of responsibility for matters investigated under this Policy. The Appeals Officer may not be the same person as the Investigator, Title IX Coordinator, Decision-Maker, or person designated to facilitate an informal resolution process on a specific matter.

4. “Complainant” is a person who is alleged to be the victim of conduct that could constitute Title IX sexual harassment.
5. “Consent” means a voluntary agreement to engage in sexual activity by a person legally capable of consenting. Someone who is incapacitated cannot consent. Past consent does not imply future consent. Silence or an absence of resistance does not imply consent. Consent to engage in sexual activity with one person does not imply consent to engage in sexual activity with another. Consent can be withdrawn at any time. Coercion, force, or threat of either invalidates consent. Sexual conduct or relationships between District employees, volunteers, or contractors and students, regardless of age or consent, are prohibited.
6. “Day,” unless otherwise indicated, means a day that the District’s central office is open for business.
7. “Decision-Maker” is the person designated by the District to review the investigation report and provide a written determination of responsibility that provides the evidentiary basis for the Decision-Maker’s conclusions. The Decision-Maker may not be the same person as the Investigator, Title IX Coordinator, Appeals Officer, or person designated to facilitate an informal resolution process on a specific matter.
8. “Education Program or Activity” means any location, event, or circumstance over which the District exercised substantial control over both the Respondent and the context in which the harassment occurred.
9. “Formal Complaint” means a written document or electronic submission signed and filed by a Complainant or signed by the Title IX Coordinator alleging sexual harassment against a Respondent and requesting that the District investigate the sexual harassment allegation.
10. “Grievance Process” is the process by which the District handles Formal Complaints.
11. “Investigator” is the person designated by the District to investigate a Title IX Formal Complaint. The Investigator cannot be the same person as the Decision-Maker, Appeals Officer, or person designated to facilitate an informal resolution process on a specific matter. The Title IX Coordinator may serve as the Investigator on a particular investigation, unless the Title IX Coordinator signed the Formal Complaint.
12. “Report” means an account of alleged Title IX sexual harassment made by any person (regardless of whether the reporting party is the alleged victim).
13. “Respondent” is a person who has been reported to be the perpetrator of conduct that could constitute Title IX sexual harassment.

14. “Supportive Measures” are non-disciplinary, non-punitive, individualized services offered and implemented by the Title IX Coordinator as appropriate, as reasonably available, and at no-cost to the Complainant and the Respondent before or after the filing of a Formal Complaint or when no Formal Complaint has been filed. Supportive measures are designed to restore or preserve equal access to the District’s education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District’s educational environment, or deter sexual harassment.
15. “Title IX Coordinator” is the person(s) designated by the District to coordinate the District’s Title IX compliance. The Title IX Coordinator may not be the same person as the Appeals Officer or Decision-Maker on a specific matter. A person not serving as a Title IX Coordinator in a particular matter is not disqualified from serving in another role in that matter. The Title IX Coordinator may also serve as the Investigator or person designated to facilitate an informal resolution process on a particular investigation, unless the Title IX Coordinator signed the Formal Complaint.

B. Posting Requirement

The Title IX Coordinator’s contact information (name or title, office address, electronic mail address, and telephone number), along with the District’s Title IX nondiscrimination statement, must be prominently posted on the District’s website and in any catalogs or handbooks provided to applicants for admission or employment, students, parents/guardians, and unions or professional organizations with a collective bargaining or professional agreement with the District.

The District will provide notice of this Policy to all applicants, students, parents/guardians, employees, and unions or professional organizations with a collective bargaining or professional agreement with the District by prominently posting this Policy on its website and referencing this Policy in its handbooks, which will include the Title IX Coordinator’s name or title, office address, electronic mail address, and telephone number.

C. Designation of Title IX Coordinator

The District designates the following person(s) as the Title IX Coordinator(s):

Stacey Criner, Superintendent; Dan Falor, Principal
1500 North Pine Ave, Alma, MI 48801
989-466-7511
scriner@almaschools.net ; dfalor@almaschools.net

D. Reporting Title IX Sexual Harassment:

A person may make a report of sexual harassment or retaliation at any time. Reports may be made in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that result in the Title IX Coordinator receiving the person's verbal or written report.

Any District employee who receives a report of sexual harassment or has actual knowledge of sexual harassment must convey that information to the Title IX Coordinator by the end of the next day.

Any other person who witnesses an act of sexual harassment is encouraged to report it to a District employee and may do so anonymously. No person will be retaliated against based on any report of suspected sexual harassment or retaliation.

E. General Response to Sexual Harassment

1. District's Obligation to Respond without Deliberate Indifference

Upon actual knowledge of Title IX sexual harassment, the Title IX Coordinator must respond promptly in a manner that is not deliberately indifferent. The District will be deemed to be deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances.

If the Title IX Coordinator receives a report of sexual harassment and the Complainant does not file a Formal Complaint, the Title IX Coordinator must evaluate the information and determine whether to sign and file a Formal Complaint. If the Title IX Coordinator determines not to sign and file a Formal Complaint, the Title IX Coordinator must address the allegations in a manner that is not deliberately indifferent.

2. Response to Report of Title IX Sexual Harassment

Upon receipt of a report of sexual harassment, the Title IX Coordinator must promptly contact the Complainant to discuss the availability of supportive measures, consider the Complainant's wishes with respect to supportive measures, inform the Complainant of the availability of supportive measures with or without the filing of a Formal Complaint, and explain to the Complainant the process for filing a Formal Complaint.

3. Formal Complaint Filed

Upon the receipt of a Formal Complaint, the District must follow the Grievance Process in Section F of this Policy. A Formal Complaint may be submitted using the Title IX Sexual Harassment Formal Complaint Form.

4. Equitable Treatment

The District will treat the Complainant and Respondent equitably throughout the Grievance Process, which may include offering supportive measures as described in Subsection E(6) of this Policy.

5. Documentation and Recordkeeping

The Title IX Coordinator will document all sexual harassment reports and all incidents of sexual harassment that the Title IX Coordinator receives or personally observes.

The District will retain this documentation in accordance with applicable record retention requirements in Section N of this Policy.

6. Supportive Measures

After receiving a report of Title IX sexual harassment, the Title IX Coordinator must promptly contact the Complainant to discuss the availability of supportive measures, with or without the filing of a Formal Complaint. If the District does not provide a Complainant with supportive measures, then the Title IX Coordinator must document the reasons why such a response was not clearly unreasonable in light of the known circumstances.

The District may provide, as appropriate, non-disciplinary, non-punitive individualized services to the Complainant or Respondent before or after the filing of a Formal Complaint or when no Formal Complaint has been filed.

Supportive measures should be designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party.

Supportive measures are offered without charge to all parties and are designed to protect the safety of all parties or the District's educational environment, or deter sexual harassment.

Supportive measures may include, but are not limited to:

- a. District-provided counseling;
- b. Course-related adjustments, such as deadline extensions;
- c. Modifications to class or work schedules;
- d. Provision of an escort to ensure that the Complainant and Respondent can safely attend classes and school activities; and
- e. No-contact orders.

All supportive measures must be kept confidential, to the extent that maintaining such confidentiality would not impair the District's ability to provide the supportive measures.

7. Respondent Removal

a. Emergency Removal (Student)

The District may only remove a student Respondent from a District program or activity if, following an individualized safety and risk analysis, the District determines that there is an immediate threat to the physical health or safety of any student or other person arising from the sexual harassment allegations. The District must provide the Respondent with notice and an opportunity to immediately challenge the removal decision. This provision may not be construed to modify any rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.

b. Administrative Leave (Employee)

The District may place an employee Respondent on non-disciplinary administrative leave during the pendency of the Grievance Process. This provision may not be construed to modify any rights under Section 504 of the Rehabilitation Act of 1973 or the Americans with Disabilities Act.

8. Law Enforcement

In appropriate circumstances, a District employee will notify law enforcement or Child Protective Services, consistent with Policies 4202, 5201, and 5701.

The District will attempt to comply with all law enforcement requests for cooperation with related law enforcement activity. In some circumstances, compliance with law enforcement requests may require the District to briefly suspend or delay its investigation. If an investigation is delayed, the District will notify the parties in writing of the delay and the reasons for the delay.

If the District's investigation is suspended or delayed, supportive measures will continue during the suspension or delay. If the law enforcement agency does not notify the District within 10 days that the District's investigation may resume, the District will notify the law enforcement agency that the District intends to promptly resume its investigation.

F. Grievance Process

1. Generally

The Grievance Process begins when a Formal Complaint is filed or when the Title IX Coordinator signs a Formal Complaint and concludes the date the parties receive the Appeals Officer's written decision or the date on which an appeal is no longer timely. The District will endeavor to complete the Grievance Process within 90-120 days, absent extenuating circumstances or delays as described below. The District will treat both the Complainant and the Respondent equitably throughout the Grievance Process.

Neither the Title IX Coordinator, the Decision-Maker, the Investigator, Appeals Officer, nor any person designated to facilitate an informal resolution process will have a conflict of interest or bias for or against Complainants or Respondents generally or for or against an individual Complainant or Respondent.

The Grievance Process requires an objective evaluation of all relevant evidence – including both inculpatory and exculpatory evidence. Credibility determinations may not be based on a person's status as a Complainant, Respondent, or witness.

Throughout the Grievance Process, there is a presumption that the Respondent is not responsible for the alleged conduct unless, in the determination of responsibility, the Decision-Maker finds the Respondent responsible for the alleged conduct.

At any point, the Title IX Coordinator, Investigator, Decision-Maker, or Appeals Officer may temporarily delay the Grievance Process or permit a limited extension of time frames for good cause. Good cause may include absence of a party, party's advisor, or witness; concurrent law enforcement activity; or the need for accommodations (e.g., language assistance or accommodation of disabilities). If there is a delay or extension, the parties will receive written notice of the delay or extension and the reasons for the action.

Any disciplinary action resulting from the Grievance Process will be issued in accordance with District Policy, as applicable, and any applicable codes of conduct, handbooks, collective bargaining agreements, and individual employee contracts.

After the investigation portion of the Grievance Process has concluded, the Decision-Maker will endeavor to issue a determination of responsibility within 30 days, absent extenuating circumstances.

2. Notice of Allegations

Upon receipt of a Formal Complaint, the District must provide written notice to the parties who are known at the time that includes:

- a. A copy of this Policy, which includes the District's Grievance Process, and any informal resolution process;
- b. The sexual harassment allegations, including sufficient details known at the time and with sufficient time so that parties may prepare a response before the initial interview. Sufficient details include parties involved in the incident, if known; the alleged conduct constituting sexual harassment; and the date and time of the alleged incident;

- c. A statement that the Respondent is presumed not responsible for the alleged conduct;
- d. A statement that a determination of responsibility is made at the Grievance Process's conclusion;
- e. A statement that the parties may have an advisor of their choice, who may be an attorney, although any attorney or advisor who is not a District employee will be at the party's own cost;
- f. A statement that the parties will be provided an opportunity to inspect and review any evidence before the investigation report is finalized; and
- g. If the Complainant or Respondent is a student, and the District's Student Code of Conduct addresses false statements by students during the disciplinary process, a citation to that portion of the Code of Conduct. If the Code of Conduct does not address false statements by students, the notice is not required to include any reference.

If, during the course of an investigation, the Investigator decides to investigate allegations that are not included in this notice, the District will provide notice of the additional allegations to the Complainant and Respondent.

3. Informal Resolution

During the Grievance Process, *after* a Formal Complaint has been filed but before a determination of responsibility has been made, the District may offer to facilitate an informal resolution process, or either party may request the informal resolution process. A Formal Complaint must be filed to initiate the informal resolution process.

Informal resolution does not require a full investigation and may encompass a broad range of conflict resolution strategies, including, but not limited to, arbitration, mediation, or restorative justice. The Title IX Coordinator will determine the informal resolution process that will be used, including the person who will facilitate that process.

Informal resolution is not available for a Formal Complaint alleging that an employee sexually harassed a student.

A party is not required to participate in an informal resolution process.

When offering informal resolution, the Title IX Coordinator must (1) provide both parties written notice of their rights in an informal resolution; and (2) obtain written, voluntary consent from both parties to enter into the informal resolution process. The written notice must contain the:

- a. Allegations;

- b. Informal resolution requirements, including the circumstances under which the informal resolution precludes the parties from resuming a Formal Complaint arising from the same allegations;
- c. Right to withdraw from informal resolution and resume the Grievance Process at any time prior to agreeing to a resolution; and
- d. Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared

4. Investigation

The District has the burden of proof and the burden to gather evidence sufficient to reach a determination of responsibility.

a. Investigation Process

The District will not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege unless the person holding such privilege has waived the privilege in writing.

The District may not access, consider, disclose, or otherwise use a party's medical records, including mental health records, which are made and maintained by a healthcare provider in connection with the party's treatment unless the District obtains that party's voluntary, written consent to do so for the Grievance Process.

The Investigator must provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory or exculpatory evidence. The Investigator cannot restrict parties from discussing the allegations under investigation, nor can the Investigator restrict parties from gathering or presenting relevant evidence.

Parties may be accompanied by an advisor of their choice, including an attorney, in any meeting or Grievance Process proceeding. If a party chooses an advisor who is not a District employee, the District is not responsible for any associated costs. The Superintendent or designee may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties (e.g., abusive, disruptive behavior or language will not be tolerated; advisor will not interrupt the investigator to ask questions of witnesses).

The Investigator must provide the date, time, location, participants, and purpose of all hearings (if any), investigative interviews, and meetings, to a party whose participation is invited or expected. Written notice must be

provided a sufficient time in advance so that a party may prepare to participate.

As described in Section L of this Policy, retaliation against a person for making a complaint or participating in an investigation is prohibited.

The Investigator must ensure that the Complainant and Respondent have an equal opportunity to inspect and review any evidence obtained as part of the investigation so that each party has the opportunity to meaningfully respond to the evidence before the investigation's conclusion. This evidence includes (1) evidence upon which the District does not intend to rely in reaching a determination regarding responsibility, and (2) inculpatory or exculpatory evidence obtained from any source.

Before the investigation's completion, the Investigator must send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties must have at least 10 calendar days to submit a written response to the Investigator. The party's response must be considered by the Investigator before completing the final investigation report.

b. Investigation Report

The Investigator must create an investigation report that fairly summarizes relevant evidence and submit the investigation report to the Decision-Maker.

At least 10 calendar days before a determination of responsibility is issued, the Investigator must send the investigation report to each party for review and written response. Written responses to the investigation report must be submitted directly to the Decision-Maker.

The Investigator will endeavor to complete the investigation and finalize the report within 60 days.

5. Determination of Responsibility

The Decision-Maker cannot be the same person as the Title IX Coordinator, Investigator, Appeals Officer, or person designated to facilitate an informal resolution process.

Before the Decision-Maker reaches a determination of responsibility, and after the Investigator has sent the investigation report to the parties, the Decision-Maker must:

- a. Afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness; and

- b. Provide each party with the answers, and allow for additional, limited follow-up questions from each party.

Questions and evidence about the Complainant's sexual predisposition or prior sexual behavior are not relevant unless offered to prove that someone other than the Respondent committed the alleged misconduct, or the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent.

If the Decision-Maker decides to exclude questions from either party as not relevant, the Decision-Maker must explain the decision to the party proposing the questions.

The Decision-Maker must issue a written determination of responsibility based on a preponderance of the evidence standard (i.e., more likely than not) simultaneously to both parties. The written determination of responsibility must include:

- a. Identification of the sexual harassment allegations;
- b. Description of the procedural steps taken from the receipt of the Formal Complaint through the determination of responsibility, including any:
 - i. Notification to the parties;
 - ii. Party and witness interviews;
 - iii. Site visits;
 - iv. Methods used to collect evidence; and
 - v. Hearings held.
- c. Factual findings that support the determination;
- d. Conclusions about the application of any relevant code of conduct, policy, law, or rule to the facts;
- e. A statement of, and rationale for, the result as to each allegation, including:
 - i. A determination of responsibility;
 - ii. Any disciplinary action taken against the Respondent (consistent with Policies 4309, 4407, 4506, 4606, or 5206, as applicable, and any applicable codes of conduct, handbooks, collective bargaining agreements, or individual employee contracts); and
 - iii. Whether remedies designed to restore and preserve equal access to the District's education program or activity will be provided to the Complainant.

f. Appeal rights

6. Appeals

Notice of the determination of responsibility or dismissal decision must include notice of the parties' appeal rights.

Both parties may appeal a determination of responsibility or the decision to dismiss a Formal Complaint in whole or in part for the following reasons only:

- a. A procedural irregularity that affected the outcome.
- b. New evidence that was not reasonably available at the time the determination of responsibility or dismissal decision was made that could affect the outcome.
- c. The Title IX Coordinator, Investigator, or Decision-Maker had a conflict of interest or bias for or against the Complainant or Respondent, generally or individually, that affected the outcome.

An appeal must be filed with the Title IX Coordinator within 5 calendar days of the date of the determination of responsibility or dismissal decision.

Upon receipt of an appeal, the Title IX Coordinator will assign an Appeals Officer who will provide both parties written notice of the appeal and an equal opportunity to submit a written statement in support of, or challenging, the determination or dismissal decision.

The Appeals Officer must provide a written decision describing the result of the appeal and the rationale for the result to both parties simultaneously. The Appeals Officer will endeavor to decide an appeal within 30 days.

The Appeals Officer cannot be the same person who acts as the Title IX Coordinator, Investigator, Decision-Maker, or person designated to facilitate an informal resolution process on the same matter. The Appeals Officer also cannot have a conflict of interest or bias against Complainants and Respondents generally or individually.

The determination of responsibility is final upon the date the parties receive the Appeals Officer's written decision or on the date on which an appeal is no longer timely.

G. Dismissal

1. Mandatory Dismissals

The Title IX Coordinator must dismiss a Formal Complaint if:

- a. The Formal Complaint's allegations, even if proven, would not constitute sexual harassment as defined in this Policy;

- b. The Formal Complaint's allegations did not occur in the District's programs or activities; or
- c. The Formal Complaint's allegations did not occur in the United States.

2. Discretionary Dismissals

The Title IX Coordinator may dismiss a Formal Complaint if:

- a. The Complainant notifies the Title IX Coordinator in writing that the Complainant wishes to withdraw the Formal Complaint in whole or in part;
- b. The Respondent's enrollment or employment ends; or
- c. Specific circumstances prevent the District from gathering evidence sufficient to reach a determination (e.g., several years have passed between alleged misconduct and Formal Complaint filing, Complainant refuses or ceases to cooperate with Grievance Process).

The Title IX Coordinator will promptly and simultaneously notify both parties when a Formal Complaint is dismissed. The notice must include the reasons for mandatory or discretionary dismissal and the right to appeal. Appeal rights are discussed above in Subsection F(6) of this Policy.

Dismissal of a Formal Complaint under this Policy does not excuse or preclude the District from investigating alleged violations of other policy, rule, or law, or from issuing appropriate discipline based on the results of the investigation.

H. Consolidation of Complaints

The Title IX Coordinator or Investigator may consolidate Formal Complaints where the allegations arise out of the same facts or circumstances. Where a Grievance Process involves more than one Complainant or more than one Respondent, references in this Policy to the singular "party," "Complainant," or "Respondent" include the plural, as applicable.

I. Remedies and Disciplinary Sanctions

The District will take appropriate and effective measures to promptly remedy the effects of sexual harassment. The Title IX Coordinator is responsible for the effective implementation of any remedies.

Appropriate remedies will be based on the circumstances and may include, but are not limited to:

- 1. Providing an escort to ensure that the Complainant and Respondent can safely attend classes and school activities;
- 2. Offering the parties school-based counseling services, as necessary;

3. Providing the parties with academic support services, such as tutoring, as necessary;
4. Rearranging course or work schedules, to the extent practicable, to minimize contact between the Complainant and Respondent;
5. Moving the Complainant's or the Respondent's locker or work space;
6. Issuing a "no contact" directive between the Complainant and Respondent;
7. Providing counseling memoranda with directives or recommendations;

These remedies may also be available to any other student or person who is or was affected by the sexual harassment.

The District will impose disciplinary sanctions consistent with District Policy, as applicable, and any applicable codes of conduct, handbooks, collective bargaining agreements, or individual employee contracts. Discipline may range from warning or reprimand to termination of employment, or student suspension or expulsion.

After a determination of responsibility, the Title IX Coordinator should consider whether broader remedies are required, which may include, but are not limited to:

1. Assemblies reminding students and staff of their obligations under this Policy and applicable handbooks;
2. Additional staff training;
3. A climate survey; or
4. Letters to students, staff, and parents/guardians reminding persons of their obligations under this Policy and applicable handbooks.

If the Complainant or Respondent is a student with a disability, the District will convene an IEP or Section 504 Team meeting to determine if additional or different programs, services, accommodations, or supports are required to ensure that the Complainant or Respondent continues to receive a free appropriate public education. Any disciplinary action taken against a Respondent who is a student with a disability must be made in accordance with Policy 5206B and the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act.

J. False Statements

Any person who knowingly makes a materially false statement in bad faith in a Title IX investigation will be subject to discipline, up to and including discharge or permanent expulsion. A dismissal or determination that the Respondent did not violate this Policy is not sufficient, on its own, to conclude that a person made a materially false statement in bad faith.

K. Confidentiality

The District will keep confidential the identity of a person who reports sexual harassment or files a Formal Complaint, including parties and witnesses, except as permitted or required by law or to carry out any provision of this Policy, applicable regulations, or laws.

L. Retaliation

Retaliation (e.g., intimidation, threats, coercion) for the purpose of interfering with a person's rights under Title IX is prohibited. This prohibition applies to retaliation against any person who makes a report, files a Formal Complaint, or participates in, or refuses to participate in a Title IX proceeding. Complaints alleging retaliation may be pursued in accordance with District Policy.

The exercise of rights protected under the First Amendment does not constitute retaliation prohibited by this Section.

When processing a report or Formal Complaint of sexual harassment, pursuing discipline for other conduct arising out of the same facts or circumstances constitutes retaliation if done for the purpose of interfering with that person's rights under Title IX.

Any person who engages in retaliation will be disciplined in accordance with District Policy, as applicable, and any applicable codes of conduct, handbooks, collective bargaining agreements, and individual employee contracts.

M. Training

All District employees must be trained on how to identify and report sexual harassment.

Any person designated as a Title IX Coordinator, Investigator, Decision-Maker, Appeals Officer, or any person who facilitates an informal resolution process must be trained on the following:

1. The definition of sexual harassment;
2. The scope of the District's education programs or activities;
3. How to conduct an investigation and the District's grievance process, including, as applicable, hearings, appeals, and informal resolution processes; and
4. How to serve impartially, including avoiding prejudgment of the facts at issue, conflicts of interest, and bias.

Investigators must receive training on how to prepare an investigation report as outlined in Subsection F(4)(b) above, including, but not limited to, issues of relevance.

Decision-Makers and Appeals Officers must receive training on issues of evidence and questioning, including, but not limited to, when questions about a Complainant's prior sexual history or disposition are not relevant.

Any materials used to train District employees who act as Title IX Coordinators, Investigators, Decision-Makers, Appeals Officers, or who facilitate an informal resolution process must not rely on sex stereotypes and must promote impartial investigations and adjudications of Formal Complaints. These training materials must be posted on the District's website.

N. Record Keeping

The District will maintain records related to reports of alleged Title IX sexual harassment for a minimum of seven years. This retention requirement applies to investigation records, disciplinary sanctions, remedies, appeals, and records of any action taken, such as supportive measures.

The District will also retain any materials used to train Title IX Coordinators, Investigators, Decision-Makers, Appeals Officers, and any person designated to facilitate an informal resolution process.

O. Office for Civil Rights

Any person who believes that he or she was the victim of sexual harassment may file a complaint with the Office for Civil Rights (OCR) at any time:

U.S. Department of Education Office for Civil Rights
1350 Euclid Avenue, Suite 325
Cleveland, Ohio 44115
Phone: (216) 522-4970
E-mail: OCR.Cleveland@ed.gov

An OCR complaint may be filed before, during, or after filing a Formal Complaint with the District. A person may forego filing a Formal Complaint with the District and instead file a complaint directly with OCR. The District recommends that a person who has been subjected to sexual harassment also file a Formal Complaint with the District to ensure that the District is able to take steps to prevent any further harassment and to discipline the alleged perpetrator, if necessary. OCR does not serve as an appellate body for District decisions under this Policy. An investigation by OCR will occur separately from any District investigation.

APPENDIX B: ANTI-BULLYING

5207 Anti-Bullying Policy

All types of bullying, including cyberbullying, without regard to subject matter or motivating animus, are prohibited.

A. Prohibited Conduct

1. Bullying, including cyberbullying, a student at school is prohibited. Bullying is any written, verbal, or physical act, or electronic communication that is intended to or that a reasonable person would know is likely to harm one or more students directly or indirectly by doing any of the following:
 - a. substantially interfering with a student's educational opportunities, benefits, or programs;
 - b. adversely affecting a student's ability to participate in or benefit from the District's educational programs or activities by placing the student in reasonable fear of physical harm or by causing substantial emotional distress;
 - c. having an actual and substantial detrimental effect on a student's physical or mental health; or
 - d. causing substantial disruption in, or substantial interference with, the District's orderly operations.
2. Retaliation or false accusations against the target of bullying, anyone reporting bullying, a witness, or another person with reliable information about an act of bullying, are prohibited.

B. Reporting an Incident

If a student, staff member, or other person suspects there has been a bullying incident, the person must promptly report the incident to the building principal or designee, or to the Responsible School Official(s), as defined below.

A report may be made in person, by telephone, or in writing (including electronic transmissions). If a bullying incident is reported to a staff member who is not the building principal, designee, or a Responsible School Official, the staff member must promptly report the incident to the building principal, designee, or a Responsible School Official.

To encourage reporting of suspected bullying or related activities, each building principal, after consulting the Responsible School Official(s), will create, publicize, and implement a system for anonymous reports. The system must emphasize that the District's ability to investigate anonymous reports may be limited.

Complaints that the building principal has bullied a student must be reported to the Superintendent. Complaints that the Superintendent has bullied a student must be reported to the Board President.

C. Investigation

All bullying complaints will be promptly investigated. The building principal or designee will conduct the investigation, unless the building principal or Superintendent is the subject of the investigation. If the building principal is the subject of the investigation, the Superintendent or designee will conduct the investigation. If the Superintendent is the subject of the investigation, the Board President will designate a neutral party to conduct the investigation.

A description of each reported incident, along with all investigation materials and conclusions reached, will be documented and retained.

D. Notice to Parent/Guardian

If the investigator determines that a bullying incident has occurred, the District will promptly notify the victim's and perpetrator's parent/guardian in writing.

E. Annual Reports

At least annually, the building principal or designee, or the Responsible School Official, must report all verified bullying incidents and the resulting consequences, including any disciplinary action or referrals, to the Board.

The District will annually report incidents of bullying to MDE in the form and manner prescribed by MDE.

F. Responsible School Official

The Superintendent is the "Responsible School Official" for this Policy and is responsible for ensuring that this Policy is properly implemented. This appointment does not reduce or eliminate the duties and responsibilities of the building principal or designee as described in this Policy.

G. Posting/Publication of Policy

The Superintendent or designee will ensure that this Policy is available on the District's website and incorporated into student handbooks and other relevant school publications.

The Superintendent or designee will submit this Policy to the MDE within 30 days after its adoption.

Training. The Responsible School Official will provide and require annual training opportunities for District personnel who have significant contact with students on preventing, identifying, responding to, and reporting incidents of bullying.]

Educational Programs. The Responsible School Official will periodically arrange or otherwise provide educational programs for students and parents on preventing, identifying, responding to, and reporting incidents of bullying and cyberbullying. The Responsible School Official may arrange for teachers to address these same issues within the classroom curriculum.

The District must obtain written consent from a student's parent/guardian before the student is required to participate in a survey, analysis, or evaluation funded, in whole or in part, by the U.S. Department of Education that would reveal sensitive information. For all other surveys, analyses, or evaluations that would reveal sensitive information about a student, the District will provide prior notice to the student's parent/guardian and an opportunity for the parent/guardian to opt their student out.

Employees may not request or disclose the identity of a student who completes a survey, evaluation, or analysis containing sensitive information.

"Sensitive information" includes:

- political affiliations or beliefs of the student or the student's parent/guardian;
- mental or psychological problems of the student or the student's family;

condition of attendance, (2) administered and scheduled by the District, and (3) not necessary to protect the immediate health and safety of a student.

“Invasive physical examination” means:

1. any medical examination that involves the exposure of private body parts; or
2. any act during an examination that includes incision, insertion, or injection into the body that does not include a hearing, vision, or scoliosis screening.

C. Collection of Student Personal Information for Marketing

No employee will administer or distribute to students a survey or other instrument for the purpose of collecting personal information for marketing or selling that information.

I agree that I will not copy, record, or share, or allow my child to copy, record, or share, any information sent to my child via the school's Technology Resources that includes personally identifiable information about any other child including, without limitation, videos, audio, documents, or other records that identify another student by name, voice, or likeness.

I understand and agree that my child will not be able to use the school's Technology Resources until this Agreement has been signed by both my child and me.

3116-F-2 Agreement for Acceptable Use of Technology Resources

Middle School/High School

Building/Program Name

User Name

This Agreement is entered into on: _____

This Agreement is between _____ (“Student” or “User”)

and _____ (“school”).

The purpose of this Agreement is to grant access to and define acceptable use of the school’s technology resources (“Technology Resources”).

Technology Resources are any type of instrument, device, machine, equipment, technology, or software that is capable of transmitting, acquiring, or intercepting any telephone, electronic, data, Internet, audio, video, or radio transmissions, signals, telecommunications, or services and include without limitation: (1) internal and external network infrastructure, (2) Internet and network access, (3) computers, (4) servers, (5) storage devices, (6) peripherals, (7) software, and (8) messaging or communication systems.

In exchange for the use of the school’s Technology Resources either at school or away from school, you understand and agree to the following:

- A. Your use of the school’s Technology Resources is a privilege that may be revoked by the school at any time and for any reason.
- B. You have no expectation of privacy when using the school’s Technology Resources. The school reserves the right to monitor and inspect all use of its Technology Resources, including, without limitation, personal email and voicemail communications, computer files, databases, web logs, audit trails, or any other electronic transmissions accessed, distributed, or used through the Technology Resources. The school also reserves the right to remove any material from the Technology Resources that the school, in its sole discretion, chooses to including, without limitation, any information that the school determines to be unlawful, obscene, pornographic, harassing, intimidating, disruptive, or that otherwise violates this Agreement.
- C. The Technology Resources do not provide you a “public forum.” You may not use the Technology Resources for commercial purposes or for political positions or candidates unless expressly authorized in advance by a teacher or administrator as part of a class project or activity. You may, however, use the Technology Resources to contact or communicate with public officials provided you follow all other rules.

D. The school's Technology Resources are intended for use only by registered users. You are responsible for your account/password and any access to the Technology Resources made using your account/password. Any damage or liability arising from the use of your account/password is your responsibility. Use of your account by someone other than you is prohibited and may be grounds for suspension from the Technology Resources and other disciplinary consequences for both you and the person(s) using your account/password. Likewise, using or accessing another person's account is prohibited and may be grounds for suspension from the Technology Resources and other disciplinary consequences for both you and the person whose account or password you used or accessed.

E. You may not use the Technology Resources to engage in bullying, including cyberbullying. Bullying and cyberbullying are defined as:

Any written, verbal, or physical act, or any electronic communication, that is intended or that a reasonable person would know is likely, to harm one or more pupils either directly or indirectly by doing any of the following:

1. Substantially interfering with educational opportunities, benefits, or programs of one or more pupils;
2. Adversely affecting the ability of a pupil to participate in or benefit from the educational programs or activities by placing the pupil in reasonable fear of physical harm or by causing substantial emotional distress;
3. Having an actual and substantial detrimental effect on a pupil's physical or mental health; or
4. Causing substantial disruption in, or substantial interference with, the orderly operation of the school.

Use of other communication/messaging devices (including devices not owned by the school) to engage in bullying or cyberbullying may be grounds for discipline under the school's student code of conduct.

F. If you misuse the Technology Resources, your access to the Technology Resources may be suspended and you may be subject to other disciplinary action, up to and including expulsion. Misuse includes, but is not limited to:

1. Accessing or attempting to access material that is "harmful to minors." Material that is "harmful to minors" includes any picture, image, graphic image file, or other visual depiction that: (1) taken as a whole and with respect to minors, appeals to a prurient interest in nudity, sex, or excretion; (2) depicts, describes, or represents, in a patently offensive way with respect to what is suitable for minors, an actual or simulated sexual act or sexual contact, actual or simulated normal or perverted sexual acts, or a lewd exhibition of the genitals; and (3) taken as a whole lacks serious literary, artistic, political, or scientific value as to minors.

2. Accessing or attempting to access material that is unlawful, obscene, pornographic, profane, or vulgar.
3. Accessing or attempting to access material that is inappropriate for minors. Material that is inappropriate for minors includes all material described in Sections F.1 and F.2 of this Agreement.[Click or tap here to enter text.](#)
4. Bullying and cyberbullying (as defined in paragraph E).
5. Sexting, which includes, without limitation, possessing, sending, or distributing nude, sexually explicit, or sexually suggestive photographs, videos, or other visual depictions of yourself or another person.
6. Vandalism, which includes, without limitation, any malicious or intentional attempt to harm, steal, destroy, or disrupt user data, school material, or school hardware or software.
7. Hacking, which includes, without limitation, gaining or attempting to gain access to, modifying, or obtaining copies of information belonging to others or information you are not authorized to access.
8. Unauthorized copying or use of licenses or copyrighted software.
9. Plagiarizing, which includes the unauthorized distributing, copying, using, or holding out as your own, material that was written or created by someone else, without permission of, and attribution to, the author/creator.
10. Posting or distributing confidential or inappropriate information meant to harass, intimidate, or embarrass others.
11. Allowing someone else to use your account or password or not preventing unauthorized access to Technology Resources when leaving them unattended.
12. Using or soliciting the use of or attempting to use or discover the account information or password of another user.
13. Attempting to or successfully disabling security features, including technology protection measures required under the Children's Internet Protection Act ("CIPA").
14. Misusing equipment or altering system software without permission.
15. Commercial for-profit activities, advertising, political lobbying, or sending mass mailings or spam. You may contact a public official, however, to express an opinion on a topic of interest.
16. Copying, recording, or sharing any information received or obtained via the school's Technology Resources that includes personally identifiable information about any other student including, without limitation, videos, audio,

documents, or other records that identify another student by name, voice, or likeness.

17. Using the Technology Resources in any way that violates any federal, state, or local law or rule, Policy, or the school's codes of conduct, or student handbooks.

- G. You must promptly disclose to your parent/guardian or teacher any content you view or receive over the Technology Resources that is inappropriate or that makes you feel uncomfortable, harassed, threatened, or bullied, or that contains sexually explicit content. You should not delete such content until instructed to do so by a school employee.
- H. It is the policy of the school, as a recipient of certain federal funds, to monitor the online activities of its minor students and provide technology protection measures on its computers with Internet access designed to prevent minors from accessing visual depictions that are: (1) obscene, (2) child pornography, or (3) harmful to minors.
- I. It is the policy of the school to prohibit its minor students from: (1) accessing inappropriate matter on the Internet; (2) engaging in hacking or other unlawful online activities; and (3) accessing materials that are harmful to minors. It is also the policy of the school to educate students about cyberbullying awareness and response and about appropriate online behavior, including disclosing, disseminating, or using personal information and safely and appropriately interacting with other individuals in social networking websites, chat rooms, by email, and other forms of direct electronic communications.
- J. The school does not guarantee that measures described in paragraphs H and I will provide any level of safety or security or that they will successfully block all inappropriate material from the school's students. You agree that you will not intentionally engage in any behavior that was intended to be prevented by paragraphs H and I.
- K. The school does not warrant or guarantee that its Technology Resources will meet any specific requirement or that they will be error free or uninterrupted; nor will the school be liable for any damages (including lost data, information, or time) sustained or incurred in connection with the use, operation, or inability to use the Technology Resources.
- L. You will return all Technology Resources to the school in good working order immediately on request.
- M. You are responsible for the proper use of the Technology Resources and will be held accountable for any damage to or replacement of the Technology Resources caused by your inappropriate use.

I agree to follow this Agreement and all rules and regulations that may be added from time to time by the school or its Internet Service Provider. I also agree to follow all rules

in the applicable student code of conduct and handbook. As a condition of using the Technology Resources, I agree to release the school and its board members, agents, and employees, including its Internet Service Provider, from all liability related to my use or inability to use the Technology Resources.

I understand that data I send or receive over the Technology Resources is not private. I consent to having the school monitor and inspect my use of the Technology Resources, including any electronic communications that I send or receive through the Technology Resources.

I have read this Acceptable Use Agreement and agree to its terms.

3. Comply with the law, Board Policy, the Student Code of Conduct, the Athletic Code of Conduct, and all team rules. Failure to comply with this provision may result in suspension or removal from a team.
4. Not possess, use, or consume alcohol, tobacco, cannabis, nicotine (including a vape), or controlled substances (other than those prescribed by a physician for the student-athlete).
5. Not engage in conduct that is unbecoming of student-athletes.
6. Maintain academic eligibility as required by the Michigan High School Athletic Association.
7. Notify your coach or District athletic trainer of any injury or medical condition that may affect your athletic participation.

If a student-athlete violates any provision of the Athletic Code of Conduct, practice, game, team, or complete athletic suspension may result. Any disciplinary consequences will be at the sole discretion of the Athletic Director or designee.

If a student-athlete is suspended or expelled from school, the student-athlete is prohibited from participating in any practice or game during the suspension or expulsion.
