

SMITHTON 130

BOARD BRIEF

JANUARY 2023

Updates to Policies

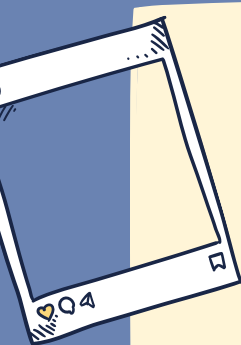

The Board approved the most recent policy updates which included modification to existing policies to be in compliance with recent legislation. All policies can be found on the District website under the Board of Education tab.

Construction Contract Closed

The Building & Grounds Committee met prior to the regularly scheduled meeting. The committee recommended that the Board vote to approve the final pay-out to Shores Construction for the most recent addition.

There was a unanimous vote to issue payment.

SPD Intergovernmental Agreement

A draft intergovernmental agreement between the District and Smithton PD for the School Resource Officer was briefly introduced. The Board was in favor of presenting the initial document to Chief Neff for consideration.

Planning for SY 2024

Planning for the upcoming school year is already underway. The Board was given the first drafts of the proposed calendar, student handbook revisions, student registration fees, and technology agreements. These will be up for approval in February.
