

SMITHTON PTO FIELD DAY 2023

Kindergarten - 4th Grade
THURSDAY, May 4TH
9 am TO 2 PM

Smithton PTO will be hosting a Field Day for students in K-4th grade again this year. We need parent volunteers from 9 am to 2 pm. We will have breaks built into the day for volunteers to eat lunch, so please plan on bringing a lunch with you that day.

If the weather is questionable, we have a rain date set for Thursday, May 11th. We will contact you on the evening of May 3rd if we need to move to the rain date.

If you are able to help with field day, please send the bottom part of this slip back to the office by Wednesday, April 19th!

If you have any questions, please contact Jen Stephens (618) 977-6182 or Samantha Krieg (618) 409-1005. Thank you!
