STRATEGIC PLAN 2017-2022

MISSION

The mission of the Winchendon Public School District is to enlighten, motivate, and educate all who pass through our doors. We will provide a safe environment that promotes an appreciation of diversity and preparedness for the future.

VISION

The Winchendon Public School District works collaboratively with parents to strengthen students' abilities as critical thinkers, problem solvers and active contributing members of their communities while preparing them for success in college and career.

THEORY OF ACTION

If the Winchendon Public School District continues to build educator academic excellence with a shared vision of effective teaching, and we align curriculum and instruction, and effectively use assessment and data to improve academic performance of all students within a positive school culture, then our students will be prepared for college, career, and their successful future.

Objective #1 Curriculum & Instruction: Align curriculum and instruction to improve academic performance so students are prepared for college, career, and their successful future.

Objective #2 Assessment & Data: Use assessment and data to implement effective curriculum, instruction, and interventions to meet the academic and social-emotional needs of all students.

Objective #3 School Climate & Culture: Develop and maintain family/community outreach and communication; safe and respectful learning environments; and establish opportunities for a collegial, collaborative, and professional culture to improve student achievement.
