**For only parent/guardians of students who need to carry asthma medication or epinephrine auto-injector:**

I authorize the School District and its employees and agents, to allow my child or ward to carry and self-administer his or her asthma inhaler and/or use his or her epinephrine auto-injector: (1) while in school, (2) while at a school-sponsored activity, (3) while under the supervision of school personnel, or (4) before or after normal school activities, such as while in before-school or after-school care on school operated property. Illinois law requires the School District to inform parent(s)/guardian(s) that it, and its employees and agents, incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication or epinephrine auto-injector (105 ILCS 5/22-30). **For all parents/guardians:**

By signing below, I agree that I am primarily responsible for administering medication to my child. However, in the event that I am unable to do so or in the event of a medical emergency, I hereby authorize the School District and its employees and agents, on my behalf, to administer or to attempt to administer to my child (or to allow my child to self-administer pursuant to State law, while under the supervision of employees and agents of the School District), lawfully prescribed medication in the manner described above. I acknowledge that it may be necessary for the administration of medications to my child to be performed by an individual other than a school nurse and specifically consent to such practices, and I agree to indemnify and hold harmless the School District and its employees and agents against any claims, except a claim based on willful and wanton conduct, arising out of the administration or the child's self administration of medication.
