Insufficient Fund Checks and Debt Recovery

Insufficient Fund Checks [1]

The Superintendent or designee is responsible for collecting up to the maximum fee authorized by State law for returned checks written to the District that are not honored upon presentation to the respective bank or other depository institution for any reason. The Superintendent is authorized to contact the Board Attorney whenever necessary to collect the returned check amount, fee, collection costs and expenses, and interest.

Delinquent Debt Recovery [2]

The Superintendent is authorized to seek collection of delinquent debt owed the District to the fullest extent of the law. [3]

A Local Debt Recovery Program may be available through the Illinois Office of the Comptroller (IOC) in the future. To participate in it, an intergovernmental agreement (IGA) between the District and the IOC must be in existence. The IGA establishes the terms under which the District may refer a delinquent debt to the IOC for an offset (deduction). The IOC may execute an offset, in the amount of the delinquent debt owed to the District, from a future payment that the State makes to an individual or entity responsible for paying the delinquent debt.

The Superintendent or designee shall execute the requirements of the IGA. While executing the requirements of the IGA, the Superintendent or designee is responsible, without limitation, for each of the following:

1. Providing a District-wide, uniform, method of notice and due process to the individual or entity against whom a claim for delinquent debt payment (*claim*) is made. Written notice and an opportunity to be heard must be given to the individual or entity responsible for paying a delinquent debt before the claim is certified to the IOC for offset. The notice must state the claim's amount, the reason for the amount due, the claim's date or time period, and a description of the process to challenge the claim. An individual or entity challenging a claim shall be provided an informal proceeding to refute the claim's existence, amount, or current collectability; the decision following this proceeding shall be reviewable. If a waiver of student fees is requested as a challenge to paying the claim, and the waiver of student fees is denied, an appeal of the denial of a fee waiver request shall be handled according to 4:140, *Waiver of Student Fees*. If no waiver of student fees is requested, reviews regarding payment of the claim shall be handled according to this policy before certification to the IOC for offset.
2. Certifying to the IOC that the debt is past due and legally enforceable, and notifying the IOC of any change in the status of an offset claim for delinquent debt.
3. Responding to requests for information from the IOC to facilitate the prompt resolution of any administrative review requests received by the IOC.

Use of Credit and Procurement Cards [1]

The Superintendent and employees designated by the Superintendent are authorized to use District credit and procurement cards to simplify the acquisition, receipt, and payment of purchases and travel expenses incurred on the District's behalf.[2] Credit and procurement cards shall only be used for those expenses that are for the District's benefit and serve a valid and proper public purpose; they shall not be used for personal purchases. Cardholders are responsible for exercising due care and judgment and for acting in the District's best interests.

The Superintendent or designee shall manage the use of District credit and procurement cards by employees. It is the Board's responsibility, through the audit and approval process, to determine whether District credit and procurement card use by the Superintendent is appropriate.

In addition to the other limitations contained in this and other Board policies, District credit and procurement cards are governed by the following restrictions: [3]

1. Credit and/or procurement cards may only be used to pay certain job-related expenses or to make purchases on behalf of the Board or District or any student activity fund, or for purposes that would otherwise be addressed through a conventional revolving fund. [4]
2. The Superintendent or designee shall instruct the issuing bank to block the cards' use at unapproved merchants.
3. Each cardholder, other than the Superintendent, may charge no more than $500 in a single purchase and no more than $1000 within a given month without prior authorization from the Superintendent. [5]
4. The Superintendent or designee must approve the use of a District credit or procurement card whenever such use is by telephone, fax, and the Internet. Permission shall be withheld when the use violates any Board policy, is from a vendor whose reputation has not been verified, or would be more expensive than if another available payment method were used.
5. The consequences for unauthorized purchases include, but are not limited to, reimbursing the District for the purchase amount, loss of cardholding privileges, and, if made by an employee, discipline up to and including discharge.
6. All cardholders must sign a statement affirming that they are familiar with this policy. [6]
7. The Superintendent shall implement a process whereby all purchases using a District credit or procurement card are reviewed and approved by someone other than the cardholder or someone under the cardholder's supervision.
8. Cardholders must submit the original, itemized receipt to document all purchases.

Notice

The Superintendent shall be responsible for implementing the District's free and reduced-price food services policy and all applicable programs. [2] [3]

Eligibility Criteria and Selection of Children [4]

A student's eligibility for free and reduced-price food services shall be determined by the income eligibility guidelines, family-size income standards, set annually by the U.S. Department of Agriculture and distributed by the Illinois State Board of Education.

Notification [5]

At the beginning of each school year, by letter, the District shall notify students and their parents/guardians of: (1) eligibility requirements for free and reduced-price food service; (2) the application process; (3) the name and telephone number of a contact person for the program;[6] and (4) other information required by federal law. The Superintendent shall provide the same information to: (1) informational media, the local unemployment office, and any major area employers contemplating layoffs;[7] and (2) the District's website (if applicable), all school newsletters, or students' registration materials.[8] Parents/guardians enrolling a child in the District for the first time, any time during the school year, shall receive the eligibility information.

Nondiscrimination Assurance [9]

The District shall avoid publicly identifying students receiving free or reduced-price meals and shall use methods for collecting meal payments that prevent identification of children receiving assistance.

Appeal [10]

A family may appeal the District's decision to deny an application for free and reduced-price food services or to terminate such services as outlined by the U.S. Department of Agriculture in 7 C.F.R. §245.7, Determining Eligibility for Free and Reduced-Price Meals and Free Milk in Schools. The Superintendent shall establish a hearing procedure for adverse eligibility decisions and provide by mail a copy of them to the family. The District may also use these procedures to challenge a child's continued eligibility for free or reduced-price meals or milk.

Waiver of Student Fees [1]

The Superintendent will recommend to the School Board a schedule of fees, if any, to be charged students for the use of textbooks, consumable materials, extracurricular activities, and other school student fees. Students must also pay for the loss of or damage to school books or other school-owned materials.

Fees for textbooks, other instructional materials, and driver education are waived for students who meet the eligibility criteria for a fee waiver as described in this policy. [2] In order that no student is denied educational services or academic credit due to the inability of parents/guardians to pay student fees, the Superintendent will recommend to the Board which additional fees, if any, the District will waive for students who meet the eligibility criteria for fee waiver. [3] Students receiving a fee waiver are not exempt from charges for lost and damaged books, locks, materials, supplies, and equipment. [4]

Notification

The Superintendent shall ensure that applications for fee waivers are widely available and distributed according to State law and ISBE rule and that provisions for assisting parents/guardians in completing the application are available.

Eligibility Criteria

A student shall be eligible for a fee waiver when the student currently lives in a household that meets the same income guidelines, with the same limits based on household size, that are used for the federal free meals program. [5]

The Superintendent or designee will give additional consideration where one or more of the following factors are present: [6]

- Illness in the family;
- Unusual expenses such as fire, flood, storm damage, etc.;
- Unemployment;
- Emergency situations;
- When one or more of the parents/guardians are involved in a work stoppage.

Verification [7]

The Superintendent or designee shall establish a process for determining a student's eligibility for a waiver of fees in accordance with State law requirements. The Superintendent or designee may require family income verification at the time an individual applies for a fee waiver and anytime thereafter but not more often than once every 60 calendar days. The Superintendent or designee shall not use any information from this or any independent verification process to determine free or reduced-price meal eligibility.

If a student receiving a fee waiver is found to be no longer eligible during the school year, the Superintendent or designee shall notify the student's parent/guardian and charge the student a prorated amount based upon the number of school days remaining in the school year.

Determination and Appeal [8]

Within 30 calendar days after the receipt of a waiver request, the Superintendent or designee shall mail a notice to the parent/guardian whenever a waiver request is denied. The denial notice shall include: (1) the reason for the denial, (2) the process and timelines for making an appeal, and (3) a statement that the parent/guardian may reapply for a waiver any time during the school year if circumstances change. If the denial is appealed, the District shall follow the procedures for the resolution of appeals as provided in the Illinois State Board of Education rule on waiver of fees.

7. Provide for low maintenance costs, energy efficiency, and minimal environmental impact.

Naming Buildings and Facilities [6]

Recognizing that the name for a school building, facility, or ground or field reflects on its public image, the Board's primary consideration will be to select a name that enhances the credibility and stature of the school or facility. Any request to name or rename an existing facility should be submitted to the Board.[7] When a facility is to be named or renamed, the Board President will appoint a special committee to consider nominations and make a recommendation, along with supporting rationale, to the Board. The Board will make the final selection. The Superintendent or designee may name a room or designate some area on a school's property in honor of an individual or group that has performed outstanding service to the school without using the process in this policy.
