

North County Christian School Chromebook Protection Insurance Program 2023-2024 (7th-12th grade only)

This school year, Chromebooks will be issued to all students in grades 7-12 for use at home and school as part of our one-to-one program. North County Christian School offers each of these families the opportunity to insure school-owned Chromebooks that are issued to students. This insurance program protects the Chromebooks against accidental damage (drops/spills), loss, theft, fire, flood, and natural disasters. The insurance policy will provide replacement cost coverage and protect the Chromebook on and off school grounds.
