

**Request for Qualification (RFQ) 04-2022**  
**Professional Consulting Services for**  
**Engineering/Design Consultants/Services**  
**Main Office/Library Seismic Retrofit**

Marysville School District #25 is seeking qualified engineering/design consultants for a seismic retrofit project at Totem Middle School 1605 7<sup>th</sup> ST. Marysville, WA 98270. The district has been awarded a Seismic Retrofit Planning grant from the Office of Superintendent of Public Instruction (OSPI). This funding is to develop a comprehensive final concept-level seismic retrofit design of Totem Middle School Main Office/Library Building. If the design is approved by the OSPI School Seismic Committee, the district will be awarded additional funding to complete the retrofit.

The successful engineering/design consultants firm will exhibit the experience working with School Districts on retrofit projects. The project will require meeting all of OSPI's grant funding requirements. Once a project management/construction management firm is selected, it is the Districts intention to move forward immediately in selecting an engineering/design consultants firm for the Totem retrofit project.

**All submittals must be received on or before 2:00 P.M. on Monday, October 24<sup>th</sup>, 2022.**

**Required walk through on October 12<sup>th</sup> at 3:30 pm.**

Marysville School District #25
