

Tenth Street Middle School

MSD's Option Middle School

Info night - February 15th 6 p.m. - 7 p.m.

Creating life-long learners

- ❖ We enroll 58 sixth grade students each year
- ❖ We cap our middle school at 174
- ❖ We feature a core curriculum that includes 3 years of **Band, Art, and PE/Health**
- ❖ We have 7 instructors at our school who loop with our students 6th - 8th grades, which helps them get to know each student as an individual learner.
- ❖ Open to all students in the Marysville School District boundaries
- ❖ We tear down the walls of the classroom by connecting lessons to real-world activities
- ❖ We emphasize student responsibility in their education and provide them tools to organize their work, which helps them transition from a dependent learning to an independent learner

We support a rigorous academic program that may lead to high school credit!
