Principals Message

Thank you Liberty Families for supporting us through our first month of the year. I am excited to start the month of October and I look forward to seeing you at some of our PTA events and our conferences. As a school we are focusing on zones of regulation to help our students self regulate. In particular I will be challenging our students this month to define what our "Green" zone looks like and sounds like in the classroom. Here is a link to a website that explains the zones : <https://zonesofregulation.com/index.html>. The "Green" zone is the zone we learn in. Students should feel comfortable and ready to learn in this zone. Please consider talking about the zones of regulations with your students at home. When we share the same message it helps reinforce the work. I appreciate you and your support. Here are a few opportunities for school involvement this month:

- ▶ PTA - <https://mp.gg/n5dxc>
- ▶ Adult English Learner Classes: <https://forms.gle/p4cEe1XYwL8jC9yq6> These classes are from 5 to 7 here at Liberty with childcare provided.
- ▶ Parent Advisory Team ([FOR MORE INFORMATION CLICK HERE.](#)) To join please click here: [Link: https://forms.gle/OtKsaruCj4ggeTXZA](https://forms.gle/OtKsaruCj4ggeTXZA) The team is to advise the Principal and other school leaders on ways to improve the student and families' experiences in our schools, develop strong school-home partnerships, and promote the active participation and engagement of parents, family, and community members in the achievement and well-being of all students. Please note that we will consider all applications but it does not guarantee that you will be selected to serve on the advisory team.

Gracias Liberty Families por apoyarnos durante nuestro primer mes del año. Estoy emocionado de comenzar el mes de octubre y espero verlos en algunos de nuestros eventos y conferencias. Como escuela, nos estamos enfocando en zonas de regulación para ayudar a nuestros estudiantes a autorregularse. En particular, desafiaré a nuestros estudiantes este mes a definir cómo se ve y suena nuestra zona "verde" en el salón de clases. Aquí hay un sitio web que explica las zonas: <https://zonesofregulation.com/index.html>. La zona "verde" es la zona en la que aprendemos. Los estudiantes deben sentirse cómodos y listos para aprender en esta zona. Considere hablar sobre las zonas de regulaciones con sus estudiantes en casa. Cuando compartimos el mismo mensaje ayudamos a reforzar el trabajo. Les agradezco el apoyo. Aquí hay algunas oportunidades para la participación escolar este mes:

- PTA - <https://mp.gg/n5dxc>
- Clases de estudiantes de inglés para adultos: <https://forms.gle/p4cEe1XYwL8jC9yq6> Los lunes desde 5 a 7 y hay gente para cuidar a sus hijos.
- Equipo asesor de padres ([PARA MÁS INFORMACIÓN HAGA CLIC AQUÍ](#)), para unirse haga clic aquí: [Enlace: https://forms.gle/OtKsaruCj4ggeTXZA](https://forms.gle/OtKsaruCj4ggeTXZA) El equipo debe asesorar al director y otros líderes escolares sobre formas de mejorar las experiencias de los estudiantes y las familias en nuestras escuelas, desarrollar asociaciones sólidas entre la escuela y el hogar y promover la participación activa y compromiso de los padres, la familia y los miembros de la comunidad en el logro y el bienestar de todos los estudiantes. Tenga en cuenta que consideraremos todas las solicitudes, pero eso no garantiza que usted será seleccionado para formar parte del equipo asesor.

Thanks again for letting us support your child,

Gracias nuevamente por permitirnos apoyar a su hijo,

Travis Hammond

STUDENT DROP OFF AND PICK UP!

Student safety is always at the forefront of our planning and our highest priority. Please be sure to use the parking lot on 47th when dropping off students. **DO NOT stop in the road to drop off your student or students. This causes major traffic problems and backs up our buses.**

Also please be aware of crossing guards in the crosswalks and school buses with their stop arm extended and lights flashing.

Please do not have your student at school before 9:05 am unless they are Patrol crossing guards. We don't have supervision for students before 9:05 am. Student dismissal is at 3:45 pm Monday - Thursday and at 2:15 pm on Friday. Please be here on time to pick up your student

¡DEJAR Y RECOGER AL ESTUDIANTE!

La seguridad de los estudiantes siempre está al frente de nuestra planificación y es nuestra máxima prioridad. Asegúrese de usar el estacionamiento en la calle 47 cuando deje a los estudiantes. **NO se detenga en el camino para dejar a su estudiante o estudiantes. Esto causa grandes problemas de tráfico y hace retroceder a nuestros autobuses.**

También tenga en cuenta a los guardias de cruce en los cruces de peatones y en los autobuses escolares con el brazo de parada extendido y las luces encendidas.

Por favor, no lleve a su estudiante a la escuela antes de las 9:05 a. m. a menos que sean guardias de cruce de la Patrulla. No tenemos supervisión para los estudiantes antes de las 9:05 am. La salida de los estudiantes es a las 3:45 pm de lunes a jueves ya las 2:15 pm los viernes. Por favor esté aquí a tiempo para recoger a su estudiante.

5th grade Conservation Club

Conservation Club for 5th grade starts November 9th

Three years ago 5th grade students participated in a Renewable Energy Leadership Lab sponsored by the Bonneville Environmental Foundation. We examined the plastic trash problem and created some possible solutions. Then a select group of students took part in the regional KidWind Challenge on March 9th 2019. The group worked for 6 weeks meeting twice a week to build a wind turbine. Team S.A.S. Serious About Science won 1st place in the Elementary division.

Two years ago we had multiple 5th grade teams, as well as some middle school teams ready to compete when COVID canceled our event. For 2020/21 we held our meetings fully virtually and competed at the National Challenge virtually. Our National team was awarded the Spirit of KidWind award. Last year we hosted a regional challenge at Liberty. Two winning teams went to Nationals in San Antonio. Our Elementary team, "Emo Ducks" won a 1st place in the Hydro-power challenge at Nationals and our Middle School team, "JamJom" had a great experience.

We hope to qualify a team again this year and go to Nationals in New Orleans May 22nd -25th.

Dates of Conservation Club meetings will be after school Wednesdays starting November 9th (11/9, 11/16, 11/30, 12/7, 12/14, 1/4, 1/11, 1/18, 2/1, 2/8, 2/15, 2/22, 3/1, 3/8, 3/9*, 3/11*, 3/15, 3/22, 4/12, 4/19, 4,26, 5/3) Our last meeting on May 3rd will be a showcase held after school for families and staff at Liberty. March 9th is an extra day for challenge prep. and Saturday, March 11th is our Regional KidWind Challenge at Liberty.

Students will stay after school once a week and learn science concepts and how to use scientific tools, measures, and technology.

Space will be limited, and the deadline to sign up is November 4th. Attendance is crucial, so please take a close look at the proposed meeting dates. Students will need to be picked up by a parent no later than 5:45 PM in Portable 1. We meet most Wednesday evenings.

Sign up soon! We have limited spots.
