Welcome Dr. Robbins!

On Tuesday, June 7, 2022, our new Superintendent, Dr. Zachary Robbins will be visiting Marshall Elementary School. We are excited to welcome him and have the opportunity for staff and students meet and welcome him to our school.

Principal's Message

Dear Marshall families,

We are approaching the end of the year and have many exciting things to look forward to. I want to first acknowledge the devastation that occurred in Texas this past week and how that hits home for us in Marysville. Our staff had a meeting on Wednesday morning where we shared different emotions but also debriefed our emergency plans which we have in place. We will continue to work through our plans and practices. The biggest support we can ask from our students and parents is to encourage students if they ever see or hear something is to say something to an adult. If that happens to be you as the parent, we encourage you to reach out to us at school so we know about it and we can ensure the safety of our students. We continue to offer a welcoming environment at our school where parents can volunteer and join us in our classrooms. If you are on campus, it is important for you to check in at the front office and obtain a visitor sticker/badge and visibly wear it while you are visiting. We appreciate your support in this matter.

Looking forward to our spring festivities, our students voted for the playground structure you helped fundraise for. Ask your student which one they voted on. We are super excited! We are happy to be bringing back our fun day for all students and a fun day for our 5th graders, field trips are back and kids are loving them, and we have almost filled up another Mustang Mission chart. When we do, students will receive popsicles at recess.

We are excited to be heading into spring. We encourage you to come chat with us in the office if there are ever any questions, concerns, or wonderings you have and appreciate your partnership.

Go Mustangs!

Sincerely,

Katy Rudolph
Principal

Please keep our office informed of any address and/or phone number changes. This will ensure that you will receive summer mailings and other types of contacts. You may also provide the information through Family Access.

Thank you!
Tara and Cherie

There is still time to preorder your yearbook. This year, yearbooks are only **\$7.00** and you may purchase directly online using your Family Access login:

A flyer was sent home with additional information.

Orders should be made by June 17, 2022

Stay Informed

Marshall's office staff will keep you informed of upcoming events and important dates over the summer. Communication will be via texts, emails, Facebook posts and updates to our website. Some things to watch for include:

- First Day of School
- Back-to-School Events

Farewell to Our Retirees

**"Diamonds are nothing more than chunks of coal that stuck to their jobs."
(Malcom Stevenson Forbes)**

We are both happy and sad to announce that three staff members at Marshall Elementary School will retire from the Marysville School District at the conclusion of this school year. While we share their joy as they move on to a new phase in their lives, we feel an emptiness at this change. The following have affected countless students, parents and staff alike:

- ◆ Ms. Barb Barclay, 4th Grade Co-Op Teacher
- ◆ Mrs. Gail Sawyer, 5th Grade Teacher
- ◆ Mrs. Laurel Ternes, Resource Room Teacher

Many of you know one or both of these employees and we hope you will join us in wishing these "diamonds" the bliss that comes from knowing they have touched so many in such a sparkling and positive manner.

Fair winds and following seas!

EVERY MINUTE IN THE CLASSROOM IS A LEARNING OPPORTUNITY

Attendance matters

As the 2021—2022 school year quickly comes to an end, we want to remind you of the importance of your child's attendance in school.

One of our goals is to increase attendance district-wide. Research shows that missing 10% of school, which is only 2 days a month or 18 days in a school year is enough to negatively impact students academic success. These days add up in a hurry.

Please familiarize yourself with our attendance policies posted on the MSD website and help us, help your student have a very successful end to the 2021—2022 school year and a great beginning to the 2022—2023 school year!

Free Summer Meals for Kids & Teens

Marysville School District will be offering our Free Summer Meals for Kids again this summer. This program is open to anyone and free for all children ages 18 and under. Your child does not need to be enrolled in school to participate.

Supply Lists

Supply lists for the 2022—2023 school year will be provided to you in your student's report card. Please note that some teachers ask for items specific to their class. You may wish to wait to purchase these "special items" until you find out who your student's teacher is. The common items are identified on the list as such and should be easily obtained anytime during the summer.

The votes are in!

New Playground Equipment Chosen

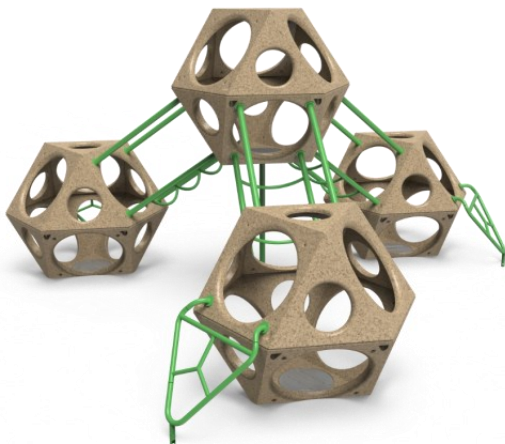

Marshall's student all had an opportunity to vote for their favorite piece of playground equipment to purchase with the proceeds from our PTSA's successful Fun Run.

Two items were clearly favored and the one that was chosen won by less than ten votes. This was a great lesson for students to see that every one of their votes counted! The winner is pictured below.

Our PTSA will hold another fun run next year to purchase additional playground equipment.

We will now work with the District's Purchasing Department for ordering and installation.

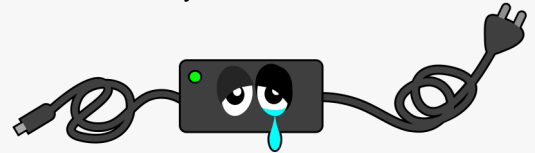

Thank you for your huge support of this fundraiser.

Technology Reminder

Please ensure that your student returns all technology items that may still be at home. Chargers that were sent home when we needed to teach/learn remotely are especially missing.

Please avoid a fine by returning these items. Thank you!

Mostly Seldom LOST & FOUND

Lost & Found is Full

The Lost and Found has been growing all year. Please have your child check the rack to claim missing items.

On nice weather days, we will hang the items on the fence by the car loop. Please take the opportunity to look for any items that your student may be missing.

All items that are left at school will be donated to Kloz for Kids. Thank you for taking your items home!

Borrowed Clothing?

If your student has borrowed any clothes from the Health Room, please return them as soon as possible as we are running low.

Thank you!

Medication at School

All medications at school, including over-the-counter items, must be housed in our Health Room with proper documentation. This allows us to assist students with proper dosage, etc.

If you currently have medication at school, please remember to pick it up for the summer.
