Principal's Message

Dear families,

January has come and gone and our students worked incredibly hard. This month, we focused on perseverance. That was a perfect trait to focus on because we had our winter diagnostics in math and reading. Students worked so hard and focused their energy to show us their best work. In fact, we want to celebrate their commitment to growing their brain; we are going to celebrate in a couple of different ways. Help us make this an extra big deal by congratulating your student on a job well done. We also filled our Mustang Mission board and celebrated our commitment to being an outstanding Mustang by serving hot chocolate at recess. Our students are rocking and rolling and showing us all their hard work; it is truly incredible.

In addition to our academic achievement, our playground is finally getting installed! We are super excited that it should be completed by the middle of February. (Please see page 4 for a rendering of the new equipment.) Thank you, again, to all of our families who made this addition possible by contributing to our Fun Run last year. We cannot make these improvements without your help – thank you! We will kick off this year's Fun Run at the end of April. I cannot wait!

Lastly, please stop by and pick up some information on the LEVY that will be on the ballot on February 14th. You can also check out the website, <https://www.msd25.org/page/levy-2023> to read more information. If at any time you would like more information and would like to talk to me about the levy, I am more than happy to find the time.

Thank you for your support and partnership. I look forward to seeing what is in store during the Month of February.

Sincerely,
Katy Rudolph
Principal

No School Days

The following days will be non-student days:

Friday, February 17 and Monday,
February 20, 2022—Presidents
Day Weekend

Levy Reinstatement

The current E, P & O levy is set to expire at the end of the 2022 tax year.

Levy funds enable the District to support educational programs and operations, including teaching, school supplies,

technology, athletics, building maintenance, transportation, and other educational needs.

On February 14, 2023, the Marysville School District will ask voters to reinstate the expiring levy.

Bus Pass Procedures:

If your student is going home on a bus with a friend, or getting off at a stop that is not their usual stop, a parent or guardian must send a note with your student on the day that they will ride the bus. The student will then need to bring the note to the office to have a bus pass issued for them.

Bus drivers will not allow students on a bus that is not their normal bus, nor will they allow students to get off at a stop that is not their regular one without a pass.

If your student will be met at their stop by someone other than their usual adult, please notify transportation at (360) 965-0300. This is especially important for our Kindergarten and Special Needs students.

immunizations

For the health and safety of all, students and staff immunization compliance is an ongoing effort. The process involves review and documentation of individual student records along with notification of parents when requirements change or their student is out of compliance.

A timely response and reply to notifications regarding your students immunization needs is greatly appreciated.

Also, should your child receive any additional immunizations, please let our Health Room know as soon as possible.

If you have any questions, please feel free to call our office and staff will direct your call to the appropriate staff member.

Thank you,
Marysville School District Health Services

Weather & Extra Clothing

We go outside every day, except on **extremely** rainy days.

You may wish to pack extra pants or sweatpants in your child's backpack just in case they get too wet at recess. With

nearly 550 students at Marshall, the Health Room doesn't have that many emergency changes of clothing. Thank you for your cooperation!

Dress for outdoor play: Layers, boots, waterproof jacket, even waterproof pants. As the old saying goes, "There's no bad weather, only bad clothing!"

10th Street

Attention 5th Grade Parents

Is your 5th grade student interested in attending 10th Street Middle School next year? If so, you are strongly encouraged to attend the open house to be held on Wednesday, February 15, 2023 from 6:00–7:00 PM. This is a great opportunity to find out more about 10th Street Middle School. Bring your questions, students and parents.

Requests to attend 10th Street must be submitted during the month of February.

*Out of District or Requesting
Another School for Next Year?*

For students entering *1st through 5th grades*, February is the month to apply for a transfer to a school that is not the school assigned by your address. If you reside outside the Marysville School District, you must apply for attendance each year.

To apply for an Out-of-District waiver, you need to apply through your home school district's website for a "Choice Transfer".

All In-District requests shall be completed online at MSD25.org. Remember that February is the best month to complete these documents as it is the "Annual In-District Transfer Month".

Kindergarten transfers and registration start on
March 1, 2023.
