

From the Principal:

Thinking About Next Year

We have already begun the important job of creating balanced classes for next year. As we approach this task, we ask our Pinewood community for the trust and flexibility needed to meet the needs of all students. Our amazing staff spends significant time assessing the needs, strengths, and challenges of each student. Multiple factors are considered in the process of developing classes. Please trust in us that we will make the best decision we can for each of our Panthers.

Speaking of next year, I wanted to take this opportunity to let you know I have accepted a principal position in Snohomish, which is very close to my home. When I came to Marysville three years ago, I had no idea how much I would miss working in my backyard. I want to thank each of you for entrusting me with your child and for letting them be a part of my life. I truly will miss our Panther community! You are left with an incredible staff that will always watch out for your child. I know this in my heart and I hope you do as well.

Here's to finishing this school year strong.

Warmly,

Principal Harasek

**Assistant Principal Corner
Pinewood Elementary
June 2022**

Dear Pinewood Families:

This will be my last Assistant Principal Corner as a Pinewood Panther! It is with a sad heart and also pride that I say goodbye to my Pinewood community. It's hard to believe that I've been a Pinewood Panther for two years! It's been a truly wonderful experience. I've met so many amazing students, parents and staff! Pinewood has been a very special place for me and I will miss everyone.

I will also remember fondly the many students who excitedly and graciously shared their thoughts and requests with me as I created our weekly career pathways to success videos each Friday. I will also remember with pride the great work happening here at Pinewood as evidenced by the projects students so graciously and excitedly shared with me. Thankfully, I was able to share some of those projects with you as they were published right here in our monthly newsletter.

In closing, I'd like to acknowledge just how lucky we all are to have such a fantastic school community. I will take a part of that Pinewood spirit with me as I move to become the Allen Creek Elementary Interim Principal. I feel very fortunate for all of the opportunities and experiences I have had at Pinewood, and I wish you and your families all the best!

With Gratitude,
Marian Gonzales
Assistant Principal

Pinewood says goodbye to these two wonderful ladies.

We can't wait to see
you there!

Let's talk about **ATTENDANCE!**

ABSENCES and TARDIES

Please call the **ATTENDANCE LINE** at **360.965.1301**

If your student will be absent or late arriving to school for any reason, please call the attendance line. If not answered this line goes directly to voice mail, which makes it available 24 hours per day, 7 days per week. When you know in advance that your child has a medical or dental appointment that will keep them out of school or arrive to school late, leave a message at this line. We are able to take the information in advance. If you do not leave a message and your child is not at school, an automated call will go out to attempt contacting you to ensure that your child is safe. Your child will be marked unexcused if contact is not made..

Please help us by calling in by 9:00 am. When your child is absent, please call or send a note with your child to excuse the absence within 3 days. Pre-arranged absences for family reasons need prior approval by the principal, provided that the absence will not adversely affect your child's progress in school. Absence approval forms are available in the school office. If you child arrives at 9:25 or later, please check in at the office for a tardy slip to minimize disturbance in the classroom.

How Does Your Child Go Home?

There may be days when your child is uncertain of the manner by which they are expected to leave school. Some days a child may be picked up by a parent or other adult and other days they may ride the bus or walk. This may cause some confusion especially as we see the change of weather . Please help your child know in advance what is expected of them at the end of the school day. It may be a good idea to create a plan with your child, reinforcing each morning how they are to get home. Of course, emergencies do happen. When the plan changes during the day, the office is happy to send a parent message to the student by 3:00 PM. Our goal is to ensure that your child returns home safely and as quickly as possible.

Student Messages

We are receiving many messages for students concerning end of the day plans. In order to avoid interruption of instructional time, we ask that plans for after school be discussed before school each day. Please keep end of the day messages for emergency changes only!

Thank you for your continued support!

VOLUNTEER

DO YOU WANT TO VOLUNTEER?

All volunteers must meet the following requirements in order to be eligible to volunteer:
Per the Governor's vaccine mandate, all school volunteers are required to show proof of vaccination.

Volunteers must complete their volunteer packet, including criminal background check (every 2 years). Volunteer applications are available online - click [HERE](#).

There is an email set up for volunteers to send in their application (volunteer@msd25.org). Since vaccination status will need to be included with the paperwork, it will go directly to the COVID department for processing.

Volunteers will be allowed to work in classrooms at the discretion of the teacher and must follow all DOH Health and Safety Guidelines for schools. Additionally, there may be limits on the number of daily volunteers allowed in a classroom based on physical distancing requirements.

We hope that this is just one of many steps toward a broader sense of normalcy in our schools. It will be great to have parents and families back in our

Family Access in Skyward (<http://family.marysville.wa-k12.net>)

Family Access is a great way for parents and guardians to access your child's grades, view attendance, discipline, meal account activity, and update your personal information such as phone numbers or emergency contacts. In some cases, the district will post forms in Family Access that require viewing and/or a signature. Family Access is part of our student data system. Each account is private and viewable only to those who have approved credentials and a login and password. For the protection of our students, this cannot be done over the phone

- **Setting up a Family Access Account:** In order to set up an account for Family Access, you will need to have an email in your child(rens) records in the data system. This is typically added when you enrolled your child(ren) in school but can become outdated over time. Follow these steps to get connected:
- If you have not provided an email, please contact your child(rens) school office and provide them with parent/guardian email addresses.
- If you have an email but do not have your login information or you need to create an account, go to <https://www.msd25.org/o/district/page/skyward-family-access--38> and choose Family/Student login under the resource column.
- Click on the "forgot username or password" link and follow the steps.
- You can also connect to the Family Access App once you have an established account. Search "Family Access" on your smart phone App store.

PAY ONLINE

Marysville School District's Point of Sale system has made it easy for families to pay for lunches, field trips, fines etc. without a transaction fee. This system is called Touch-Base and utilizes the same login as assigned to you for Skyward Family Access.

The login page may be found at: <http://payments.msd25.org/>
If you need help with your login, please feel free to contact our office.

Dogs at School?

Please do not bring your dog to school when picking up your students. Only certified service animals are permitted on District properties.

Marysville School District provides non-profit agencies the opportunity to promote their events using the E-Flyer process.

Health Room News and Information

HEALTH AND SAFETY INFORMATION

Our schools are opened this fall with 100% in-person teaching and learning and we are excited to welcome each of our students back to school! In order to make sure that we can provide in-person instruction, we must follow the requirements set out by Governor Inslee and the Washington State Health Department. These requirements include a variety of protections related to masking, social distancing, isolation, and quarantine rules. Most notably, students and staff will be required to wear masks while indoors to start the year. Please be assured we will continue to monitor the guidance from OSPI and the [WA State Department of Health](#) and will notify families and staff of any changes.
