"Better Together"

November 2022

From the Principal:

Hello Pinewood Families,

Welcome to November! We hope you enjoyed your scheduled parent/teacher conferences and learned about your child's progress at school thus far. Our teaching staff is to be commended for their continued dedication to ensuring your child/children are having a productive learning school year.

Congratulations to the students who were selected for being responsible this month! We are so proud of each of you and want to thank you for being such a great example of what it means to be a Pinewood Panther!

Thanksgiving break will be here before you know it as well. I continue to express my gratitude for each of our Pinewood Panthers, staff, and for you. We appreciate your partnerships throughout the year and look forward to another incredible month on campus!

Thank you to our wonderful PTSA and volunteers for making our Trunk-or-Treat a huge success!

SAFETY for all is our goal! Thank you to everyone who has worked with us on our system to drive up, drop off, and leave before and after school. We so appreciate that you are making your quick good-byes, allowing other families behind you to get in and out in a timely manner. Thank you, also, for using the crosswalks and modeling good behavior and habits for your children. We appreciate that those of you who need to come inside or have more time with your child at drop-off are now parking rather than clogging the drop off lanes.

As always, please don't hesitate to reach out if you have any questions or concerns.

Respectfully,

Erika Velasco
Pinewood Principal

Weapon-Free, Drug-Free, and Tobacco-Free

The Marysville School District is a Weapon-Free, Drug-Free, and Tobacco-Free environment. You can find the standards and procedures set forth in Policy 4210 - "Regulation of Dangerous Weapons on School Premises" on the District's web-site at www.msd25.org. The document describes the regulation for which corrective action or punishment (i.e., discipline, suspension, and expulsion) may be imposed. Paper copies may be requested in the office of your child's school or at the receptionist's desk in the School District's Service Center, 4220 80th Street NE.

Lost And Found

Lost and found items can be found in the gym.

All lost & found items will be packed up the end of each month.

All goods go to the Good Will on the last day of the month.

Student Conduct

The Marysville School District acknowledges that conduct and behavior is closely associated to learning. An effective instructional program requires a wholesome and orderly school environment. The district requires that each student adhere to the rules of conduct and submit to corrective action taken as a result of conduct violations. The rules of conduct are applicable during the school day as well as during any school activity conducted on or off campus. Special rules are also applicable while riding on a school bus.

A copy of Policy 3240 "Student Conduct Expectations and Reasonable Sanctions" is available online at www.msd25.org or at the District Office: 4220 80th Street NE, Marysville, WA, 360-965-0000.

According to the National Education Association, "Ongoing research shows that family engagement in school improves student achievement, reduces absenteeism, and restores parents' confidence in their children's education. Students with involved parents or other caregivers earn higher grades and test scores, have better social skills, and show improved behavior."
"Remember, you are your child's first teacher." "No school can work well for children if parents and teachers do not act in partnership on behalf of the children's best interests"

Let's talk about **ATTENDANCE!**

ABSENCES and TARDIES

Please call the **ATTENDANCE LINE** at **360.965.1301**

If your student will be absent or late arriving to school for any reason, please call the attendance line. If not answered this line goes directly to voice mail, which makes it available 24 hours per day, 7 days per week. When you know in advance that your child has a medical or dental appointment that will keep them out of school or arrive to school late, leave a message at this line. We are able to take the information in advance. If you do not leave a message and your child is not at school, an automated call will go out to attempt contacting you to ensure that your child is safe. Your child will be marked unexcused if contact is not made..

Please help us by calling in by 9:00 am. When your child is absent, please call or send a note with your child to excuse the absence within 3 days. Pre-arranged absences for family reasons need prior approval by the principal, provided that the absence will not adversely affect your child's progress in school. Absence approval forms are available in the school office. If you child arrives at 9:25 or later, please check in at the office for a tardy slip to minimize disturbance in the classroom.

How Does Your Child Go Home?

There may be days when your child is uncertain of the manner by which they are expected to leave school. Some days a child may be picked up by a parent or other adult and other days they may ride the bus or walk. This may cause some confusion especially as we see the change of weather . Please help your child know in advance what is expected of them at the end of the school day. It may be a good idea to create a plan with your child, reinforcing each morning how they are to get home. Of course, emergencies do happen. When the plan changes during the day, the office is happy to send a parent message to the student by 3:00 PM. Our goal is to ensure that your child returns home safely and as quickly as possible.

Student Messages

We are receiving many messages for students concerning end of the day plans. In order to avoid interruption of instructional time, we ask that plans for after school be discussed before school each day. Please keep end of the day messages for emergency changes only!

Thank you for your continued support!

VOLUNTEER

DO YOU WANT TO VOLUNTEER?

All volunteers must meet the following requirements in order to be eligible to volunteer:
Per the Governor's vaccine mandate, all school volunteers are required to show proof of vaccination.

Volunteers must complete their volunteer packet, including criminal background check (every 2 years). Volunteer applications are available online - click [HERE](#).

There is an email set up for volunteers to send in their application (volunteer@msd25.org). Since vaccination status will need to be included with the paperwork, it will go directly to the COVID department for processing.

Volunteers will be allowed to work in classrooms at the discretion of the teacher and must follow all DOH Health and Safety Guidelines for schools. Additionally, there may be limits on the number of daily volunteers allowed in a classroom based on physical distancing requirements.

We hope that this is just one of many steps toward a broader sense of normalcy in our schools. It will be great to have parents and families back in our

Family Access in Skyward (<http://family.marysville.wa-k12.net>)

Family Access is a great way for parents and guardians to access your child's grades, view attendance, discipline, meal account activity, and update your personal information such as phone numbers or emergency contacts. In some cases, the district will post forms in Family Access that require viewing and/or a signature. Family Access is part of our student data system. Each account is private and viewable only to those who have approved credentials and a login and password. For the protection of our students, this cannot be done over the phone

- **Setting up a Family Access Account:** In order to set up an account for Family Access, you will need to have an email in your child(ren)s records in the data system. This is typically added when you enrolled your child(ren) in school but can become outdated over time. Follow these steps to get connected:
- If you have not provided an email, please contact your child(ren)s school office and provide them with parent/guardian email addresses.
- If you have an email but do not have your login information or you need to create an account, go to <https://www.msd25.org/o/district/page/skyward-family-access--38> and choose Family/Student login under the resource column.
- Click on the "forgot username or password" link and follow the steps.
- You can also connect to the Family Access App once you have an established account. Search "Family Access" on your smart phone App store.

PAY ONLINE

Marysville School District's Point of Sale system has made it easy for families to pay for lunches, field trips, fines etc. without a transaction fee. This system is called Touch-Base and utilizes the same login as assigned to you for Skyward Family Access.

The login page may be found at: <http://payments.msd25.org/>
If you need help with your login, please feel free to contact our office.

Please do not bring your dog to school when picking up your students. Only certified service animals are permitted on District properties.

Health Room News and Information

Marysville School District
Health Services

Marysville, WA 98271

Dear Parents and Guardians:

District Vision Screening

Phone 360-965-2059 / Private Nurse Fax 360-965-2046

In accordance with the Washington State law, WAC 246-760, students in K,1,2,3,5 and 7 th grades will be screened for “Near and Distance” vision. Near vision acuity, means the ability of the eye to see objects with clarity at close range, also termed near point acuity or near acuity. Previously we had only screened for distance vision. “Distance vision” means the ability of the eye to see images clearly at a calibrated distance.

The Marysville School District nurses will be using two screening tools 1) LEA symbol or HOTV letter charts and 2) Welch Allyn Spot Vision Screener – a handheld photo screener.

The Spot Screener has been available since 2012 and widely used. School Nurses of Washington did extensive research of the various screeners, ultimately selecting the Spot or Plusoptix screener for use in their individual districts.

This photo screener will allow for more accurate and complete screening including the following results:

- Hyperopia (farsightedness)
- Myopia (nearsightedness)
- Astigmatism (blurred vision)
- Anisometropia (unequal refractive power)
- Anisocoria (unequal pupil size)
- OD (right eye) OS (left eye)

This is only a screening. You will receive a notice for referral to a vision specialist if the screening results are out of normal range. Screening will take place the end of October— the first of November.

If you have questions or concerns, please contact your building nurse.

Thank you,

Marysville School District Nurses

REMINDER for staff and families: If you or your child is experiencing COVID-19 symptoms or generally not feeling well, stay home,
