From the Principal:

Hello Pinewood Families,

As the school year comes to a close, we would like to take this opportunity to thank you for your continued support and involvement in your child's education. We hope this newsletter finds you well and enjoying the start of summer! We have some important updates and events to share with you:

Pinewood Carnival: Our annual Pinewood Carnival is just around the corner! This fun-filled event for the whole family will be held on June 9th at 5:00 pm. There will be games, prizes, and food. We encourage all families to attend and join in the fun!

End of Year Celebrations: We have several celebrations planned for our students as the school year comes to a close. Please check with your child's teacher for more information on end of year parties and events. These celebrations are a great way to celebrate your child's hard work and achievements throughout the school year.

Summer Reading: We strongly encourage all students to continue reading over the summer break. Reading is an essential part of a child's education, and we want to ensure that all students have access to the resources they need to succeed. While the school library will be closed due to budget constraints, we recommend that you and your child visit the Marysville library. The library has a wide variety of books and resources available for children of all ages.

Report Cards: Report cards will be sent home with students on the last day of school. Please take time to review your child's progress and celebrate their accomplishments. We are proud of all our students and their hard work throughout the school year.

As always, we value your feedback and encourage you to reach out to us with any questions or concerns. We wish you and your family a safe and enjoyable summer break!

Respectfully,

Erika Velasco

Principal

Mensaje de directora:

Hola familias de Pinewood,

A medida que el año escolar llega a su fin, nos gustaría aprovechar esta oportunidad para agradecerles por su continuo apoyo y participación en la educación de sus hijos. ¡Esperamos que este boletín te encuentre bien y disfrutando del comienzo del verano! Tenemos algunas actualizaciones y eventos importantes para compartir con usted:

Carnaval de Pinewood: ¡Nuestro Carnaval anual de Pinewood está a la vuelta de la esquina! Este evento lleno de diversión para toda la familia se llevará a cabo el 9 de junio a las 5:00 pm. Habrá juegos, premios y comida. ¡Animamos a todas las familias a asistir y unirse a la diversión!

Celebraciones de Fin de Año: Tenemos varias celebraciones planeadas para nuestros estudiantes a medida que el año escolar llega a su fin. Consulte con el maestro de su hijo para obtener más información sobre fiestas y eventos de fin de año. Estas celebraciones son una excelente manera de celebrar el arduo trabajo y los logros de su hijo durante el año escolar.

Lectura de verano: Recomendamos encarecidamente a todos los estudiantes que continúen leyendo durante las vacaciones de verano. La lectura es una parte esencial de la educación de un niño, y queremos asegurar que todos los estudiantes tengan acceso a los recursos que necesitan para tener éxito. Si bien la biblioteca de la escuela estará cerrada debido a restricciones presupuestarias, le recomendamos que usted y su hijo visiten la biblioteca de Marysville. La biblioteca tiene una gran variedad de libros y recursos disponibles para niños de todas las edades.

Boletas de calificaciones: Las boletas de calificaciones se enviarán a casa con los estudiantes el último día de clases. Tómese el tiempo para revisar el progreso de su hijo y celebrar sus logros. Estamos orgullosos de todos nuestros estudiantes y su arduo trabajo durante todo el año escolar.

Como siempre, valoramos sus comentarios y lo alentamos a que se comunique con nosotros con cualquier preguntas o inquietudes. ¡Le deseamos a usted y a su familia unas vacaciones de verano seguras y agradables!

Respetuosamente,

Erika Velasco

Family Access in Skyward(<http://family.marysville.wa-k12.net>)

Family Access is a great way for parents and guardians to access your child's grades, view attendance, discipline, meal account activity, and update your personal information such as phone numbers or emergency contacts. In some cases, the district will post forms in Family Access that require viewing and/or a signature. Family Access is part of our student data system. Each account is private and viewable only to those who have approved credentials and a login and password. For the protection of our students, this cannot be done over the phone

Setting up a Family Access Account:In order to set up an account for Family Access, you will need to have an email in your child(rens) records in the data system. This is typically added when you enrolled your child(ren) in school but can become outdated over time. Follow these steps to get connected:

If you have not provided an email, please contact your child(rens) school office and provide them with parent/guardian email addresses.

If you have an email but do not have your login information or you need to create an account, go to <https://www.msd25.org/o/district/page/skyward-family-access--38> choose Family/Student login under the resource column.

Click on the "forgot username or password" link and follow the steps.

You can also connect to the Family Access App once you have an established account. Search "Family Access" on your smart phone App store.

DO YOU WANT TO VOLUNTEER?

All volunteers must meet the following requirements in order to be eligible to volunteer:

Per the Governor's vaccine mandate, all school volunteers are required to show proof of vaccination.

Volunteers must complete their volunteer packet, including criminal background check (every 2 years).

Volunteer applications are available online - click [HERE](#).

There is an email set up for volunteers to send in their application (volunteer@msd25.org). Since vaccination status will need to be included with the paperwork, it will go directly to the COVID department for processing.

Volunteers will be allowed to work in classrooms at the discretion of the teacher and must follow all DOH Health and Safety Guidelines for schools. Additionally, there may be limits on the number of daily volunteers allowed in a classroom based on physical distancing requirements.

We hope that this is just one of many steps toward a broader sense of normalcy in our schools. It will be great to have parents and families back in our buildings!

Student Conduct

The Marysville School District acknowledges that conduct and behavior is closely associated to learning. An effective instructional program requires a wholesome and orderly school environment. The district requires that each student adhere to the rules of conduct and submit to corrective action taken as a result of conduct violations. The rules of conduct are applicable during the school day as well as during any school activity conducted on or off campus. Special rules are also applicable while riding on a school bus.

A copy of Policy 3240 "Student Conduct Expectations and Reasonable Sanctions" is available online at www.ms25.org or at the District Office: 4220 80th Street NE, Marysville, WA, 360-965-0000.

Report It!

Weapon-Free, Drug-Free, and Tobacco-Free

The Marysville School District is a Weapon-Free, Drug-Free, and Tobacco-Free environment. You can find the standards

and procedures set forth in Policy 4210 - "Regulation of Dangerous Weapons on School Premises" on the District's web-site at www.msds25.org. The document describes the regulation for which corrective action or punishment

(i.e., discipline, suspension, and expulsion) may be imposed. Paper copies may be requested in the office of your child's school or at the receptionist's desk in the School District's Service Center, 4220 80th Street NE.

ABSENCES and TARDIES

Please call the ATTENDANCE LINE at 360.965.1301

If your student will be absent or late arriving to school for any reason, please call the attendance line. If not answered this line goes directly to voice mail, which makes it available 24 hours per day, 7 days per week. When you know in advance that your child has a medical or dental appointment that will keep them out of school or arrive to school late, leave a message at this line. We are able to take the information in advance. If you do not leave a message and your child is not at school, an automated call will go out to attempt contacting you to ensure that your child is safe. Your child will be marked unexcused if contact is not made..

Please help us by calling in by 9:00 am. When your child is absent, please call or send a note with your child to excuse the absence within 3 days. Pre-arranged absences for family reasons need prior approval by the principal, provided that the absence will not adversely affect your child's progress in school. Absence approval forms are available in the school office. If your child arrives at 9:25 or later, please check in at the office for a tardy slip to minimize disturbance in the classroom.

How Does Your Child Go Home?

There may be days when your child is uncertain of the manner by which they are expected to leave school. days a child may be picked up by a parent or other adult and other days they may ride the bus or walk. This may cause some confusion especially as we see the change of weather . Please help your child know in advance what is expected of them at the end of the school day. It may be a good idea to create a plan with your child, reinforcing each morning how they are to get home. Of course, emergencies do happen. When the plan changes during the day, the office is happy to send a parent message to the student by 3:00 PM. Our goal is to ensure that your child returns home safely and as quickly as possible.

Student Messages

We are receiving many messages for students concerning end of the day plans. In order to avoid interruption of instructional time, we ask that plans for after school be discussed before school each day. Please keep end

of the day messages for emergency changes only!

MSD Online Donation Site

The new online system makes it more convenient for those who wish to donate to their school, program, or District.

Donations that come in are typically earmarked for a specific purpose. Schools may receive donations to help cover the cost of a field trip for a child, a special project, or to meet the needs of a classroom.

The District often receives anonymous donations for children needing assistance with clothing, shoes, school supplies, fees, or other special purposes.

CONGRATULATIONS

CLASS OF

2030

WE WILL MISS YOU!

Good Luck At Middle School!

A message from our Assistant Principal:

Hello and Happy Summer Pinewood Families, Students, and Community.

I hope this email finds you all doing well and enjoying your summer. I wanted to take a moment to express my gratitude for the opportunity to work with the incredible students and educators at Pinewood this past year. I have had the pleasure of getting to know so many amazing students and their families, and it has truly been a joy.

Unfortunately, I must share with you that due to budgetary shortfalls in the Marysville School District, I will be part of the district's reduction in force. While I am saddened by this news and will miss the Pinewood community deeply, I am grateful for the time I have spent here and the memories that I will always cherish.

As educators, we often move from school to school and district to district, but the impact that we have on those we come into contact with never fades. I am confident that the Pinewood community will continue to thrive and make a positive difference in the lives of its students.

Thank you again for sharing your children with us this year. It has been an honor and a privilege to serve as your Assistant Principal, and I wish you all the best in the future.

Warmest regards,
Cassandra Jackson
