January 18, 2023

Shoultes families,

It's a new year and here at Shoultes we have been taking some time to review our safety plans for the building and what we do to keep all of our students safe while at school. However, we know that we have several students that walk to and from school each day and even the best communities have potentially unsafe situations. I strongly encourage any parent who has any safety concerns about their students walking to or from school to contact local law enforcement using the non-emergency number 425-407-3999.

I have attached to this message some safety guidelines that are worth reviewing with any student who walks to or from school. [Safety tips.pdf](#)

I take the safety and security of every student at Shoultes very seriously. If you ever have any concerns or questions, please don't hesitate to reach out.
