

PRINCIPAL MESSAGE

THE BULLDOG WATCH

SEPTEMBER 2022

Hello Tenth Street Families,
My name is Au'yana Lee. I am the new principal for 10th Street Middle School. I had the pleasure to meet many of you at the Welcome Back event on August 31st. I hope to meet many more of our families throughout the school year.

UPCOMING EVENTS

September 27th -
6th Grade Field Trip

October 4th -
Picture Day!

We have an amazing team of educators at 10th Street and I look forward to partnering with them to provide our students with an optimal educational experience in a safe, supportive, challenging, and accepting learning community. Together, everyone achieves more!

I am excited to bring back field trips to the school. Please be sure to fill out a volunteer packet if you are interested in chaperoning any of the trips.

We will work with our amazing Parent Booster group and with district resources to ensure money is never a reason a student cannot take advantage of our programs.

Welcome From your Booster Club!

Welcome to the 2022-23 School Year and... welcome to the Booster Club!

Did you know that YOU are a Tenth Street Booster Club Member? That's right – any family of students who attend Tenth Street are automatically Booster Club Members – no forms or fees necessary. We hope you feel encouraged to get involved in one (or some) of the many ways to help support our kids and the incredible educational experiences offered through Tenth Street. Here are a few answers to some frequently asked questions about Boosters.

What is the Tenth Street Middle School Booster Club?

The Booster Club is pretty awesome! Each year, Tenth Street Boosters raise funds to support field trips, specialized educational resources and events which support our school and our students. Tenth Street plans for about 1 field trip per month (pre-Covid). This is a resource that is unique to our school and part of what makes Tenth Street so special.

What is the commitment?

We have volunteer opportunities of all commitment levels. REALLY – no pressure! Anything from helping chaperon a school dance to organizing our School Auction to sending in snacks for a school event. Any involvement is very much appreciated.

When are the meetings and am I required to attend?

Boosters meet at school on the third Thursday of each month at 5:30pm from October through May (excluding December). We plan upcoming events, get budget

reports, and discuss future plans at our meetings. You are welcome to attend any of the Booster meetings, however we especially encourage attend the first Booster Club meeting of the year on October 20th and on January 19th, March 16th and May 18th. There is no requirement to attend – but you are always welcome.

How do I hear about Booster activities?

Join the Tenth Street Boosters Facebook Page <https://www.facebook.com/groups/1680430498942984>

Look for emails from Karen Davis with “Boosters Information” in the subject line.

Email our booster club email to get on our “Communications” list. This is an email list we use when we are looking for volunteers for specific events or if we just need extra help with something.

Jostens will be on site to do our pictures this year. They will be contacting families directly with a link to order pictures online. Best part: You can wait until you see the pictures to place your order!! No more picture envelopes to worry about!!

More details coming out soon, but mark your calendar!

Attendance

How do I report an absence?

Call the office: 360-965-0402

Email the office: karen_davis@msvl.k12.wa.us

Every absence needs to be reported. Please provide your student's name and reason for the absence.

Attendance calls go out at 5 p.m. nightly

Excused Absences:

Illness

Appointments

Religious observations

Related to education

Bereavement

Family Emergencies

**Even if the absence is not excused,
please call to report it so we can
enter it as a
parent-verified absence**

Calculators

We are missing several calculators from our Math class. Please check around to see if there are any laying around the house. We sure could use them back in class!!

Thank you!

**ATTENDANCE
MATTERS**
every school day counts.

Middle School Sports in partnership w/ our Community

We have some exciting news! Middle School sports are back thanks to community partners coming together to provide extracurricular sports programs for students in grades 6 - 8!

Due to recent budget cuts, middle schools in our district no longer had funding to participate in WIAA sports programs. As a result, middle school students can now participate in on-campus extracurricular sports programs. These opportunities are made possible through non-profit and government entities coming together to provide alternative sports programs through the Marysville and Tulalip Boys & Girls Clubs and the Marysville YMCA. A grant has provided the seed funding for these programs through Snohomish County Government.

Parents and community members are encouraged to consider volunteer coaching or assisting to help make these programs successful.

As of now, there are four sports offerings; two in the fall coordinated by the Boys and Girls Clubs: flag football and volleyball, and two in the spring coordinated by the YMCA: basketball and soccer.

To sign up for the fall offerings or to learn more about volunteering to support the success of these programs, go to

<https://bgcsc.org/clubs/marysville-club/marysville-club-sports/> or visit the club at 1010 Beach Avenue, Marysville, WA 98270. The fee for each sport is \$125.00. Scholarships are available.

The Marysville School District is so appreciative of the Boys and Girls Club, the YMCA, and Snohomish County for making these sports programs possible for our middle school students.

Invitation to Parents and Guardians from School Principal

Dear 10th Street Families,

I am writing to you today to share information about a Parent Advisory Team (PAT).

A Parent Advisory Team at our school is intended to advise the principal, school leaders, and staff on ways our school can provide a welcoming environment to all families. In addition, we want to work with the Parent Advisory Team to help us develop strong school-family-community partnerships, and promote the active participation and engagement of parents, and family and community members in the achievement and well-being of students.

The Parent Advisory Team will:

- Be made up of parents or guardians who represent the diversity of our students and school community;
- Include 5 - 7 parent/guardian members;
- Be done through an application process.

We are excited to offer this opportunity to our parents and guardians and hope that you will consider applying to serve on the Parent Advisory Team. Please know that all applications will be considered but not every person may be selected to serve as we want to keep the team to 5 - 7 members.

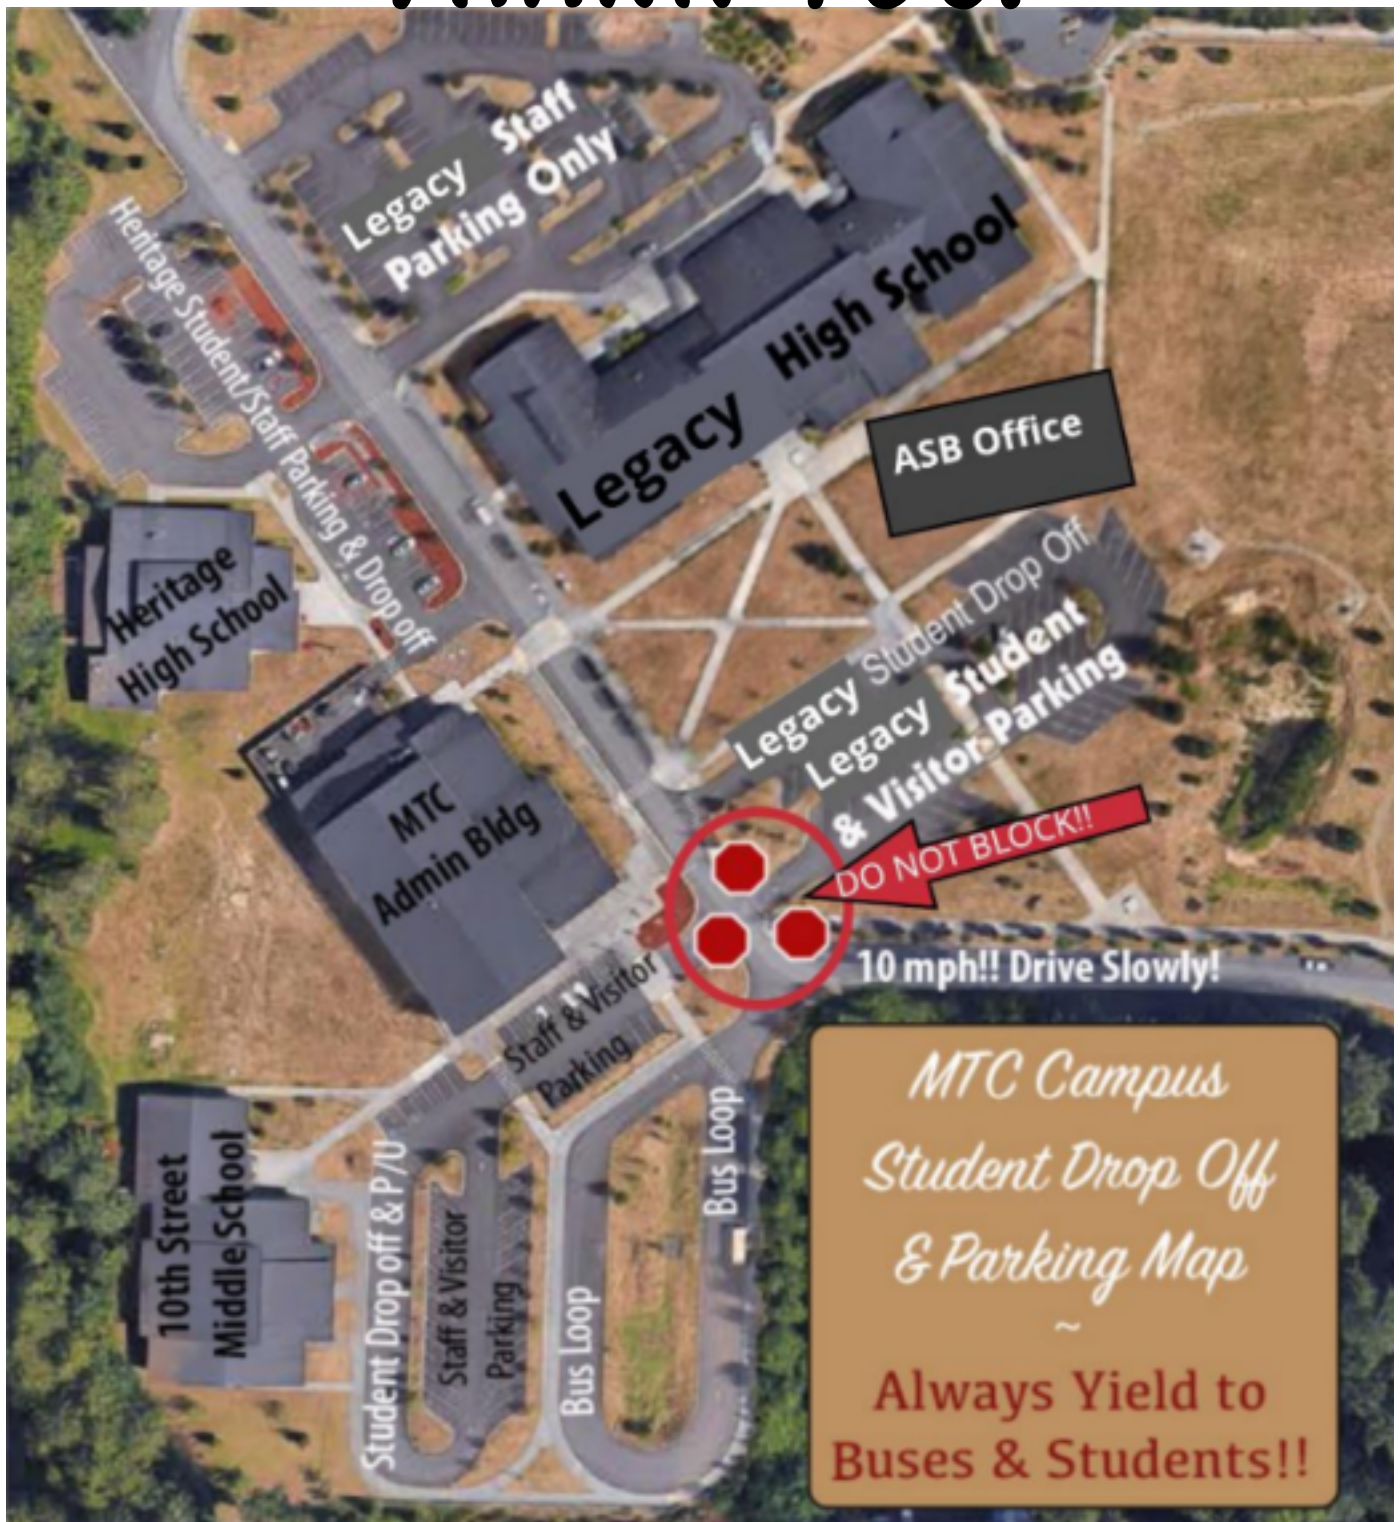

Click [HERE](#) to apply for the Parent Advisory Team for our school. Please complete the application no later than September 19, 2022.

Thank you for considering serving on the [Insert School Name] Parent Advisory Team!

Sincerely,

Auyana Lee
Principal of 10th Street Middle School

Please do not block **THANK YOU!**

Please visit the District CoVid page

<https://www.msd25.org/page/covid-19-health-and-safety>

What to do if a Person is Symptomatic

This flowchart is for K-12 schools, child care, and connected extracurricular activities.

If a person has one or more of these symptoms:

- ☐ Fever ($\geq 100.4^{\circ}\text{F}$) or chills
- ☐ Shortness of breath or difficulty breathing
- ☐ Muscle or body aches
- ☐ New loss of taste or smell
- ☐ Cough (new, changed, or worsening)
- ☐ Nausea, vomiting, or diarrhea
- ☐ Fatigue
- ☐ Sore throat
- ☐ Congestion or runny nose*

Isolate at home and test for Covid-19

If the symptoms are not consistent with a diagnosed chronic illness

OR they do not receive an alternative named diagnosis from a health care provider
OR they do not get tested

They test **POSITIVE** for COVID-19

They test **NEGATIVE** for COVID-19

Isolate at home

They can return to school, child care, and activities after five days have passed since symptoms first appeared if:

1. No fever within the past 24 hours (without medication) **AND**
2. Symptoms have significantly improved

Additionally, individuals should wear a mask when around others days 6–10.**

Return to school, child care, and activities if:

1. No fever within the past 24 hours (without medication) **AND**
 2. Symptoms have significantly improved
- If symptoms persist, retest every 24–48 hours through at least five days after symptoms started.

Child care providers should review their WAC and licensing requirements and follow any additional measures that are required.

DOH 820-229 August 16, 2022 To request this document in another format, call 1-800-525-0127. Deaf or hard of hearing customers, please call 711 (Washington Relay) or email civil.rights@doh.wa.gov.

* If the child is under the age of two and **ONLY** has congestion/runny nose with no other symptoms, testing and isolation is not required. If the child's symptoms worsen or persist longer than five days, follow the flowchart for children over two and it is highly recommended to contact a healthcare provider.

** If you cannot wear a well-fitting mask: You should complete a full 10-day isolation at home. See the [K-12/child care guidance](#) for additional information.

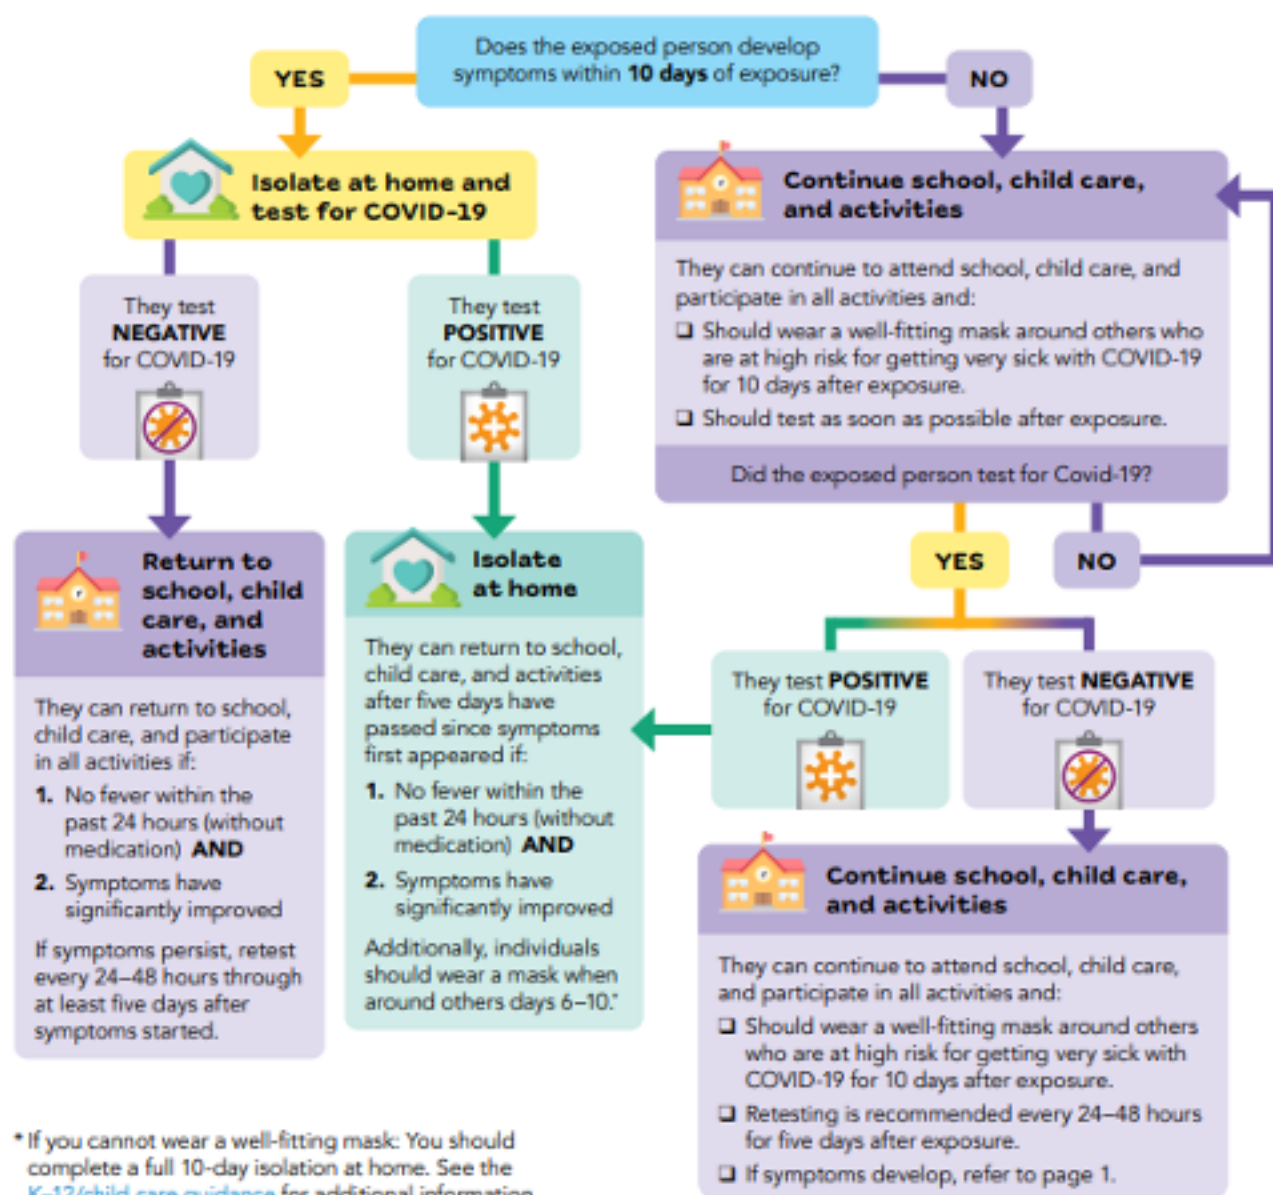

What to do if you receive an exposure notification or think you have been exposed to COVID-19

This flowchart is for K-12 schools, child care, and connected extracurricular activities.

Regardless of vaccination status, use the following guidelines:

- ☐ Continue to attend school, child care, and activities.
- ☐ Monitor for symptoms for 10 days after exposure.
- ☐ Should test as soon as possible after exposure.
- ☐ Should wear a well-fitting mask for 10 days after exposure.

* If you cannot wear a well-fitting mask: You should complete a full 10-day isolation at home. See the [K-12/child care guidance](#) for additional information.
