Athletic Boosters Craft Show 9 AM – 2 PM

It's Red Ribbon Week! Sign your name in glitter in the student lounge and pledge to be drug free.

**Today is mix it up day! Students consistently identify the cafeteria as a place in their school where divisions are clearly—and harshly—drawn. So we ask students to move out of their comfort zones and connect with someone new over lunch. It's a simple act with profound implications that we encourage educators to include in year-round efforts to promote healthy, welcoming school environments. Studies have shown that interactions across group lines can help reduce prejudice. When students interact with those who are different from them, biases and misperceptions can fall away.*
