- WHERE:** Meetings are held in the High School library.
- WHEN:** Meetings are currently held the first Wednesday night of each month at 7:00 p.m.

## WE NEED YOUR HELP!!

The Greenwood Athletic Booster Club has been helping fund Greenwood Athletics since 1986. The Club has raised funds and contributed **over \$48,000 in the past ten years alone**. Funds are used for uniforms, equipment, supplies such as towels, field repairs/improvements, motivational speakers, scholarships/awards, as well as larger items such as the hydration station, basketball shooting machine, and volleyball hitting machine, pitching machines, track tent and ice machine.

Although the Club appreciates its members and is surviving on the current fundraisers and dues, each year it loses **active** members and board members with no one willing to step in and fill the positions. The current academic year 2019-2020 will be a critical year for the Greenwood Athletic Booster Club. The Club cannot continue with only a few active members. We are asking that this year do not just fill out the form below and turn in your \$10, but to attend some of the meetings and donate your time at the fundraisers. Without active members, we will not be able to continue.

It is our hope to grow the club, add more activities and be able to continue supporting not only high school but elementary and middle school athletics as well. That is why this year's membership letter is asking for your membership **and** commitment to the club. Membership is not limited to parents of high school athletes...we would love to have elementary and middle school parents, grandparents and extended family, businesses and community members.

As you can see, the Greenwood Athletic Booster Club has been a very important part of the Greenwood Athletics Programs. Please help us continue the tradition with your membership!!

Thank you for your continued support!
