

Nutritional Information - Limitations and Terms

Columbus Public Schools and its foodservice contractor Lunchtime Solutions, Inc. (the contractor) are able to provide nutritional information to students, parents, faculty or staff of or school districts upon request. This information is limited, and is intended as a general guide to help individuals make choices for products and recipes that they choose from the menu. You may wish to utilize the services of a registered dietitian or healthcare provider if you are screening menus, recipes or individual products for a particular nutrient value, or for a food allergen. By requesting and receiving this information you agree that:

The contractor's nutritional analysis is based on the information provided by their suppliers; food manufacturers and distributors. The information provided by these manufacturers and distributors is reviewed regularly by the contractor and is believed to be as current and as accurate as possible.

The contractor's foodservice suppliers, both food manufacturers and or food service distributors, may change finished products or product ingredients without notice to their customers and foodservice operators. Those ingredient or product changes may significantly alter the nutritional values of recipes that we may serve. Variance in shop and kitchen conditions, as well as the use of substituted ingredients may affect the nutritional profile of the finished recipes.

Ingredients and foodservice finished product manufacturers routinely label products for allergens that are present. The information provided to you by the contractor is believed to be accurate based upon the supplier information at the time of the informational request. Because food suppliers to the contractor may change ingredients without notice, screening of products and or recipes for specific allergens including, but not limited to, peanuts, eggs, fish, shellfish, tree nuts such as walnuts and pecans, milk, wheat and soybeans, and their byproducts, may not be accurate.

Because of those variances outside of the control of District or its contractor, Lunchtime Solutions, Inc., neither the Columbus Public Schools nor its contractor can guarantee nor shall be liable for the accuracy of nutritional information or allergen screening information that is provided.

The District does not warrant that the food served will be free of these allergens, as food suppliers of our contractor may change ingredients without notice. By signing this acknowledgement, you agree that you have read this agreement and that the information provided hereunder does not constitute a warranty that the nutritional information is completely accurate or that food served will be free of allergens.

I agree to the above limitations of the information provided to me by the Columbus Public School District.
