

Hello All!!

My name is Tammi Myers and I am beginning my 28th year of teaching with 22 of those at Beaverhead County High School. I began my teaching career at Fort Benton High School moved to Lincoln County High School in Eureka MT and ultimately landed my dream job here at BCHS. This year I will be teaching Health Enhancement I, Physical Fitness, Fitness for Life for Women and Co-Ed. I am also the Head Track & Field coach for both young men and women. Outside of school I enjoy spending all my spare time with my

husband Rex Whitworth, whom also teaches and coaches at BCHS. Visiting our daughter Shandi in Billings. We love experiencing all the outdoor activities that Beaverhead County offers with our two Jack Russell's. My yard and flowers are my summer therapy as well as my interior decorating hobby and floating the Beaverhead. Last but not least supporting the Western Bulldogs, MSU Bobcats and of course the Dillon Beavers is a passion of mine! So happy and proud to be a part of BCHS and the Dillon community!
