Students we've noticed a bit of an increase in damage, vandalism, messy hallways, classrooms and restrooms. Please do a better job of picking up after yourself and take care of our school property. Do not scratch desks and other furniture. Do not write on furniture, walls or other parts of our school. If you are caught vandalizing or damaging school property you will be held responsible and potentially have to pay for repairs and/or receive consequences at school. Let's take care of our school!

Remember to begin turning in money today to your 6th period teacher if you are 7/8th grader and 8th period teacher if you are 6th grade student in order to participate in the upcoming dodgeball tournament to raise money for Riley Hospital. Your class needs to collect \$25 in order to participate. Once the dodgeball tournament begins, the winning classes from each 6th grade floor and each 7/8th grade lunch will play each other during our pep session held right before Thanksgiving breaks. The winners will then get to play against staff who remain undefeated! Each class that collects the most money from 6th and 8th periods respectively will earn an automatic bye into the

finals. So bring in those dollars and change next week to help your class enter the dodgeball tournament and support a worthy cause.
