Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2021-22 educational progress for Hemlock Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Joshua Chase for assistance.

The AER is available for you to review electronically by visiting the following website [Hemlock Middle School Data](#) or you may review a copy in the main office at your child's school.

For the 2021-22 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2021-22. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school **has not** been given one of these labels.

State law requires that we also report additional information.

At Hemlock Middle School our greatest challenge that we face is student achievement as it pertains to our economically disadvantaged students. Across all areas and grade levels, our economically disadvantaged students scored lower. To address this need, we have instituted paper.co (on online 24/7 tutoring service) and have worked to develop our MTSS program.

It is implemented per Course Scope and Sequence documents that are also available on the district website for all core courses in our building. There are no known variances from the state model.

Hemlock Middle School continues to strive for excellence. Our school is safe, welcoming, and has a staff that cares for every student. We have an excellent certified staff as well as support staff. We have a collaborative approach that helps to address the needs of all of our students. We have a fantastic school board and second-to-none leadership in our superintendent role as well as a very supportive community. Our 1:1 Chromebook program gives our students a huge advantage to their neighboring peers.

Sincerely,

Joshua Chase, Principal
