PLEASE LABEL YOUR ITEMS

PHYSICAL EDUCATION

- **Gym Shoes** – Athletic shoes – Laced and tied correctly; please make sure your child knows how to properly tie a bow. Shoes do not need to be new but must be clean so that floor surfaces do not become dirty and slippery. Skateboard shoes do not provide much support so will not be allowed unless tied tightly with the bow on top of the tongue.
- **Clothing** – Students are not required to dress out for class however, school attire should be kept in mind when dressing for school on P.E. days. Some type of pants or shorts and t-shirt is required.
- **Belt** – A belt is needed if pants are so big that the student needs to continually pull them up.
- **Hair** – If hair is in the eyes, they will need to have something(hair ties, headbands, bobby pins, or bandanas) to keep it back and out of their eyes; this is for **both** boys and girls.
