**Notice of Schoolwide Title I Program Eligibility  
Nenana City Public School**

Dear Parent/Guardian:

Our school qualifies to receive federal funds under the Elementary and Secondary Education Act, *Title I, Part A*.

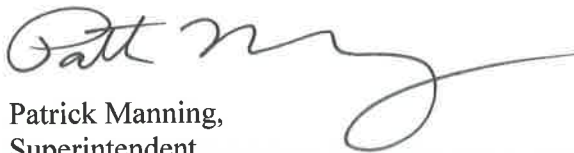

Our school is eligible for the following:

**Schoolwide Title I Program:** Schools may consolidate and use funds under Title I, together with other federal, state, and local funds, in order to upgrade the entire educational program in schools in which not less than 40% of the children enrolled are from low-income families.

We look forward to your involvement in school activities and your child's education. You will receive notices and information throughout the school year to keep you informed about the progress of your child and the status of the school in making progress toward helping all children meet high academic standards. We also look forward to your attendance at conferences, school meetings, individual meetings, school board meetings, our Annual "Exhibitions of Learning," and many similar events when we will discuss and give you the opportunity to provide input into the development, revision, and implementation of our Schoolwide Program Plan.

You are an important partner in our effort to provide the best education possible for your child and every child. Please contact the school if you have questions, need additional information, or if you would like to provide us with any feedback or suggestions regarding the educational program at Nenana City Public School.

Sincerely,

Patrick Manning,  
Superintendent
