### Concert Etiquette

**The RCS students have worked very hard to perform for you this evening. Please show your respect for our students by following appropriate concert etiquette.**

- Clapping is the appropriate way to show appreciation for the performance rather than whistling or cheering.
- Parents should keep small children seated with them. If children become restless or fussy, please move them to the outer hallway.
- It is impolite to talk, whisper or move around the auditorium while the music is being performed.
- Make certain that all cell phones are turned off prior to the start of any concert.

### Special Thanks!

The RCS Music Department would like to thank our Board of Education, Superintendent, Principal, Assistant Principal, Facilities Director, custodial staff, teachers, the video, light and sound crew, and most of all, our friends and family here at RCS. *Thank you for your support and dedication to our students, our school and our future.*
