Effective August 4, 2022

St. Mary's City School District is pleased to announce our participation in the National School Lunch Program. Meals will be available to all children at our school and all school meals will meet the nutritional standards set by the U.S. Department of Agriculture. Our school will participate in the National School Lunch Program and the School Breakfast Program.

We are pleased to inform you that the St. Mary's City School District has been approved to implement the Community Eligibility Provision (CEP) once again for the school year 2022-2023. This program will allow students who are enrolled in the St. Mary's City School District to receive a healthy breakfast and lunch at **no charge** each day of the 2022-2023 school year.

We are very happy that our application for the CEP program was approved once again and know that it will benefit our community. If you have any questions about the new program, please feel free to contact Dee Dee Ivanoff at 907-438-2411. We look forward to serving all students free meals for the 2022-2023 school year.
