

The cold/winter weather is quickly approaching. Please contact Miss Phelps if your child/children are in need of some winter items, such as hats, gloves, snowpants, boots, coats, etc.

#### Christmas info -

Every year we try our very hardest to help as many families as we can to have a great Christmas, but we could use your help. If you would like to adopt a family or know of any businesses interested in adopting a family, please contact Miss Phelps or Mrs. Vrable.

We are happy to report... The Bay County Department of Health and Human Services Pathways to Potential program (P2P) received a \$1,940 grant from the Bay County Healthy Youth fund at the Bay Area Community Foundation (BACF) for truancy barrier reductions and child incentives, and was also awarded a \$2,060 grant from the Youth Advisory Endowment Fund at BACF for truancy barrier reductions. Both of the grants will be divided between four P2P schools.
