

Communicate safely with
students & parents.

Parents,

Many of our coaches and sponsors use the Remind School Communication App and Text Service. We have included all our current school codes and instructions.

How do I join a class?

You can join a class to receive Remind messages via text, email, or push notification (or any combination of these).

To get text notifications:

Join by text:

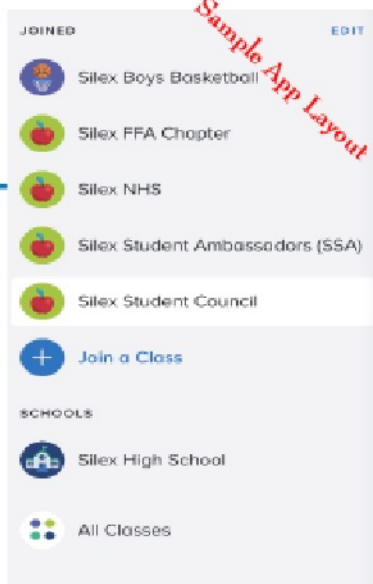

Participants text a unique class code to 81010. For example, if you wanted to join a class with the class code @math, you would text @math to 81010.

Join online:

Visit remind.com/join and enter the class or school code along with your mobile phone number. You'll get text notifications at the number you entered.

Get mobile app notifications.

Download the mobile app for iOS and Android devices and create a new account (or log in if you already have one.) To join a class, tap the + by Classes Joined and either join with your class code or search for your class. You'll automatically get app notifications.
