

WHAT IS A SCHOOL-PARENT COMPACT?

A written commitment indicating how all members of a school community – *parents, teachers, principals, students, and concerned community members* – agree to share responsibility for improved student achievement.

Jointly Developed

The parents, students and staff shared ideas to develop this compact. Teachers designed practical strategies specific to their grade level for parents to use at home. Parents provided feedback on their needs to help their students. Students added their own ideas to the compact. Meetings are held once a year to review and revise the compact based on the school's academic achievement goals and student's needs.

Parents are welcome to offer suggestions or comments at any time throughout the year. If you would like to volunteer and/or observe the classroom, please contact CCMS at (229)276-3460.

District Goals

The Crisp County Board of Education believes that our vision is best realized, our mission is best accomplished, and our values are best honored when we establish long range goals that offer direction to the school system.

The mission of the Crisp County School System (CCSS) is to graduate competitive college and career ready students. CCSS vision is to provide a high-quality education to develop future leaders.

BUILDING PARTNERSHIPS FOR STUDENT SUCCESS

CCMS is committed to two-way communication with families about your child's learning. Some of the ways that you can expect us to reach you are:

- Agenda
- Phone Calls
- Emails
- Parent/Teacher Conferences
- Communication apps as specified by teacher

We also encourage you, as a parent or caregiver, to reach out to our staff if you need to discuss your child.

To make an appointment with your child's teacher(s), please call Kelley Chadwick, Parent Coordinator, at 229-276-3460.

Partnership Opportunities

- Open House
- Online/virtual activities to build parent capacity
- Parent/Teacher Conferences to discuss your child's progress and the school-parent compact

Students advancing through the grades are expected to meet each year's grade-specific standards, retain or further develop skills and understandings mastered in preceding grades, and work steadily toward meeting the more general expectations described by the standards. Teachers are free to provide students with whatever tools and knowledge their professional judgment and experience identify as most helpful for meeting the goals set out in the standards.

8th Grade

School-Parent Compact for Achievement

2022-2023

Mrs. LaChelle Walker,
Principal

Mrs. Jenna Rhodes,
6th Grade A.P.

Mrs. Demetria Clark,
7th Grade A.P.

Mr. Kevin Blampied,
8th Grade A.P.

Revised on May 24, 2022

Academic Achievement Goals

School Goals

- ❖ **English-Language Arts:**
 - 70 percent of students will score at developing or higher on the Georgia Milestones in April of 2023.
- ❖ **Mathematics:**
 - 70 percent of students will score at developing or higher on the Georgia Milestones in April of 2023.

In the 8th grade classroom, we will...

- Provide materials and instruction that align with the curriculum of Georgia Standards of Excellence.
- Provide information for study guides and/or notes, along with educational websites, to our students so that they can be used as a tool to support study skills in the classroom and at home.
- Utilize Google Classroom, Gmail, Meet and any other online program to ensure regular communication with my students.
- Record students' grades regularly into Infinite Campus to keep their averages current.

As parents of 8th graders, we will...

- Read, on a nightly basis, the literacy materials provided to our child to improve fluency and comprehension
- Review my child's study guides and/or notes with them, on a nightly basis, to support study skills.
- Encourage my child to regularly check Google Classroom, Gmail, Meet and any other online program
- Use Infinite Campus as a tool to keep us informed of current grades and assignments.

As 8th grade students, we will...

- Practice my fluency and comprehension skills each night by reading my provided literacy materials with a family member.
- Keep my study guide and/or notes current to support study skills and review it on a nightly basis
- regularly check Google Classroom, Gmail, Meet and any other online program
- Check Infinite Campus, on a regular basis, to ensure that my grades and assignments.
