DISTRICT BELIEFS

Foundational

- All students can learn and succeed at high levels.
- Learning starts at birth and is a lifelong process.
- Education is the shared responsibility of the individual, home, school and community.

Climate

- Every person has a right to a positive, safe and supportive learning environment.
- Every person must be valued and treated with dignity, respect and fairness.
- Learners build self-esteem through belonging, academic success and competence as a learner.

Instructional

- High expectations supported by engaging and effective instruction lead to high achievement.
- Schools must structure learning activities that lead to increased student self-control and responsibility.
- Technology must be an important learning tool for all students and staff.
- Education must be relevant for today and for the future.
- Learning environments must be varied and flexible.
- The school organization must continually change to meet the needs of a changing society.

Statement of Purpose

The Kimball Elementary community will establish and maintain a climate of high expectations for appropriate character and behavior that provide a foundation for academic success within a safe, kind, and positive learning environment.
