

# EMERGENCY CLOSURE OR DELAYED START

## Closures are rare

The possibility exists that weather or another emergency could close schools. The superintendent will make a decision by 6 a.m. An emergency closure means NO SCHOOL for students and teachers, and the day must be made up later in the school calendar.

## Delayed start

A delayed start allows roads to be cleared and conditions to improve. Start times for teachers and students are delayed by two hours, this includes bus schedules. End times stay the same. Morning sessions of preschool and kindergarten are cancelled. If a delayed start moves to an emergency closure, that decision will be announced by 9 a.m.

## Notification

Parents or guardians will be notified of an emergency closure or delayed start via text message. A robo-call will go out to all parent or guardian cell phones on record. Check official district Facebook, Twitter and Instagram accounts as well as school websites and the ICSD app for up-to-date information.
