

# Megan Hansen

Hello! This is my second year at Beaverhead County High School where I work as a Special Education Paraprofessional and the BeaverTale Yearbook advisor. I am also volunteering as an assistant coach for the girls basketball team this year.

I grew up in Wisconsin and graduated in 2007 from Lake Holcombe High School. After that, I moved to Dillon and attended the University of Montana Western. I majored in English Literature and Writing with a Creative Writing minor and graduated in December of 2011.

In the fall of 2013, my husband John and I moved to Geyser, Montana where we worked at Geyser Public School for 4 years. While there, I was the head junior high volleyball coach for 3 years and JV girls basketball coach for 3 years in the DGS co-op. I was also in charge of Geyser's Spirit Club for 3 years and made the yearbook my last year there.

I have enjoyed being back in Dillon! If you have any questions for me, please don't hesitate to contact me at [mghansen@bchsmt.com](mailto:mghansen@bchsmt.com)!
