- The local earned income tax on wages is withheld from payroll for individuals working in Pennsylvania.
- If you move during the tax year, ask your employer to update your local withholding information.
- Those without employer withholding and the self-employed must make quarterly estimate payments.
- By law, Pennsylvania residents with earned income, wages and/or net profits must file a local tax return in April.
- If you moved during the tax year, you must file a part-year return for each taxing jurisdiction.
- The Local Services Tax is withheld from payroll at the workplace location.
- Self-employed individuals are required to self-pay the Local Services Tax.
- Tax rates may vary by jurisdiction.
