Fourth Grade Holiday Museum

# Director of Technology, Scott Fisher's Updates:

- **Elementary School Gymnasium Audiovisual Upgrade**

- The installation of the new AV equipment is scheduled for Christmas break.

- **Shaep Online Payments**

- Exploring alternative solutions as the My School Bucks solution did not meet our needs.

# Director of Technology, Scott Fisher's Updates:

- **Virtual Field Trip Via Distance Learning**

- The distance learning equipment was used with Kate Montaldo's class of students for a visit with Santa. Due to a technical glitch with Santa's microphone, another trip will be scheduled soon.

- **SHAEP Online Payments**

- Exploring alternative solutions as the My School Bucks solution did not meet our needs.

# Director of Technology, Scott Fisher's Updates:

- CyberPatriots:
  - The second competition of the school year for both the middle and high school teams took place on Friday, December 9. The kids did a great job!

# **Buildings and Grounds by Eric Bramoff:**

Received the preliminary Lead testing report for the District on 12/13/16

## Findings:

- 11 actionable items in total.
- Two high priority potable water outlets requiring immediate action have received remedial action and will be re-tested. Both high priority cases were sinks that students do not have access to.
- Steps have been taken to replace fixtures in the low priority findings.
- Pleased to report that all drinking outlets were within the acceptable range set by the Department of Health.

# **Buildings and Grounds by Eric Bramoff:**

New windows were installed in the Pierson High School gym this week.

# Athletics by Eric Bramoff:

Winter sports are underway.

Middle school boys basketball and girls volleyball in action.

# Athletics by Eric Bramoff:

## **Upcoming dates:**
