

Okaw Valley School District Goals and Objectives 2018-2019

Our mission is to create a learning community that prepares all students to be productive, responsible, and successful.

Curriculum/Extracurricular

Objectives:

- Continue collaborative work between the administration and staff to develop and articulate curriculum that is aligned to the Common Core standards and that flows from one grade level to the next.
- Continue to organize and implement the service learning program into the curriculum as well as focusing on increasing community and parent involvement.
- Identify and develop educational strategies and opportunities to better meet the needs of all learners with a focus on differentiated instruction and study skills at all levels.

Technology

Objectives:

- Continue to utilize the district technology committee to help guide the technology plans for the district.
- Maintain updated district and teacher websites to be used as a source of information about the school district.
- Explore offering adult education classes dealing with technology for community members and parents.

Communication

Objectives:

- Continue to develop an e-mail database as a way to communicate important information and upcoming events.
- Strive to increase media exposure as a way to communicate information and promote school district.
- Continue to improve the utilization of a district calendar on the website to effectively communicate upcoming events.
- Consistently communicate and enforce building and discipline policies for each building.

Personnel

Objectives:

- Strive to recruit, hire, and retain highly qualified personnel for all positions in the district.
- Provide ongoing professional development support for staff, Board members, and administration.
- Continue technology professional development for staff to enhance the integration of technology into the curriculum.

Facilities/Grounds

Objectives:

- Evaluate the district's facility needs to enhance their appearance and condition in order to provide the best possible learning environment for our students.
- Continually maintain the condition and cleanliness of the buildings and grounds in order to increase community, staff, and student pride in the school district.
- Continue to increase student input and involvement in the improvement of the appearance of facilities and grounds through methods such as service learning.
- Continually evaluate, monitor, and communicate the district's safety plans and procedures to ensure the safety of the students in the buildings and on buses.
