# Getting High Naturally

On Thursday, October 26th, at 7pm in the Pierson auditorium, Dr. Matt Bellace will present *Getting High Naturally*, a positive, science-based and entertaining approach to substance abuse prevention.

Please join us. Please tell your friends in the community.

Pierson students will see the presentation on Friday, October 27th.

***“Young people need to feel empowered in their schools and communities. It's not enough to ask them to stay away from drugs and alcohol. We need to show them positive things they can do instead, both for themselves and others!” – Matt Bellace***

## **A Better High, Chapter by Chapter:**

- 1. How to Get High Naturally.**
- 2. Laughing, Smiling and Other Highs Better than Cocaine.**
- 3. Running, Surfing and Other Highs Better than Weed.**
- 4. Eating, Cooking and Other Highs Better than Alcohol.**
- 5. Helping, Listening and Other Highs Better than Being Selfish.**
- 6. Loving, Caring and Other Highs Better than Hurting Yourself.**
- 7. Unhealthy Natural Highs.**

# Philadelphia 7th Grade Trip Description 2017-2018

Ms. Caulfield, the 7th grade advisor, is proposing an overnight field trip to Gettysburg and Philadelphia, Pennsylvania for 7th graders. The proposed itinerary for the trip includes visiting multiple sites that are addressed in the 7th grade social studies curriculum, including Independence Hall, the Liberty Bell, and the Constitution Center.

While in Philadelphia, the class will also visit the University of Pennsylvania. One of the teacher chaperones graduated from U Penn and has volunteered to lead a tour. Students are scheduled to depart on May 9th and return on May 11th.
