Road Map to Later Start Time

Presented by Jeff Nichols and Matt Malone

Road Map to Later Start Time

Why have a road map to later start time?

The Board of Education established under “District Goal #1”- “Task b.” - “Find a way to start school at 8:00 am (MS/HS)”

SAG HARBOR UNION FREE SCHOOL DISTRICT

Board of Education Vision 2016-2017: To create, build, share, and measure a fiscally sustainable child-centered learning environment that promotes student achievement, the well-being of every child, community citizenship, and school success.

District Goals	Goals with District Tasks	Lead Participants	Deadline	Report Date
1	Build, share and measure the ability of each student to pursue their learning goals and interests by implementing of The Seven Dimensions of Wellness. a. Task: Build and strengthen community partnerships b. Task: Find a way to start school at 8:00 am (MS/HS)	Superintendent, Policy Committee, Administrative Cabinet	February 2017 and ongoing	November 2016 January & Spring 2017
2	Raise district-wide accountability to promote student achievement and reinforce school success. a. Task: Decide how we will measure success (MS/HS, SHES) b. Task: Implement IB Middle Years Program (MS/HS)	Superintendent, Administrative Cabinet	Ongoing	November 2016 January & Spring 2017

Road Map to Later Start Time

1. Overview of Research on Later Start/Release Times
 - Later Start Time research review
 - Long Island school start time(s) summary

Road Map to Later Start Time

2. Busing Options and Cost Breakdown

- single bus run, single start time
- multiple runs, two different start times
- bus monitors, staffing costs
- bus parking, maintenance costs
- single bus run - parent input
- what districts on Long Island have single multi-age bus run?

To Do: Set up a meeting with the Sag Harbor Schools Head of Bussing and the Business Administrator to review bus routes and other implications

Road Map to Later Start Time

3. School Community Input

- survey parents on start time preference(s)
- survey parents on start time implications
- survey faculty/staff on start time implications

To Do:

Create survey for parents about start time

Create survey for faculty/staff

Road Map to Later Start Time

4. Extra Curricular Implications

- participation in section XI
- practice time
- shared sports programs
- extra curricular

To Do:

Meet with Athletic Director and selection of coaches and co-curricular advisors

Road Map to Later Start Time

5. School/Community Program Implications
- academic support placement in the school schedule
 - later start time for elementary school
 - BOCES/alternative program(s)
 - community educational programs
 - security/staffing

Road Map to Later Start Time

6. Traffic/Parking Implications

- Multiple start times
- Single start time
