Parents' Right to Know
Warwick Public School
Fall, 2018

Through federal education law, parents have the right to request information on the professional qualifications of the teachers and paraprofessionals at our school. If you are interested in learning this information, please contact the school administration office at 294-2561. Upon this request, you will receive a detailed explanation of the licensing, education, and experience of each of our teachers. You will also receive information regarding the names and qualifications of the paraprofessionals at our school(s).

If at any time during the school year a child is taught for four or more consecutive weeks by a teacher who does not meet applicable state licensure requirements at the grade level and subject area in which the teacher has been assigned, parents will be notified in a timely manner.
