

Lake Park Audubon Elementary School

Recognized as a:

Minnesota School of Excellence
PBIS Exemplar & Ambassador School
Peacemaker MN Achieving Excellence

Lake Park Audubon (LPA) Elementary is home to 425+ students in preschool through 6th grade. We strive to provide students opportunities and experiences that will foster lifelong learning. Our school campus includes: a 45+ acre nature area, school greenhouse, MN native wildflower garden, and vegetable gardens all increasing hands-on experiences for students. Each day students received a free breakfast, physical education (MN Active Schools Grant), and music instruction including a musical, band, and multiple community programs throughout the year. Instructionally, all students are challenged and supported based on individual skills, rather than broad proficiency allowing us to meet each student where they are at. Positive Behavioral Interventions & Supports (PBIS) have been established with the designation as a PBIS Exemplar School in the State of Minnesota for the past 5 years along with being named 1 of 15 ambassador schools presenting at college prep programs in the state. We pride ourselves on having a family atmosphere and invite the greater community to be a part of our school through events including: Grandparents' Day, Doughnuts for Grownups, Muffins in the Morning, School Carnival, Winter Fun Day, Raider Field Day, I love to Read Month, and evening music programs.
