Students and staff will provide assistance for outdoor projects within our LPA community this Spring! Priority will be given to senior citizens, residents with disabilities, residents with injuries, non-profit groups, and active military families. Volunteers will be available to do yard work, plant flowers, wash windows (using ladders less than 6 feet tall), or various other outdoor tasks.

For safety and security reasons, volunteers will NOT be permitted to use power tools, use ladders over 6 ft. tall, or enter private residences.

In case of inclement weather or other unforeseen circumstances, Wednesday, May 10th will be the alternate date.

Is there anything else that you would like to share about this project?

Do you have any supplies you would be willing to donate to make the LPA Day of Caring more sustainable in the future? If so, please indicate in the space provided below. NHS advisor Melanie Vickmark will contact you to discuss pick-up/drop-off of these supplies, so that we can ensure we have space arranged for them.

Would you like to make a donation to be used solely for purchasing supplies for future Day of Caring events? If so, please make checks payable to "LPA" with "Day of Caring" supplies written in the memo and either mail to or drop off at the high school office at your convenience (address listed on the front page). Comment below as you see fit!
