We will be offering classroom instruction for Drivers Education this Fall. Students will be placed on class rosters in the order that paid registrations are received.

Students receive a signed Blue Card upon completing the Driver's Education course, which indicates successful completion of Minnesota Department of Public Safety Driver Education (30 hours of class time and passed the class.).

Upon completing behind-the-wheel instruction, students receive a White Card, which indicates the Minnesota Department of Public Safety Driver Education Certificate of Completion (6 hours behind-the-wheel instruction.).

Fees for Driver's Education are as follows:

\$400.00 Driver Education – Classroom Instruction, Blue Card, Behind the Wheel, and White Card

Payment may take place in the following manner:

\$400.00 paid in full with registration prior to the beginning of class **OR**

\$200.00 paid with class registration, Blue Card is received after completing classroom instruction
