

CPMS Announcements

Monday, November 12th

The dodgeball tournament for 7/8th grade begins today at the start of each lunch. As a school, we raised \$648 for Riley - great job! Congratulations to 6th period classes of Robinson and Parkhurst and Gragg's 8th period for raising the most money securing their automatic bye into the finals. The following 6th period classes should report to the fieldhouse at the start of each lunch today to play their game. 1st lunch: Toole vs. Cole; 2nd lunch: Campbell vs. Rangel.

7th and 8th grade students will have the ability to pay it forward during FIT this week. If you are interested in changing any current negative vibes and start promoting positivity at CPMS, please sign up for the Promoting Positivity FIT, which will meet in A105.

We still have about copies of Booked and Crossover for \$5 each until they sell out. See Mrs. Kern today if you would like buy one. Books must be paid for today. If you have your own personal copies of books by Mr. Alexander, bring them to school Wed. as he will sign books immediately following his presentations.

The answer to yesterday's Kwame Alexander trivia question is two children. Destinee Jackson, Gregory Cullison, and Ishmeet Kaur should report to the LMC to select a prize. Today's question is: What is the name of Mr. Alexander's talk show about books? Use your research skills to find the answer to today's question and submit your answer in the LMC or the cafeteria to win a prize.

Show Choir has its first practice today after school until 4pm in the choir room. See you there!

On Saturday the CPMS Competition cheer team won their 3rd straight Mid-State Conference championship! Great job to all squad members and coaches!

The Boys Basketball teams opened their seasons on Saturday at the Zionsville West Shootout. Both the 7th and 8th grade teams were 1-1 for the day. They will be back in action on Thursday vs. Martinsville.

Congratulations to our CPMS Students that performed with the All-Region Honor Band this past weekend. We are proud of you for an excellent performance and representation of CPMS!

Any student interested in science academic team, there will be a meeting in room D207 Tuesday Nov 13th directly after school from 3:00 to 3:30pm. Make sure you have a ride home.
