**GARRETSON SCHOOL DISTRICT 49-4
TEACHER'S CONTRACT – SCHOOL YEAR 2022-2023**

This contract and agreement offered this 23rd day of April, 2023 shall become a binding contract when signed by the teacher and the authorized officials of the school district. This contract is entered into by and between the Garretson School District No. 49-4 and Reece Mochlenbrink, (hereinafter, Teacher), and is binding upon following signing by the Teacher and approval by the Garretson School District Board of Education.

Term: That the said teacher hereby contracts and agrees to act as Teacher in the schools of said district for the 2023-2024 school term beginning on or about August 15, 2023 for the school calendar plus post school days. The term shall consist of 180 days of performance.

Conditions: That the said teacher hereby agrees to perform as a teacher, and other duties as assigned according to the terms of this contract and according to the rules of the state board of education, the statutes of the state of South Dakota and the rules, regulations, and policies adopted by the school district. It is hereby agreed that the said teacher may be required to attend such post-school meetings, institutes and teacher's professional meetings during this contract as deemed necessary by the Garretson School through its agents.

This contract, together with the negotiated agreement and the District's policies, constitute the entire agreement between the parties. It is hereby agreed that this contract may be terminated only by mutual consent of the contracting parties or by the statutory provisions of the laws of South Dakota. Should the teacher resign without the District's consent, the District may assess liquid damages.

A contract signed by a teacher is binding upon the school district and the teacher upon the effective date of approval by the school board. Thereafter, if no mutual consent as to termination exists and if the teacher initiates the termination of this contract prior to its terminal date, the school district may withhold from any monies due the teacher or collect from the teacher the sum of seven hundred fifty dollars (\$750.00) as liquidated damages prior to June 1st and one thousand, five hundred dollars (\$1,500.00) thereafter. It is hereby agreed that the amount herein specified is a fair and reasonable damage for breach of contract as provided in SDCL 53-9-5. Specifically, it is agreed that, at the time this contract is made, the damages in the event of a breach by the teacher will be incapable or very difficult of accurate estimation, that there has been a reasonable endeavor by the parties to fix fair compensation, and that the amount stipulated bears a reasonable relation to probable damages and is not disproportionate to any damages reasonably to be anticipated. The Board may decide to forgo liquidated damages and seek suspension of the teachers' certificate in lieu thereof.

In consideration of the service performed by the teacher, and pursuant to the negotiated agreement between the Garretson Teacher's Association and the District, the school District hereby agrees to pay the gross sum of \$43,230.00 for such services as hereby set forth in 24 payments of \$1,801.25 on the 15th and 30th day of each calendar month beginning with September, 2023, the teacher's daily wage is computed to be \$240.17 based on the 180 day school calendar. **The total gross sum of the contract will be adjusted based on the completion of the 2023 negotiated agreement between the Garretson Teachers' Association and the Garretson School Board.**

It is further agreed that this contract covers all school board policies and the present negotiations package.

Extra Duties: In addition to performing duties as a Teacher, the Teacher will perform the following extra duties for the amounts specified below.

JH Football Coach - \$1,945

JH Track Coach - \$1,513

To be considered by the Board, This contract must be signed by the teacher and returned to the office of the school superintendent on or before April 24, 2023 by 12:00 PM
