Standards and Guidelines 6-12

All students in the Garretson Schools, 6-12, and their parents should be familiar with the policies included in this section. Items are listed alphabetically. For your convenience a complete list of topics is found in the Table of Contents.

ACADEMIC ELIGIBILITY POLICY

This policy will apply to all students in extra-curricular activities in grades 6-12. This includes anyone associated with the team including managers and statisticians.

- 1. Participation in activities is a privilege and not a right, and academic achievement should take priority over participation in activities. Garretson High School students who choose to participate in activities shall assume responsibility for maintaining good academic standing in all of their classes, and the following policies are in place to assist them in doing so.

2. To participate in activities sanctioned by the South Dakota High School Activities Association, high school students must meet the scholastic eligibility requirements set by the SDHSAA which are as follows: "Students, unless they are entering high school for the first time, shall have successfully passed twenty hours of high school work per week (4 full credit) classes for the preceding semester of attendance at any accredited high school."
3. In addition to the SDHSAA requirements, the following rules will govern participation in activities for Garretson High School students:
 - a. Students will be academically eligible for all activities at the beginning of each school year provided they meet the minimum state guidelines.
 - b. Students will be eligible for the first two (2) weeks of each semester of the school year. Upon week three (3) and week 20 (second week of second semester) of the school year, a grade report will be run Monday morning at 10:00am. If a student is failing (F) one or more classes, they will be ineligible for any activities for a period of one week, beginning at 12:00am on the day following the grade check and ineligibility notification and run through 11:59pm the next Monday.
 - c. Grade checks will take place on the first school day of each subsequent week with students informed of their ineligibility by the end of that day. An attempt will be made to inform parents, but ultimately it will be the student's responsibility to inform parents.
 - d. The first two (2) weeks of Quarter 2 and Quarter 4, there will be no grade checks. Students with no failing grades for Quarter 1 and Quarter 3 will be eligible those two (2) weeks. Students that failed a Quarter 1 or Quarter 3 class will be ineligible for the first two (2) weeks of Quarter 2 and Quarter 4.
 - e. At the end of each semester, quarter grades will be used to determine eligibility going into the holiday and summer breaks. If a student has a failing grade (F) in one or more classes, they will be ineligible for one week immediately following the end of the semester. At the end of the first semester, that would involve a time period during Christmas break. At the end of the second semester, that would involve a time period after the last day of classes possibly including region and state track or golf. The exact one-week period of ineligibility will be determined on a semester by semester basis depending on the last day of classes and when grades are submitted by teachers.
 - f. There is no minimum of number of events for which a student must be ineligible for failing more than one class, and it is possible there are no events during a period of ineligibility.
 - g. Students are not ineligible for activities that are part of the grade for a class. Such graded activities must be clearly defined in the course syllabus.
 - h. The coach or advisor will determine whether an ineligible student may/must participate in practices.
 - i. The coach or advisor will determine whether an ineligible student may/must attend an activity/event. However, an ineligible student may not leave school before the end of the school day to attend an activity or event.
 - j. With the exception of SDHSAA eligibility requirements as defined in number 2 above, academic eligibility requirements for students on Individual Education Plans (IEP's) will be consistent with these policies unless the student's IEP team specifies alternative requirements clearly documented in the student's IEP.

Academic Eligibility for Activities for Middle School Students

1. Eligibility for 6th, 7th, and 8th grade students in co-curricular activities are the same as high school students and applied to all activities that middle school students are eligible to participate in.
2. 7th and 8th grade students who participate in a high school activity will be required to follow high school eligibility requirements.

ACADEMIC LETTERING POLICY

A student can earn an academic letter by accumulating a grade point average of 3.5 or higher for current school year. (Note: All subjects in which the student is enrolled in will be counted in the accumulation of the GPA.)

The awards will be given out in the following order:

First Year Lettering	Letter "G" with Academics
Second Year	Lamp of Learning Pin

ATTENDANCE

Any person having control of a child, who is not younger than five or older than six years old by the first day of September, or any child who, by the first day of September, is at least six years old, but who has not exceeded the age of eighteen, shall cause the child to regularly attend some public or nonpublic school for the entire term during which the public school in the district in which the person resides, or the school to which the child is assigned to attend, is in session, until the child reaches the age of eighteen years, unless the child has graduated or is excused as provided in this chapter

Attendance is taken in each class and study hall and a record is kept of absences from each class. Hours of absence will be accumulated and recorded on report cards each nine weeks and on permanent school records at the end of each school year.

The following regulations apply to all students and pertain to absences of all types. Administrative discretion will be used when necessary.

Be aware that a note from home does not automatically excuse a student from school. A note is merely a request to have a student excused. The school reserves the right to excuse a student from school.

A. Absenteeism: Absence from school during regularly scheduled school hours.

1. Generally, the only absences excused are:
 - Personal illness
 - Family emergency (death, serious illness)
 - Funeral
 - Dental or medical appointments that cannot be made on Saturdays or after school hours.
 - a. School sponsored activities
 - b. Parental request 6-12: Parental request will be discouraged for repair of vehicles, shopping without parents, employment or babysitting outside of the home, oversleeping, recreational trips and vacations without parents, or missing class to study for another class. Lessons assigned and class discussions for the duration of a parental request absence becomes the responsibility of the student and the parents and should be made up in advance or immediately upon return to school whenever possible.

2. If a student is expected to be absent, parents should call the school by 8:30am. If no call or email is received by 8:30am, the school will call the home and make every effort to contact a parent to verify the absence. A written excuse is not necessary if a phone call has been made by the parent.
3. A student shall not leave school during the school day without reporting to the principal's office or attendance clerk and obtaining permission prior to the absence. Failure to report to the office shall result in an unexcused absence.
4. If a student becomes ill while in school, he/she shall report to the principal's office or attendance clerk. An attempt will be made to contact a parent before allowing the student to go home. All students will be asked to list two (2) additional people whom the school may call if contact cannot be made with either parent.
5. If a student knows he/she is going to be absent, he/she should communicate the intended absence to his/her teachers and make arrangements to make up all schoolwork before the absence.
6. In the case of an excused absence, an unexcused absence or truancy, the student shall be afforded the opportunity to make up the work and receive full credit. Students will be given at least as many school days as they were absent plus one additional school day to make up the work for full credit. The following example will illustrate the above policy: Student A misses three days of school. Monday, Tuesday, and Wednesday. He now has four school days to make up the work missed and receive full credit, Thursday, Friday, Monday, and Tuesday. It will be the sole responsibility of the student to make arrangements with the teacher for assignments and class activities missed during a parental request absence. If a grading period ends within the allowed time to make up work due to an absence, an "incomplete" shall be recorded. Incompletes become a "failure" if not made up within time allowed although teachers may extend deadlines under unusual circumstances.
7. Attendance will be taken every period of the day.

All absences, excused or unexcused will be processed as follows for students in grades 6-12.

Students who miss more than 15 minutes of a class period will be assessed one absence. Students who are late to the beginning of a class by 15 minutes or less will be assessed one tardy.

1. After a student has been absent five (5) times, the student and parent/guardian will be notified by the high school office. The notification will stress the importance of attendance in school achievement. The parent will also be informed that should the number of absences exceed eight (8) the student may be dropped from the class. A student conference or referral to a counselor will also take place at this time.
2. After a student has been absent seven (7) times, a second student and parent notification will be given emphasizing the importance of attendance for that class period the remainder of the semester. Also included in the notification will be detailed information regarding policy relating to the number of allowed absences and consequences for exceeding this number.
3. After a student has been absent eight (8) times from any class during a semester, notification will be given to the parent of the student stating this fact and further, that any additional absences may result in dropping the student from the course.

When the student has been absent from any class nine (9) times during a semester, the student may be deemed to not have sufficient credit in the affected class to obtain a passing grade and will be dropped from the course with an "F" recorded. A student may be referred to the Board of Education for long term suspension in the event a student no longer has at least three (3) valid classes.

4. A student who is dismissed from a class because of excessive absences will be afforded the opportunity to buy back one absence per class per semester by spending 3 hours in Saturday School. If this is done the student may remain in the class and still obtain full credit as long as they do not accumulate any more absences in that particular class.

For Clarification:

- (1) School Sponsored Activities. No count for any school related activities. (Athletic contests, music, debate, field trips, and any other approved by the School Administration or Counselor.)
- (2) Absences due to prolonged illness, hospitalization, counseling, or a series of medical treatments will be counted as one (1) absence whenever the number of absences reaches three consecutive school days and the treatment is supported by a physician's statement.
- (3) Absences due to bereavement or serious illness in the student's immediate family will be counted as one (1) absence.
- (4) A student may be excused for any other exceptional reason with approval by the Administration.

- B. Tardiness:** Tardiness is defined as failure to be at the assigned work station when the final bell rings. A student who is late arriving for any period class must report to the study hall where the tardy must be accounted for. An admit slip to enter class or study hall will be given upon receiving accountability.

Following the fifth tardy during a quarter, the principal will inform the parent or guardian of a potential problem, and the student will receive detention for this tardy and any subsequent tardiness. Following the eighth tardy during a quarter, the student will receive a Saturday School. Further tardiness will result in continued Saturday Schools and possible ISS.

- C. Truancy:** Unexcused Absence from school. One day, or any part thereof, equals one violation. Unexcused absences are those absences which are not excused by the school. This means that even though the parents excuse the student, the administration may not. The administration reserves the right to determine when an absence shall be excused. Unexcused absences may result in detention or Saturday School being assigned. Excessive unexcused absences will result in the student and parents having to meet with the administration to discuss possible loss of credit or other consequences.

BUILDING HOURS

The school building will be locked until 7:25a.m. Students will not be allowed in the school building before 7:25am. Students will not be allowed to remain in the building after 3:20p.m. unless they are under adult supervision. All doors will be locked after 8:20 and not reopened until 3:15p.m..

Custodians will lock ALL school doors at 4:00 p.m. with the exception of the gym lobby doors on the nights there are events.

From 8:00am until the start of the school day, students are expected to be in the commons unless students have arranged to be with another teacher. -In order to cut down on excessive traffic in the Middle School and Senior High complex, the following additional procedures apply:

1. Custodians will lock all outside doors at 4:00 p.m. on nights when there are no activities.
2. All sponsors of activities will remain in the building until students have left. If necessary, students may wait in the area just inside the front doors.
3. The advisors of any non-athletic activity held after 6:15pm will notify the night custodian (or request that they be notified) as to when the doors should be unlocked and locked.

4. Coaches will require players or participants to remain in the practice area at all times during practice.
 5. Arrangements will be made so that a coach is the last to leave after everyone is out of the locker room and the door is locked.
- A student in the school during non-building hours and is not under the direct supervision of a school employee or a responsible adult designated by a school official will be subject to disciplinary action based upon the frequency and seriousness of the violation.

BUSING

The Garretson School District has provided a fleet of buses for those who ride to school on them and the Board of Education has employed reliable, responsible and trained people to drive these buses. The bus driver is an official representative of the school and has full authority to discipline students on the bus. It is the duty of each student who rides the bus to do his/her part to keep the buses in good condition and to abide by the stated rules.

Violation of these rules could mean a reprimand, detention, or cancellation of bus privileges on all buses. If a student is removed from a bus, that student will have to obtain other means of transportation at no expense to the school district.

- A. Students should be on time. If the bus had to wait as much as one minute at each stop, it would be 20 to 30 minutes late to school.
 - B. The loading of students will be done at regular stops and loading zones only. Students should not stand in the traffic lanes while waiting for the bus or rush to the bus. Students should not approach the bus until it has come to a complete stop.
 - C. All students must be seated while the bus is in motion.
 - D. Arms and hands must be kept inside the bus.
 - E. The aisles must be kept as clear as possible. Traffic through them must not be blocked.
 - F. Boisterous or profane language will not be tolerated.
 - G. Absolutely no smoking and/or possession of drugs or other controlled substances will be permitted on the bus.
 - H. The bus driver is responsible for the safety and welfare of the students in the bus and should never be bothered or distracted in any way which will interfere with responsible, safe driving. Rowdiness, pushing, crowding, shouting or unnecessary noises will not be permitted.
 - I. All school buses must stop for railroad crossings as a matter of safety as well as law. Students must be quiet at this time.
 - J. Students will assist the driver in keeping the interior of the bus clean. No food, gum or drink will be consumed on the bus. The throwing of anything on the bus will not be tolerated. It is against the law to throw anything from a vehicle on the streets or highways.
 - K. Students will immediately report to the driver any damage occurring on the bus. The party responsible, or their parents, will be held responsible for the total cost of the property replacement or repair.
 - L. Students will not open or close the windows without the permission of the bus driver.
 - M. Bus drivers will not discharge riders at any other place than the regular stops without proper written authorization from the parent or school official.
 - N. If it is necessary to cross the road when leaving the bus, students shall cross at least 10 feet in front of the bus in full view of the driver, and cross only after looking to be sure no vehicles are approaching from either direction, and at the signal of the driver.
 - O. In the event of road emergency, students are to remain in their seats unless otherwise directed by the bus driver.
 - P. Each student is expected to inform the driver if he/she is not returning on the bus. If the student fails to do this, the driver is relieved of responsibility.
 - Q. Courtesy is expected at all times, both to the driver and to the other passengers on the bus.
 - R. Non-bus students are discouraged from riding on an incidental basis and will not be allowed to do so without prior approval from the administration.
- S. The Garretson School District realizes that cell phone use is an important line of communication between parents and their child
- Cell phones may be used for emergency purposes only.
 - Cell phones may be placed on vibrate but may not be visible while on the school bus.
 - Using the cell phone for taking pictures/video of self or others to transmit or store, and/or illegal activities will be considered inappropriate use of the cell phones.
 - Parents/students will assume any and all responsibility for loss of the phone and will be responsible for its safe keeping.

BUSING FOR STUDENT ACTIVITY TRIPS

- A. All school district bus rules will be in effect.
- B. Students taking part in school sponsored activities must use school provided transportation when going out of town. They can be released to their parents if the parents come to the person in charge and sign a release form. The parents may transport his/her own son or daughter home from the activity.
- C. C. For Fan Bus:
 1. There will be a charge which will be determined at the time of the activity trip.
 2. A minimum of 25 paid riders will be necessary before arrangements will be made for a spectator bus.
 3. Only students in grades six through twelve are permitted to take the bus for "away" games.
 4. The bus leaves for home immediately after the game.
 5. Adults may ride spectator bus.

CELL PHONES

The use and possession of cell phones in the general classroom are prohibited at the Garretson School during normal school hours (8 a.m.-3:25 p.m.) unless permission is granted by the classroom teacher. Cell phones shall be kept in student lockers during the school hours listed above with the exception listed below.

Students may be asked to remove wearable electronic devices during class and place them in their lockers or have teachers hold them until after the class is over. If it continues to be an issue a student may be asked to either leave these devices at home or leave them in the office during the school day.

Students found violating this policy will have their ECD confiscated and turned in to the office. For the first and second violations, a parent will be contacted and the device will be returned at the end of the day.

Students who continue to violate this policy (third offense or greater) may have their ECD confiscated for a reasonable period of time pending a conference with parents/guardians and a resolution of an investigation into the matter.

EXCEPTION: For Garretson Middle and High School Students...The use of cell phones and electronic devices will be allowed in the school's "PHONE ZONE" which is identified as the main entrance area, lunchroom ramp and lunchroom during the dedicated lunch periods, respectively.

CHEATING OR ACTING IN A DISHONEST OR UNFAIR MANNER

Any student caught cheating or plagiarizing on any test and/or assignment may have a zero assigned to that test and/or assignment. All cases will be referred to the principal and the teacher will notify the parents of the infraction. Disciplinary action will be taken and will be left up to the discretion of the teacher and the principal.

CHURCH NIGHT – WEDNESDAY

There are to be no school activities scheduled on Wednesday evening after 6:15. Only state sanctioned events will be scheduled on Wednesday evening.

CONDUCT AT SCHOOL ACTIVITIES

Students are encouraged to attend and support all school sponsored functions. The following rules apply.

A. School Parties, Mixers or Dances

1. All administration approved school parties, mixers, or dances may continue until 12:00am.
2. Any person admitted to a dance or party must remain in the school building until he/she is ready to leave. No one will be allowed to re-enter the dance or party after having once left. Doors may be closed or locked one-half hour after the start of dance or party.
3. Proper conduct must be observed. Chaperones may remove immediately any student misbehaving. Any student ejected for misbehavior may be excluded from future mixers and/or activities for the remainder of the school year.
4. All faculty members, their escorts, wives, or husbands, school board members, their escorts, wives, or husbands, and parents are welcome to attend the dances (provided they abide by school rules).
5. Combination Jr. & Sr. High dances may be permitted with prior approval from the administration.
6. Any party, mixer, or dance will have as many adult chaperones as classes invited.

B. Athletic Events, Assemblies, Concerts, Plays, and Programs:

Garretson students (Pre-K through grade 8) must have parental supervision at all school activities outside of the regular school day. These events are being held for the enjoyment and educational benefit of all students. Students Pre-K through grade 8 who are not supervised will be asked to leave the stadium or school.

Students are expected to watch the game and support the team. Food and drink may not be brought from outside of the school to these activities.

Good sportsmanship is one of the primary purposes of the high school interscholastic athletic program and it is essential for the success of these programs.

CURFEW

The incorporated towns within our school district have established curfews. The City of Garretson cooperates with the school district in extending that curfew 1/2 hour beyond the ending time of a school activity. Students are expected to cooperate with these city ordinances. They can be found below:

ORDINANCE NO. 594

Disciplinary Sanctions and Implementation Procedures

The following procedures will be used in dealing with possession, use, distribution, or being under the influence of alcohol and other drugs on school property or at school sponsored events:

Students whose observed behavior indicates possible use of alcohol and or other drugs will be referred to the building administrator. The building administrator and/or law enforcement will determine whether to contact the parent for further instruction, refer to the emergency authorization form or immediately seek additional medical treatment. Following the handling of the medical emergency, this Policy Statement for Alcohol and/or Other Drug Abuse will be followed.

The school district will encourage in anyone in violation of this policy to seek professional assessment from a trained chemical dependency counselor or a licensed physician trained in chemical dependency. Because we believe that chemical dependency is preceded by misuse, we feel confident that such early intervention can benefit the student before significant harm or dependency results. Individuals that enroll and complete such a program may have their consequences modified to reflect the intervention.

The administration will provide a list of agencies/professionals who can do the assessment and provide treatment. Fees for this assessment and treatment are the responsibility of the student and family.

Upon receipt of appropriate authorization, the agency or professional will notify the school administration that the student is willing to be evaluated and to comply with the treatment process.

DUAL CREDIT

Students who attend Garretson High School and are either Juniors or Seniors are afforded the opportunity to take college level courses via the Distance Learning program, the Internet, Correspondence courses, AP program, and dual credit classes offered through the South Dakota Board of Regents. Students may enroll in a course or courses in the fall or spring semester which are offered at an institution of higher education or post-secondary vocational-technical institution. The student shall obtain the district's approval of the course prior to enrolling. Students will be required to carry a full load of courses while at Garretson. Exceptions to this can only be determined by the administration.

If an eligible student successfully completes a post-secondary course requirement the student will receive credit towards high school graduation as well as post-secondary credit. Garretson School will award a 1/2 credit per semester upon successful completion of a post-secondary course regardless of the course being a three (3), four (4), or five (5) semester credit hour course. Garretson School will assign credit and place the course on the official student high school transcript after documented proof of successful completion of the course has been filed with the principal. It is the student's responsibility to ensure the post-secondary institution sends all official transcripts or documentation of successful completion of the course(s). The grades will be recorded on the student's official high school transcript and will be calculated into the student's grade point average and class rank.

A 0.33 weight will be added for Advanced Placement, Dual Credit and other college-level courses. The grade for the class will be inserted into the district grading scale and the corresponding grade point average will be entered into the student's transcript. See GRADING SCALE.

ELASTIC CLAUSE

The student and parent handbooks do not include everything that may possibly happen during the school year. If any situation not specifically covered should arise, the administration will make every effort to act fairly and quickly. Each situation is different and will be handled on an individual basis. The best interest of the student, school, and community will be considered.

ELIGIBILITY RULES FOR EXTRA- OR INTRA-CURRICULAR ACTIVITIES

Attendance:

A student must be in school no later than the start of the 2nd period in order to participate in extra- or intra-curricular activities, including practice. This includes all school-sponsored activities that are not part of the regular day. Medical appointments are excused if the student has a slip signed by the medical practitioner. Special cases may be reviewed by the administration.

Middle School student participation in HS athletic activities:

The SDHSAA sanctions the participation of students in grades 7-12 in activities. Students in grade 6 are not eligible for participation in school-sponsored athletic activities with the exception of 6th grade students who may participate in wrestling and participate in “middle school” or exhibition matches only.

Student athletes in grades 7 and 8 may participate in individual sports (XC, Track and Field, Wrestling and Golf) if their objective performance warrants their participation at the high school level.

Student athletes in grades 7 and 8 may participate in team sports (football, volleyball, Boys basketball, girls basketball and **soccer) only if the following conditions are met.

** See paragraph following conditions

1. Petitions for students in grades 7 and 8 may only be initiated by the Head Coach of the sports in which the athlete may be allowed to participate at the high school level. Coaches are not able to petition for students in grades 7 and 8 to participate on Junior Varsity teams. The skill level of the student athlete must be such that the student will see significant playing time at the Varsity level in order to be considered to play up.

2. After the Head Coach initiates the petition for participation on the Varsity team with the Activities Director, a meeting will be held with the coach, parents, Middle School Principal and Athletic Director. This team will consider the athlete's level of skill in the game, physical maturity, academic maturity and social maturity in making the decision to allow a 7th or 8th grade student to participate on the High School Varsity team. The decision to allow a 7th or 8th grade student to participate on the Varsity Team must be unanimous, with all team members agreeing that participation is in the best interest of the child.

3. Decisions made by this team are final. There is no opportunity for appeal.

At this time, the Garretson School District does not have a program for middle school soccer. In order to be considered for participation on the Varsity Soccer Team, all potential 7th or 8th grade students must participate in a skills test to determine if their skill level meets the requirement set in #1 above. The Head coach will be responsible for identifying the components of the skills test and for conducting the test at a time when the Athletic Director and Middle School Principal can be present to assist with the assessment.

GMS/GHS Activity Guidelines

The Garretson School District believes that it is important that our student athletes understand the importance of exhibiting proper conduct as a member of our school and community. For this reason, the Garretson Possession/Use Policy will be in effect for the entire calendar year.

A violation of the possession/use policy consists of a student possessing, using, distributing, ingesting, or inhaling any of the following: Tobacco or any other nicotine delivery device or substance, alcohol, drugs, or controlled substances.

This policy also addresses conduct unbecoming of a student/athlete and unlawful activity of student/athletes as stated below.

- Dismissal from a team, the student ceasing their involvement with the activity or unsatisfactory participation during the ineligibility period will result in the suspension being voided and carried over to the next season/ activity. This is at the sole discretion of the head coach or activity advisor and the activities director.
- Activity which would constitute a felony or misdemeanor (other than minor traffic offenses) are also violations of this policy and subject to the same consequences.
- The administration and coach/advisor reserve the right to take disciplinary action for any conduct unbecoming of a student/athlete.

**A student charged by law enforcement of possession/use of tobacco, alcohol, illegal drug or controlled substance or for illegal activities other than minor traffic offenses will be considered in violation of this policy until said charges are dismissed or the student has been adjudicated.*

First and Second Offenses: See chart for length of ineligibility for extra-curricular activities offered by Garretson School District. Before eligibility is reinstated the student must have or verify they have made arrangements for a chemical abuse or dependency assessment (**First Violation**); or verify completion of chemical abuse or dependency program (**Second and Third Violations**) before eligibility will be reinstated.

- A second offense or third offense may also result in forfeiture of any awards or honors for the applicable season(s).
- Numbers below are by session - examples of sessions are (not limited to):

- Volleyball tournament with three games in one day = 1 Session
- Varsity football on Friday and junior varsity football on Monday = 1 Session

Suspension from Extracurricular Activities for use or possession of controlled substances or marijuana—SDCL 13-32-9

Any person adjudicated, convicted, the subject of an informal adjustment or court-approved diversion program, or the subject of a suspended imposition of sentence or suspended adjudication of delinquency for possession, use, or distribution of controlled drugs or substances or marijuana as defined in chapter 22-42, or for ingesting, inhaling, or otherwise taking into the body any substances as prohibited by 22-42-15, is ineligible to participate in any extracurricular activity at any secondary school accredited by the Department of Education for one calendar year from the date of adjudication, conviction, diversion, or suspended imposition of sentence.

The one-year suspension may be reduced to sixty school days if the person participates in an assessment with a certified chemical dependency counselor or completes an accredited intensive prevention or treatment program. If the assessment indicates the need for a higher level of care, the student is required to complete the prescribed program before becoming eligible to participate in extracurricular activities. Upon a subsequent adjudication, conviction, diversion, or suspended imposition of sentence for possession, use, or distribution of controlled drugs or substances or marijuana as defined in chapter 22-42, or for ingesting, inhaling, or otherwise taking into the body any substances as prohibited by 22-42-15, by a court of competent jurisdiction, that person is ineligible to participate in any extracurricular activity at any secondary school accredited by the Department of Education. Upon such a determination in any juvenile court proceeding the Unified Judicial System shall give notice of that determination to the South Dakota High School Activities Association and the chief administrator of the school in which the person is participating in any extracurricular activity. The Unified Judicial System shall give notice to the chief administrators of secondary schools accredited by the Department of Education for any such determination in a court proceeding for any person eighteen to twenty-one years of age without regard to current status in school or involvement in extracurricular activities. The notice shall include name, date of birth, city of residence, and offense. The chief administrator shall give notice to the South Dakota High School Activities Association if any such person is participating in extracurricular activities.

Upon placement of the person in an informal adjustment or court-approved diversion program, the state's attorney who placed the person in that program shall give notice of that placement to the South Dakota High School Activities Association and chief administrator of the school in which the person is participating in any extracurricular activity.

As used in this section, the term, extracurricular activity, means any activity sanctioned by the South Dakota High School Activities Association.

Any suspension served under the above rule for SDCL 13-32-9 will not run concurrent with the suspension from activities for a violation of the Possession/Use Policy. These suspensions will be served separately and consecutively. See GMS/GHS ACTIVITY GUIDELINES.

DUE PROCESS (ELIGIBILITY FOR ACTIVITIES)

In the event a student has become ineligible to participate in school sponsored activities the student will be afforded their due process in the following manner.

1. The student and parent(s) or guardian(s) will be informed when a violation has occurred and disciplinary action is taken.
2. The student and parent(s) or guardian(s) will be afforded a hearing before the administration.
3. A determination of eligibility shall be made by the administration and will become effective immediately.

The determination may be appealed to the Board of Education. Such an appeal shall be in writing and received by the Superintendent within seven (7) calendar days after notification of determination is given.

FIELD TRIPS

Field trips are conducted during school time as the planned culmination of a class or unit. Students are expected to comply with district busing rules when school vehicles are used and to leave and return on school vehicles when provided. Students on field trips should view themselves as ambassadors for the school and behave in an orderly manner. Permission slips signed by parents/guardians are necessary for students to be able to go on the field trip. Parent chaperones may be permitted to drive their own vehicles, however, in order to transport their own children, signed documentation must be given to the teacher. Parents are asked to not bring younger children with them during field trips/excursions. The privilege of attending a field trip may be restricted by the teacher and/or principal due to disciplinary problems at school or lack of academic effort.

EXPULSION – See DUE PROCESS

Shall mean denial to a student to participate in any instructional and/or school activity for a period of time as determined by the school board, but in no instance shall expulsion extend beyond the end of the current school year.

FINES

Students who owe the school district money for book fines, repair costs, replacement costs and any other financial obligation will be held responsible for payment.

Textbooks are furnished by the district. Replacement costs will be expected for books damaged through inappropriate use or handling. Students should make teachers aware immediately of any damage to their textbook or any other school property. Lost books will be paid for based on actual value of the article.

iPads® damage is outlined in the technology handbook that each student must sign prior to being given a device.

FIRE DRILLS/TORNADO DRILLS/LOCKDOWNS

Fire, tornado and lockdown drills will be held on a regularly scheduled basis with procedures for each building to be announced the first week of school. Fire exits and tornado designated areas are posted in each classroom.

FOOD AND DRINK

Food and beverages other than water will not be allowed in students lockers or hallways. Water bottles will be allowed as long as they are in clear containers.

Gum may be chewed but teachers may use discretion in their individual classrooms if it becomes a problem.

School lockers are subject to search and any food or drink items that are not allowed will be discarded. Disciplinary actions may be imposed for repeat violations.

FORGERY

Students committing forgery involving all types of passes and/or parental excuse notes as well as false phone calls will be subject to consequences determined by the school administration.

FUND-RAISING PROJECTS

All fund-raising activities must have prior approval by the Garretson School administration. Staff and students are discouraged from bringing items to school for distribution or sale to other students and staff. The school will not accept responsibility for lost or stolen items/money.

GRADING SCALE

<u>%</u>	<u>Grade</u>	<u>GPA</u>
95-100	A	4.0
92-94	A-	3.67
89-91	B+	3.33
86-88	B	3.0
83-85	B-	2.67
80-82	C+	2.33
77-79	C	2.0

70-73	D+	1.33
68-69	D	1.0
65-67	D-	0.67
64 and below	F	0.0

A 0.33 weight will be added for Advanced Placement, Dual Credit and other college-level courses. The grade for the class will be inserted into the district grading scale and the corresponding grade point average will be entered into the student's transcript.

Ex. Student A receives a 92% in college level/AP class and the grade was an A due to it being in the college grading scale. It would be an A on our grading scale and with the .33 weight the GPA recorded to the Student A's transcript would be a 4.33.

*If the class is a locally offered AP class, the weight would only be added to the class if the student completed the entire year of the course.

Grades are available on the internet for parent's convenience. On the Garretson School homepage, click Parent/Student Portal. Call the school if you do not have an account.

HARASSMENT AND VIOLENCE POLICY

It is the policy of the Garretson School District that racial, sexual, religious/ ethnic harassment and violence will not be tolerated under any circumstances. We firmly believe that all persons are to be treated with respect and dignity. Harassment and violent incidents will be responded to in a manner that effectively deters future incidents.

Racial, sexual, religious/ethnic harassment and violence refers to unwelcome and unwanted behavior related to sex, race, religion, or ethnic group that makes the recipient feel afraid, embarrassed, helpless, angry or unsafe or upsets the recipient to the point that he/she cannot learn, cannot teach or be effective at school or at his/her job.

Harassment and violence is prohibited between staff members, between staff members and students, between students, and from members of the public directed at students or staff on school property or at school-sponsored events. Some examples of harassment and violence may include, but are not limited to: unwelcome patting, pinching, or physical contact; obscene gesturing or calling someone gay; ethnic or racial slurs; or threats, insults, or assaults against someone due to their sex, race, religion or ethnic group.

If a staff member or student feels that his/her emotional well-being, his/her sense of safety and security or sense of self-worth is being affected by such conduct, a complaint should be filed by contacting his/her school principal or by calling the school superintendent

HEALTH POLICIES – COMMUNICABLE DISEASES/MEDICATIONS

The Garretson School District does employ a full-time school nurse. The school nurse conducts hearing and vision screenings throughout the year at various grade levels, tracks student immunizations, is in charge of emergency response policies and procedures, and oversees the school health program. Screenings can be done on students throughout the school year upon parent or teacher request if suspecting a problem.

If your child becomes ill or is hurt during school hours (outside of minor scrapes and bruises), we will attempt to contact you. If we are unable to contact you, we will attempt to contact a person named by you on the **Garretson School Information Update Form** completed by you during the registration week. For serious injuries, an accident report will be completed by the school immediately following the injury and EMS will be activated.

Communicable Diseases

Rules for school attendance: When ill, students should not be sent back to school until they are vomit, diarrhea, or fever-free (without medication) for 24 hours.

Chicken Pox

The first symptoms include a slight fever, and feeling tired and weak. An itchy blister-like rash soon follows. The blisters become dry, crust over, and form scabs within 4 to 5 days. They may appear on the scalp, armpits, trunk and even on the eyelids and in the mouth. Cases must be excluded from school until all scabs are dry and there have been no new pox for two days.

Pink Eye

Symptoms include white or yellowish discharge from one or both eyes, tears, pain, swelling and reddening of the eyelids, matted eyelids after sleep, and sensitivity to light. In severe cases, infiltration of the cornea may occur. The illness may last from 2 days to 2-3 weeks. Child should be excluded from school and not return until seen by a physician and been on drops for 24 hours.

Common Cold

Common viral respiratory diseases can be characterized by fever and one or more cold symptoms such as chills, headache, body ache, weakness, and loss of appetite. Fevers greater than 100.4 should be excluded from school.

Ring Worm

Ringworm is a skin infection caused by a fungus that can affect the scalp, skin, fingers, toenails or foot by direct skin-to-skin contact with infected people or pets. Ringworm of the body appears as flat, spreading ring-shaped areas. The edge is reddish and may be either dry and scaly or moist and crusted. As it spreads, the center area clears and appears normal. Child should be excluded from school unless child has physician's written permit for re-entering. Infected area should be covered when child is in school.

Impetigo

Symptoms are characterized by pustule (crusted sore with oozing) appearing on face, neck and hands – occasionally on body. Exclude from school until all areas are healed (usually about one week) or until child has a doctor's written statement for re-entry.

Scabies

Scabies is a fairly common infectious disease of the skin caused by a mite. Scabies mites are transferred by direct skin-to-skin contact. Indirect transfer from undergarments or bedclothes can occur only if these have been contaminated by infected people immediately beforehand. The most prominent symptom of scabies is intense itching particularly at night. The areas of the skin most affected by scabies include the webs and sides of the fingers, around the wrists, elbows and armpits, waist, thighs, genitalia, nipples, breasts and lower buttocks. Symptoms will appear from two to six weeks in people who have not previously been exposed to scabies infestations, and within one to four days after subsequent re-exposures. Exclude from school until treated. Itching may still be present, and avoid physical contact with infested individuals and their belongings, especially clothing and bedding.

Head Lice

Lice can be found anywhere on the scalp but are heaviest behind the ears and just above the hairline along the nape of the neck. Head lice attach their eggs (nits) to human hair. Head lice transmission can occur during direct contact with an infested individual. Head lice cannot jump or fly. Head to head contact or sharing items of clothing, combs, brushes, hats, or headphones may also result in transmission. Shared surfaces such as pillows, mattresses, sleeping bags, cars seats, or upholstered furniture may also transmit head lice. Usually, the first indication of an infestation is the itching on the head. Scratching at the back of the head or around the ears should lead to an examination for head louse eggs (nits) on the hair, and can be spread as long as lice or eggs remain alive on the infested person. Medicated shampoos or cream rinses containing pyrethrin (Rid), permethrin (Nix), lindane (Kwell), or malathion (Ovide) are used to kill lice. Always shampoo twice, 1 week apart to kill all live and newly hatched lice. Nightly comb-through and nit-picking are required to remove all nits from hair, and stop the live cycle. Thorough cleaning should be done of household items including: vacuuming upholstered furniture and carpet; laundering clothing and bedding in hot water (130° F for 20 minutes) and drying on hot cycle or dry cleaning to destroy lice and eggs; soaking combs and brushes in hot water (130° F for 10 minutes). Anything that cannot be laundered should be sealed in a plastic bag for two weeks.

If live lice or evidence of nits is found on the student during the school day, the student will be required to go home for treatment. They are required to treat with medicated lice shampoo and do a thorough comb-through to eliminate nits that same day and/or evening and can return to school the following day if there are no live lice. If the student does not treat with medicated lice shampoo and continues to present to school with evidence of live lice and nits, the school will send the student home to be treated. The school reserves the right to check the students in question for lice until cleared and send them home as needed to reduce transmission.

Parents of Pre-5th grade students will be notified of the presence of lice via letter from school nurse. Parents of Middle and High school students are notified via phone, email, or letter if their student has lice.

Influenza

Influenza is highly contagious and is easily transmitted through contact with droplets from the nose and throat of an infected person who is coughing and sneezing. Typical flu symptoms include headache, fever, chills, cough and body aches. Intestinal symptoms are uncommon, and symptoms can occur within 1 to 3 days after exposure to an infected person. Good handwashing and hygiene and getting a flu shot annually are ways to prevent or lessen the severity of the flu.

MEDICATIONS POLICY

The following procedure will be followed for those students who take any medications while at school. Medication includes all prescription and nonprescription (over the counter) drugs.

1. Students in grades PreK-5 are not allowed to administer, or have in their possession any medications, including over the counter and/or prescription medications. They are required to fill out the medication and treatment authorization form and have a parent and physician signatures for any and all medications being administered while at school.
2. Students in grades 6-12 are allowed to self-administer 1 dose only of over the counter medication, only when it will not be a potential health risk to your child or others. Epi Pen, Auvi-Q, and inhalers are also allowed for 6-12th grade students if they have been instructed to self-administer. All medications must be kept on the student at all times and are not allowed in desks, backpacks, lockers, etc.
3. All prescription medication is required to be brought to the school office at the beginning of the day. Trained school personnel will be available Monday through Friday to administer medication. First dose of any new prescription medications must be given at home and can't be given at school.
4. Prescription medication must be in a pharmacy container with a label. The label is to include the following: student's name, date, dose, time of day the medication is to be taken, and the doctor's name. Ask your pharmacist to provide you with a second container for school use. Medication that comes to school in a container that is not a labeled pharmacy container will not be administered.

5. Over the counter medication administered at school by school staff must be in original labeled container. Medication that is not in original container will not be administered.

1. All medication to be taken in school must be accompanied by a Medication and Treatment Authorization Form. Extra forms may be obtained from the office or downloaded from the school website.
2. A daily log of medication taken by the student will be kept and overseen by school nurse.
3. In the event of a school-sponsored field trip, your child's medication may be sent with designated personnel in the amount to be administered during the activity, unless otherwise specified by the parent or guardian.
4. If medication is not picked up within 1 week after school is out, it will be destroyed.

HOME SCHOOL / ALTERNATIVE INSTRUCTION

ADMISSION OF NEW RESIDENTS AND STUDENTS FROM UNACCREDITED SCHOOLS

Grade placement shall be the responsibility of the principal. In general, pupils transferring into the system from accredited schools will be placed in the same grade level as in the school from which they transferred.

The Principal will consider the following when placing a student in grades K-8 from an unaccredited school:

- A Standardized achievement test may be administered to the transfer student. The administration and evaluation of the test will be carried out by the principal or other designated staff.
- The student's initial placement may not be in a grade level higher than warranted by the student's chronological age assuming entry into the first grade at age six (6) and annual advancement thereafter. After initial placement the student may be advanced according to his demonstrated performance.

Credit shall be accepted for students in grades 9-12 from schools accredited by the SD Department of Education or other parallel state accrediting agency. Initial, temporary placement in high school courses will be based on an interview with the Principal until it is determined which courses the student needs in order to satisfy graduation requirements of the Garretson School District and the State of South Dakota. High School credit may be granted for courses taken from an unaccredited school based on the following criteria:

- Placement in, and credit awarded for Mathematics and English coursework will be determined by the level of achievement demonstrated the student on a standardized achievement test, criterion-referenced achievement test or appropriate end of course exam as determined by the Principal.
- Placement in, and credit awarded for other classes may be determined by a combination of end of course exam / departmental exam, interview with the student conducted by the Principal and/or appropriate classroom teachers and a review of completed work.
- Credit will not be granted for any lab science course, unless the student is able to pass the end of course / departmental exam and is able to provide documentation of completion of lab experience which is parallel to and consistent with requirements in the District's science course.

Only students who have completed at least six semesters in a state-accredited school will be considered for academic honors related to the student's Grade Point Average (GPA). In order to receive a diploma from Garretson High School, students who have completed at least a portion of their high school experience in an unaccredited school must meet all of the Garretson School District graduation requirements and be enrolled as a full time student the entire senior year

HONOR AND MERIT ROLL—GRADE POINT AVERAGE SCALE

The Honor and Merit Roll will be computed at the end of each quarter. Only those courses that are considered to be full credit classes will be used in computing grade point averages. Grade point average will be computed on a 4.0 scale:

See **GRADING SCALE** to see grade point average calculation.

To be recognized for the Honor Roll, a student must average 3.67 for the quarter in all subjects. To be recognized for the Merit Roll, a student must average 3.0 for the quarter.

IMMUNIZATIONS AND BIRTH CERTIFICATES – NEW STUDENTS

South Dakota Codified Law 13-28-7.1 (Rev. 2016) requires that any pupil entering school or an early childhood program in this state shall, prior to admission, be required to present to school authorities certification from a licensed physician that the child has received, or is in the process of receiving, adequate immunization against poliomyelitis, diphtheria, pertussis, rubeola (measles), rubella, mumps, tetanus, meningitis and varicella (chickenpox), according to the recommendations of the State Department of Health.

This law applies to ALL children entering a South Dakota school district for the first time. This would include children in early intervention programs, preschool, as well as kindergarten through twelfth grade. Children under 4 need to be age-appropriately immunized.

Minimum immunization requirements for kindergarten through twelfth grade are defined as receiving at least:

1. Four or more doses of **diphtheria, pertussis and tetanus containing vaccine**, with at least one dose administered on or after age 4. Children 7 years or older needing the primary series only need three doses. Children receiving six doses before age 4 do not require any additional doses for kindergarten entry. The maximum a child should receive is six doses. If a child 7 years or older has an incomplete DTaP primary series, please contact the Department of Health for assistance.
2. Four or more doses of **poliovirus vaccine**, at least one dose on or after age 4. *(Although not the recommended schedule - If a child has three doses of polio with the third dose administered on or after the age of 4 and at least 6 months after the second dose, no other doses are required.)*
3. Two doses of a **measles, mumps, and rubella vaccine (MMR or MMRV)**. The minimum age for the first dose is 12 months. Administer the second dose routinely at age 4 through 6 years. The second dose may be administered prior to age 4 provided at least 28 days have elapsed since the first dose.
4. Two doses of **varicella vaccine (Varicella or MMRV)**. The minimum age for the first dose of varicella (chickenpox) vaccine is 12 months. History of disease is acceptable with parent/guardian signature. Administer the second dose routinely at age 4 through 6 years. The second dose may be administered prior to age 4 provided the minimum interval between the two doses is 3 months.

REQUIREMENTS FOR 6TH GRADE ENTRY:

5. One dose of **Tdap** is required for 6th-grade entry **IF** the child is 11 years old. If the child is 10 years old when entering 6th-grade they have **45 days** after their 11th birthday to receive the Tdap vaccination. If a child has a contraindication to Tdap, Td is acceptable. If a child aged 7 through 9 years receives a dose of Tdap as part of a catch-up series, an adolescent Tdap vaccine dose **must** be administered by the 45th day following the child's 11th birthday. A dose given at age 10 will count for the 6th grade Tdap requirement. If a child 7 years or older has an incomplete DTaP primary series, please contact the Department of Health for assistance.
6. One dose of **meningococcal vaccine (MCV4)** is required for 6th-grade entry **IF** the child is 11 years old. If the child is 10 years old when entering 6th grade they have **45 days** after their 11th birthday to receive the meningococcal vaccine. If a child receives a dose at age 10 or after, the dose does not need to be repeated.

NOTE: Hib, Hepatitis A, Hepatitis B, HPV, annual Influenza, and Pneumococcal vaccines are recommended but not required.

ICU - INTENSIVE CARE UNIT

Garretson Middle School and High School has implemented the Power of ICU program during the final 20 minutes of each class day. The purpose of this program is to create accountability with students in the middle school and high school. ICU provides a time for students that may require more individualized instruction to work with teachers in the specific content areas requiring attention. ICU is not optional for students. They are assigned to ICU by teachers on an "as-needed" basis. That being said, ICU is also not a disciplinary tool, rather it's a time for students to be able to have the guidance they may require to be more successful in the classroom.

Students that have a missing assignment, unsatisfactorily completed assignment, poor quiz or test grade, etc. MAY be assigned to ICU by the teacher of the class in which it occurred. The student reports to that teacher during the ICU time at the end of the school day to work toward remedying the issue. GMS/GHS students that have their work completed at quality levels are free to leave school at the beginning of the ICU period.

If a student misses or skips an ICU assignment, they will be required to attend a morning ICU session the next day. If missing or skipping ICU becomes a habitual occurrence, students will be referred to the principal.

INJURIES

Students are encouraged to play safe and avoid injuries, but if injured, the student should report any injuries, no matter how small, to the teacher in charge or to the office. This is especially important for insurance purposes.

INTERNET POLICY

Student Use of Computer Networks:

The Superintendent shall encourage use of local and wide area networks for improvement of instruction and in-district communication. The computer and its abilities to connect with other sites worldwide should serve as an enhancement to teacher-led instruction within the classroom.

The administration is directed to develop regulations that insure proper use of District networks and the Internet by students and members of the community.

The use of the School District's network and its connection to the Internet is a privilege, not a right. Guidelines are provided to make students aware of the responsibilities associated with efficient, ethical and lawful use of network resources. If a student violates any of these provisions, his or her account and privileges may be terminated, future access through School District facilities may be denied, and the School District's discipline policies shall be applied. Students or their parents or guardians will be required to compensate the District for any damage done to the network and/or hardware.

The School District shall make every effort to restrict access to inappropriate materials; however, it is impossible to control all materials on a global network. Therefore, the District shall not be liable for the content of viewing of any materials not prepared by the District.

Rules of Network Use:

Use of the School District network facilities may only be made in conformance with this regulation and the Acceptable Use Agreement signed by the student. Network users are expected to abide by generally accepted rules of network etiquette.

The student will:

2. be responsible for all use of the network under his/her account, regardless of whether access is gained with or without the student's knowledge and/or consent;

Any use identified as a security risk or having a history of problems with other computer systems may be denied access to Internet or other District networks.

Intentional damage to equipment or software or any intentional attempt to harm or destroy data of another user on the Internet or any other network may result in the cancellation of computer privileges and the District's discipline policy shall be invoked. The vandal or his/her parents/guardians will be responsible for damages or the cost of correcting the problem. Any student who does not follow the proper usage of the Garretson School Computer Network and Internet as communicated in the Acceptable Use Agreement will be subject to consequences that will be determined by the administration.

LIBRARY

Library Books – The school library, community library, and bookmobile all operate under Siouxland Library System. It is the responsibility of the students to return library books on time and in good condition. Parents are notified of overdue books through automated phone calls and emails. Replacement costs for library books that are damaged or not returned will be issued to parents if necessary. As a convenience, books may be returned to any Siouxland Library, not just the library in which a book was checked out.

Students who would like to use the library may do so with permission from a teacher accompanied with a signed hall pass. Students must maintain appropriate behavior in the library or will be asked to return to their class.

The following rules apply to use of the library:

1. Current magazines may not leave the library.
2. All materials must be personally checked out by the student using those materials. The student is responsible for retuning the materials in the same condition they were loaned.
3. Reference books (which include encyclopedias) may not leave the library because of their high cost and needed availability in the library at all times.
4. Students with overdue materials may not check out additional materials. Students with outstanding fines have no library privileges until the fines are paid and the book(s) are returned or renewed.
5. Students are responsible for any materials checked out to them and will be required to pay the replacement cost plus \$1.00 processing fee for any lost or damaged items. In the event the item is returned later, the replacement cost minus fines and processing fee will be refunded.
6. No students, except library aides, are allowed behind the counter or in the Audio Visual room in the library.

- Students with a balance that is too low to purchase a regular meal cannot eat the regular meal until money is deposited into their lunch account. Students will be offered an alternative meal consisting of a sandwich, fruit and vegetable bar and milk at no charge. After it is determined that the usual methods to collect the money owed the district have failed, then action will be taken to collect in small claims court

The Garretson School District does not allow the delivery of food or beverages from outside vendors or fast food establishments for a student or an adult's breakfast or lunch meal. All meals are to be provided by the district's school food service or a prepared meal from home.

PUBLIC COMPLAINTS ABOUT SCHOOL PERSONNEL, FACILITIES & SERVICES

Constructive criticism of the schools is welcomed by the Garretson School District when it is motivated by a sincere desire to improve the quality of the education program and to help the school personnel in performing their tasks more effectively. The Public Complaints from policy can be found here:

Public Complaints About School Personnel or Procedures

PUBLIC PARTICIPATION AT BOARD MEETINGS

The Board welcomes citizens of the district to attend its sessions so they may become better acquainted with the operation and programs of the school. The Policy for Public Participation at Board Meetings can be found here:

Policy for Public Participation at School Board Meetings

SCHOOL COUNSELOR SERVICES

School counseling services are provided throughout the Garretson School system to help each student develop toward social, emotional, and intellectual maturity. In addition to the school counseling offices available to students, it is our philosophy that any individual involved in the supervision of students should render positive and constructive help to any student within the school at any time the activities of the student indicate that he or she is not working for the improvement of him/herself or for the welfare of his or her fellow students.

Our school counseling program provides individual and group counseling, career guidance and the district wide testing program under the direction of the district guidance offices.

Students should feel free at any time to ask for the help of the school counselor with their problems with the assurance that confidentiality will be maintained. The counselor will assist the individual student in discovering why he or she is unsuccessful in school work, what favors are producing financial, emotional, social or family difficulties, and will help to find ways of altering the unsatisfactory conditions to the advantages of the individual, and help the student to explore the various alternatives.

SCHOOL CLOSING POLICY BECAUSE OF INCLEMENT WEATHER

The superintendent may close the district schools or dismiss them early when hazardous weather or other emergencies threaten the health or safety of students and personnel. When this happens, the school will use a variety of tools to communicate relevant information to the public, including the school's website, automated messaging system, social media and local media outlets.

In the event of school closure due to weather, all school practices and events will be cancelled, with the exception of district, region and state level events. In those cases, the superintendent will make the decision to travel in conjunction with school officials hosting the event. In the case of cancelled or postponed activities, the superintendent or activities director will post those schedule changes on the school's website and social media to announce the schedule change.

SENIOR PRIVILEGES

It shall be understood and accepted that with "Senior Privileges" goes a corresponding emphasis on "senior responsibilities!" The primary purpose of Senior Privileges is to bridge the responsibility gap between high school and college, vocational school, or other post-high school endeavors. Other reasons may include: (1) as an incentive to maintain or improve grades in each subject; (2) as an opportunity to work part-time in planning for post-high school expenses; (3) to help at home as time permits; (4) to assume greater responsibility for using unscheduled time wisely. Seniors who meet eligibility requirements will not be required to be present during their study hall period or over the noon hour. Seniors will be permitted to leave the building promptly at the beginning and for the duration of the study hall period - NO LOITERING. A parental permission letter will be sent home with eligible students and must be returned with permission for Senior Privileges to be granted. With this parental permission, students will be allowed to drive motor vehicles or ride with others during the school day.

Revocation of Senior Privileges: As stated above "Senior Privileges" go hand-in-hand with "senior responsibilities!" Senior privileges are just that – privileges– not rights. Senior privileges may be revoked at any time for reasons involving academic matters, violations of school policies, etc. Students will be informed of the reason and duration of time privileges are lost if and when they are revoked. The duration of the revocation of said privileges is at the sole discretion of the administration.

It is the sole responsibility of the student to know whether or not they have had their privileges revoked. Unexcused absence from school while privileges are revoked will result in termination of privileges for that individual.

SEMESTER TESTS (ASSESSMENT)

Student assessment is a pivotal piece to the measurement of school success. Student assessment is a means to set targets for student achievement, focus staff development, provide for instructional accountability, and encourage curriculum reform.

All teachers at the high school level at Garretson School will be required to assess student performance in their classroom on a semester basis using a semester examination or test. Each teacher will be responsible for assessment of student performance at the course level or grade level during the semester.

The post-semester assessment will be used to determine a semester grade as follows:

Two nine weeks grades – 4/5

Semester examination – 1/5

A student must have passing grades in at least two (2) of the three (3) major grades offered in a course during a semester. These two passing grades do not guarantee a student will pass the course if the average of these grades is failing.

(A major grade includes two (2) quarter grades and the post-semester exam grade.)

Teachers will be responsible to hand in semester exams for each course taught in the semester to the principal. A semester test schedule will be created to provide equitable test distribution.

SEMESTER TEST PROCEDURES: (All students 9-12)

All students in grades 9-12 will take semester tests in all classes in both the 1st and 2nd semesters.

SPECIAL EDUCATION

In order to provide appropriate educational opportunities, special education programs are available for student's ages 0-21. Resource rooms enhance the regular classroom instruction. Speech, language, and occupational and physical therapies are available. Services outside the district are provided when all necessary special education criteria are met. (The "Comprehensive Plan for Special Education" is on file with the principal.) Parents are encouraged to contact their child's teacher or the school administrator with their child's academic concerns or if they think an evaluation for special services would be helpful.

SDCL 13-32-4.2. In case of a suspension by the superintendent for more than ten school days, the pupil or his parents or others having his custodial care may appeal the decision of the superintendent to the board of education. Any suspension by a principal shall be immediately reported to the superintendent who may revoke the suspension at any time. In event of an appeal to the board, the superintendent shall promptly transmit to the board a full report in writing of the facts relating to the suspension, the action taken by him and the reasons for such action; and the board, upon request, shall grant a hearing to the appealing party.

No pupil may be suspended unless: (DUE PROCESS)

1. The pupil is given oral or written notice of the charges against him;
2. The pupil is given an oral or written explanation of the facts that form the basis of the proposed suspension; and
3. The pupil is given an opportunity to present his version of the incident.

In the event of a suspension for more than ten school days, if the pupil gives notice that he wishes to appeal the suspension to the board, the suspension shall be stayed until the board renders its decision, unless in the judgment of the superintendent of schools, the pupil's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process, in which case the pupil may be immediately removed from school, and the notice and hearing shall follow as soon as practicable.

1. **Short-Term Suspensions** shall mean suspensions for a period of ten (10) school days or less. A school principal shall have authority to invoke a short-term suspension. However, a conference involving the student, principal, and one or both parents shall be held before the student is readmitted.
2. **Long-Term Suspensions** shall mean a suspension for a period of eleven (11) school days or more. Long term suspensions may be ordered only by action of the Superintendent. A formal hearing involving the student, principal, one or both parents, and the Board of Education may be held before the student is readmitted.
3. **In-School Suspensions** shall mean a suspension up to five (5) days to be served in the school building in the central office.
4. Three or more suspensions will result in automatic referral to the Board of Education for consideration of long term suspensions or expulsion.
5. All daily work shall be made up on suspensions days.
6. In the event a student discontinues enrollment and later re-enrolls within the same school year, any suspensions(s) received by the student during the first enrollment period shall be in effect during the second or subsequent enrollment period(s) within the same school year.
7. Any student on a full day suspensions will not be able to participate in any co-curricular or extra-curricular activities and/or practices for that day or evening.
8. **Regulations regarding special education** - See the "Comprehensive Plan for Special Education".

The phone in the school's central office is available for student use before school, at noon and after school. The phone should only be used for essential communication between students and parents at these times.

TRANSFERRING OUT OR WITHDRAWING

1. The office will give the student sign-out sheet which he or she must present and have signed by each of his or her teachers, showing the student has returned all school property.

4. No confirmation regarding the status of a student will be released until all obligations have been satisfied. These obligations include rental fees, fines for lost or damaged books and equipment, unreturned books and equipment.

VISITATION

We encourage parents to visit our classrooms. Children are eager to share their school experiences and want parents to show interest in their school life. Please call the teacher and make arrangements to visit whenever possible.

If a student from another school visits a classroom, arrangements must be made prior to the visit. We require that ANYONE coming to school during the school day report directly to the school office and receive a visitor sticker. Please do not proceed to any area of the building or playground until the office is aware of your presence. We ask that when leaving the building, visitors stop into the office as well. This is for your child's safety and also to prevent any disruption of classroom learning time.

VOLUNTEERS

Volunteer help is always welcomed at Garretson School. If you are interested in helping out at school, please inform your child's teacher unless working under direct supervision of a staff member, volunteers will need a background check to volunteer at Garretson School. This includes those involved with the mentoring program.
