

SCHOOL DISTRICT MISSION
(Comprehensive School Improvement Plan)

The mission of the Golden City R-III School District is: Golden City Schools are dedicated to education students in atmosphere where they can develop and use their abilities to the fullest extent possible. The district enters into a partnership with parents and the community to help the students it serves become productive individuals in society.

The district has a Board-approved Comprehensive School Improvement Plan (CSIP) guided by the mission statement and based on the district's fundamental beliefs about teaching and learning. This plan serves as the district's foundation for allocating resources, developing policies and procedures, and selecting and implementing instructional programs designed to raise student achievement.

The CSIP was developed through the combined efforts of Board members, staff, administrators, students, parents/guardians and community members and is ongoing. Goals, outcomes or objectives are provided in sufficient detail to direct the improvement efforts of the district for at least a five-year period. The CSIP is evaluated and updated as necessary.

A copy of the district's CSIP is available in the superintendent's office.
