

August 13, 2014

Mr. Wroblewski,

As I feel my ability to effectively serve as an assistant coach of the North Central boy's basketball team has been severely compromised by recent events, I must respectfully decline any decision to reinstate me to that position. This is not a decision I came to hastily. I have enjoyed my five seasons coaching the Knights. I wish them nothing but success in the future.

Sincerely,

A handwritten signature in cursive script, appearing to read "Michael Buchanan", written in dark ink.
