

## ABOUT THE EVIDENCE-BASED HOME VISITING MODEL

The Parents as Teachers Evidence-Based Home Visiting Model is the comprehensive home-visiting, parent education model used by Parents as Teachers Affiliates. The model provides services to families with children from prenatal through kindergarten. Affiliates follow the essential requirements of the model, which provide minimum expectations for program design, infrastructure, and service delivery. Parents as Teachers provides support for affiliates to meet those requirements as well as further quality standards that represent best practices in the field.

## THERE ARE FOUR DYNAMIC COMPONENTS TO THE PARENTS AS TEACHERS MODEL:

- Personal Visits
- Group Connections
- Resource Network
- Child Screening

## TOGETHER, THESE FOUR COMPONENTS FORM A COHESIVE PACKAGE OF SERVICES WITH FOUR PRIMARY GOALS:

1. Increase parent knowledge of early childhood development and improve parent practices
2. Provide early detection of developmental delays and health issues
3. Prevent child abuse and neglect
4. Increase children's school readiness and success

The Parents as Teachers model for providing services to families with children from the prenatal period to kindergarten has been tested by rigorous peer-reviewed studies and shown to produce results. Affiliates follow the essential requirements of the model, which provide minimum expectations for program design, infrastructure, and service delivery. Parents as Teachers provides support for affiliates to meet those requirements as well as further quality standards that represent best practices in the field.
