The counselor is available to assist students individually or in groups. Guidance is the function of every teacher, staff member and principal. Services will include assistance with educational planning, interpretation of test scores, careers, study helps, school and/or social concerns.

The testing program will consist of the ACT, KSA tests at the end of 10th and 11th grades, Advanced Placement, and End of Program (EOP) for CTE pathways.

GCHS GRADUATION REQUIREMENTS

32 credits are required for all graduating classes

All seniors are required to meet college and/or career readiness to fulfill graduation requirements. Any senior that is not considered college and/or career ready by the last six weeks of school, will be required to complete a senior project.

ADVANCED PLACEMENT

GCHS offers many AP classes. We encourage all students to take the AP exam at the end of the class. A score of 3 or higher is a qualifying score which could earn the student college credit.

DUAL CREDITS

POSTSECONDARY READINESS

The Kentucky Department of Education requires that all schools assess students to determine if they are college and/or career ready. Students are required to complete various assessments including, but not limited to ACT, KYOTE, KOSSA, WorkKeys, and any other test deemed appropriate by the BAC (Building Assessment Coordinator).

AWARDS AND HONORS

Honor roll listings are released every twelve weeks which is the end of the trimester. Any student receiving a perfect GPA of 4.0 will be placed on the Distinguished Honor Roll. A student with a GPA of 3.5-3.999 will be placed on the Honor Roll.

- Students can earn for KSA testing: 2 points for distinguished, 1 points for proficient.
- If a class has a student in the Craft/Gatton Academy those students will be considered as a candidate for Valedictorian. If there are two or more students attending the Craft/Gatton then the student with the highest score will be considered for valedictorian for those programs.

The student with the highest sum from the calculation will be deemed Valedictorian and the student with the second highest sum will be deemed Salutatorian.

If there is a tie for valedictorian, there will be co-valedictorians and a salutatorian.

If there is a clear valedictorian and a tie for salutatorian, there will be co-salutatorians.

If the class with a student attending Craft/Gatton has a student with the highest score then GCHS will have co-valedictorians and a salutatorian.

COLLEGE ADMISSION TEST

The ACT and SAT are admission exams for most colleges or universities. Students should plan on taking these tests on the June testing date (of their junior year) and no later than December of their senior year. The ACT is administered in September, October, December, February, April, June and July. The SAT is administered in October, November, December, March, May and June. GCHS is an ACT test site for most national test dates. Please see the ACT website for further information. *The ACT is now a mandatory test for all juniors and the test is funded by the state.*

COLLEGE VISITS

Seniors are allowed to take two days of their senior year for college visits. The following guidelines apply to college visits:

1. Students must submit the request for visits at least 48 hours in advance of their visits

2. The student must have taken the ACT/SAT.
3. No visit may be taken after May 1.
4. Written permission from the parent must be given if the student is under the age of 18.
5. College visits count as an excused day of absence.
6. Upon returning from the institution visited, the student must submit verification from the school of the visit.

CREDIT

One half (1/2) credit per term may be granted for the successful completion of any course in grades 9-12. If a student does not receive one half credit per term for a required class, the required course must be retaken.

Students cannot receive credit for a course already passed or a course in which they have received prior credit.

When a student retakes a class previously failed and passes that class, the passing grade will replace the failed grade on the transcript. An exception will be those classes for which you can earn multiple credits such as band, chorus, vocational school, etc. The failed grade will be removed from the transcript prior to the completion of the student's senior year.

CO-CURRICULAR & EXTRA-CURRICULAR PARTICIPATION

Students will be able to earn required PE credit for satisfactory participation in extracurricular activities or marching band.

ENROLLMENT/TRANSFER STUDENTS

A student transferring to GCHS from another accredited high school must meet all graduation requirements of the Commonwealth of Kentucky's State Board of Education and the Garrard County Board of Education to graduate. All academic credits from other accredited high schools will be transferable as long as the credit is equal to credit earned at GCHS. Students enrolling in courses at GCHS that were not part of their current schedule at their previous school are in danger of receiving no credit for these courses at GCHS. Student's previous credits will be transferred using a sliding scale to make previous enrollments equitable to current GCHS graduation requirements.

A student transferring into GCHS may be placed temporarily without records. Upon enrollment, the student must furnish the following information according to state mandated timelines: immunization, health/physical, birth certificate and TB test results. Failure to comply will require removal of the student from school.

A transfer student is responsible for attendance verification. The student must

live or reside with parents or with a person having legal guardianship or custody papers and/or legal documentation.

HALF YEAR/PART-TIME STUDENTS

Only those students, who are in their fifth year of high school and require three (3) credits or fewer to graduate, may be eligible for part-time status.

ALTERNATE DIPLOMA PROGRAM

When an ARC determines that the severity of an exceptional pupils' disability precludes a course of studies leading to receipt of a diploma, an alternative program will be offered. This program will be based upon pupil needs as specified in the IEP and will be reviewed annually.

REPORT CARDS

All calls will be made at the end of each grading period to notify parents/guardians that grades are ready to view via Infinite Campus. The final yearly report card will be mailed home.

SCHEDULING OF STUDENTS

1. All students will be in attendance for seven (7) hours.
2. Minimum load for a full-time student shall be 15 classes.
3. To graduate from GCHS, a student must be in attendance for 4 years. Exceptions only through the Board of Education.
4. Scale for computing G.P.A.: A = 4 points, B = 3 points, C = 2 points, D = 1 points, F = 0 points.
Weighted G.P.A. will be used for in-house purposes only.
5. Promotion requirements: All students are promoted to the next grade level regardless of credit number. Each student is required to make up lost credit the following year through the Virtual program. To participate in graduation a student must have 32 credits, met the state requirements, and fulfill all GCHS graduation requirements. Students cannot participate in graduation until all requirements are met and fees are paid.
6. Grading scale: 90-100 = A; 80-89 = B; 70-79 = C; 65-69 = D; Below 65 = F.
7. Students may change schedules prior to the opening day of school. Classes may not be dropped or added after the third day of each trimester. Personality conflict with a teacher or student is not an acceptable reason for schedule change. Failing grades are not an acceptable reason for a change in a student's schedule. Any and all class change requests must meet the student's career pathway.

SRO (SCHOOL RESOURCE OFFICER)

SRO (SCHOOL RESOURCE OFFICER The SRO, a sworn deputy sheriff employed by the Garrard County Sheriff's Office, works closely with the administration and staff to provide police services to GCHS. The SRO provides for a positive interaction for the students. The SRO also provides law enforcement services, teaches law-related curriculum, community resources liaison, and provides informal advising to students based on life and police experiences. The SRO also assists with safety, security, emergency management, and crime prevention programs with the school district. Students may call anonymous to The Crime Tip Line to leave tips about crime, bullying, and school safety. Crime Tip Line 1-888-839-9115)

TRANSCRIPTS

Transcripts are available through the counselor's office to students who have a release on file. We ask that you be reasonable with your requests for transcripts. Students must sign up in the counselor's office to have a transcript prepared. A day's notice must be given for any transcripts requested. A final transcript will be available approximately one week after graduation. Seniors need to inform the counselor via parchment as to where a final transcript will need to be sent electronically.

WITHDRAWAL FROM SCHOOL

Any student wishing to withdraw from school must see the principal. They must then report to the counselor's office to complete the necessary paperwork. Students must also clear any debts they owe the cafeteria, library, and school. Chromebooks and cords must be returned to the LMC.

WRITING PLAN, POLICY & PROCEDURE

The writing plan requires students to complete a formal writing piece in each class. Students must show the writing process and progression along with final drafts. The English Department will create a Google classroom for students to upload writing pieces. Students will upload all formal pieces which will stay with the school until graduation

PLAGIARISM

Research Integrity Policy

Rationale

We at Garrard County High School understand and value the concept of intellectual property. Therefore, we strive to teach students the ethic of responsibly documenting the ideas of others in all formats. To do so, we believe

that we must not only teach the ethics and mechanics of documentation, but we must also hold students accountable for the ethical use of the ideas and words of others. Therefore, all teachers will provide the instruction and scaffolding necessary for students to use research ethically. All students are expected to exercise good faith in the submission of research-based work and to document accurately regardless of how the information is used (summary, paraphrase, and quotation) or regardless of the format used (written, oral, or visual). Plagiarism, in any form, is unethical and unacceptable.

Academic Integrity

Cheating involves one or more of the following actions, including, but not limited to:

- use the work of another person as your own.
- copy or give information for any assignment or assessment from any source including, but not limited to another student or the Internet.
- fail to follow test procedures or instructions as outlined by the teacher (including, but not limited to: no talking, no turning around in the seat, no electronic devices, raise a hand to ask questions, etc.).
- use electronic means of communication while taking assessments, including, but not limited to texting, twitter, Instagram, photos, etc.
- prepare for cheating in advance or to have knowledge of an assessment in advance.
- plagiarize: plagiarism means using another person's idea, expression, or words without giving the original author credit. Inappropriate use of the internet or other sources to obtain information and then use it verbatim or paraphrase it without credit given to the author is cheating.

First offense – students will be given a zero and parents will be notified of the incidence.

Second offense – students will be given a zero and shall receive BMC.

Third offense and thereafter - same as Second offense. .

GCHS ATTENDANCE CRITERIA

Absences and Excuses Pupils are required to attend regularly and punctually the school in which they are enrolled. Recording of absences and tardies shall be made in compliance with the requirements of 702 KAR 7:125.1

TRUANCY DEFINED

Any student who has attained the age of six (6), but has not reached his/her eighteenth (18th) birthday, who has been absent from school without valid excuse for three (3) days or more, or tardy without valid excuse on three (3) days or more, is a truant. Any student enrolled in a public school who has attained the age of eighteen (18) years, but has not reached his/her twenty-first (21st) birthday, who has been absent from school without valid excuse for three (3) or more days, or tardy without valid excuse on three (3) or more days, is a truant. Any student who has been reported as a truant two (2) or more times is an habitual truant For the purposes of establishing a student's status as a truant, a student's attendance record is cumulative for an entire school year. When students transfer from one Kentucky district to another, attendance information from the previous district shall become part of their official attendance record for that school year.

TARDINESS DEFINED Tardiness is defined as not being in the assigned area at the time designated. It includes being late to homeroom, class, library, and other school activities or leaving school before classes are dismissed. Excessive unexcused tardies may result in the student being assigned to the Alternative Education program or being suspended. For complete information concerning the high school tardy policy, refer to the handbook for students in grades nine through twelve (9-12).

EXCUSED ABSENCES An excused absence or tardiness is one for which work may be made up, such as:

1. Death or severe illness in the student's immediate family,
2. Illness of the student.
3. Religious holidays and practices approved in advance by the Principal,

4. Family emergencies requiring immediate attention, as approved by the Principal,

Parents/guardians should contact the school at least five (5) days prior to pre-planned absences for determination if the

absence will be excused or unexcused. The Principal will make the final determination after reviewing all documentation. If needed, the Principal may request additional supporting documentation. Because the decision rests with the Principal, absences may be handled differently from school to school. Any twelfth (12th) grade student who has accumulated ten (10) unexcused absences (absent days) will not be allowed to participate in high school graduation ceremonies. Any time period in which a student withdraws from school or has a late enrollment will also be considered as an "unexcused absent day" from the school year. Make-up work must be completed within two (2) days unless an extension is granted due to extenuating circumstances. Classwork that is not made up will receive a grade of zero. Students shall meet regular deadlines for culminating events (tests, projects, etc) as set by classroom teachers, but will be able to make-up all other work without penalty. (ie. If a student misses school on Monday and there is a test scheduled on Tuesday, the student shall take the test on Tuesday. If a student misses school on Monday, assignments for this absence are due on Wednesday)

In order to assist students in keeping up with classwork while absent, these procedures must be followed to obtain assignments:

Parent Excused Absences: A student returning to school after an absence may bring a note within five (5) days signed by his/her parents/guardian.

Parent/guardian excuses are accepted for six (6) absences and six (6) check in/out tardies each school year. Any absence or tardy event due to medical reasons in excess of twelve (12) health care provider's notes will require the presentation of the Medical Excuse Form (09.123 AP.2) before the absence will be excused. After twelve (12) days of absence/tardiness in a school year for medical reasons, the Medical Excuse Form shall be completed in order for the student to receive additional medical excuses. The Medical Excuse Form is available at each school, the office of the Director of Pupil Personnel, on the official District website, and at parent request. Medical reasons after twelve (12) absences will be considered for excuse by the Principal ONLY if the Medical Excuse Form is presented.

APPEALS COMMITTEE

At the beginning of each school year, the Principal shall establish an Appeals Committee consisting of the Principal/designee and four (4) additional faculty members.

ATTENDANCE REVIEW COMMITTEE

Each school will establish an attendance committee to provide oversight of school attendance procedures and to hear student and parent appeals concerning absenteeism. The high school and middle school attendance review committee will consist of the Truancy Diversion Program committee members. The elementary school attendance review committee will consist of the principal, counselor, attendance secretary, school nurse and the Director of Pupil Personnel.

POSITIVE BEHAVIOR INTERVENTIONS & SUPPORTS

(PBIS):

Positive Behavior Interventions & Supports (PBIS) is a program supported by the Garrard County School System to promote and maximize academic achievement and behavioral competence. It is a school-wide strategy to help all students achieve important social and learning goals. We know that when good behavior and good teaching come together, our students will excel in their learning. We are proud to be a part of this initiative.

As part of the PBIS program, we have established several clear rules for the behavior we expect in all areas of our campus. We will teach those expectations to the students and reward them frequently for their acceptable behavior. The expectations for all student behavior will be clearly posted throughout our building and our campus. Our school rules specifically define acceptable behaviors, which provide for a safe school environment and give more time for instruction. We will apply consistent consequences and positive reinforcement for all students. By detailing expected behavior and teaching them to students in a positive way, we will provide a common language for everyone in our building, including students, teachers, front office staff, and our paraprofessionals. We believe that by helping students practice good behavior, we will be building a school community where all students have an environment where they can succeed and grow.

DISRUPTIONS, DEMONSTRATIONS, WALKOUTS, AND STRIKES

Demonstrations, marches, or other disruptive activities (unnecessary announcements, meetings, etc.) that would disrupt the planned instructional day will not be permitted in school or on school property.

DRILLS

Drills are held in accordance with state guidelines. Each room has a specific pattern of evacuation. Every student and teacher should be familiar with any room they occupy. All alarms are to be followed unless the personnel in the office indicate otherwise by means of the intercom. All students with an IEP and 504 will have the appropriate accommodations when the drills occur.

GUIDELINES FOR CLUBS AND STUDENT ORGANIZATIONS

1. The major purpose of all school-sponsored clubs and organizations is to promote a greater degree of learning and knowledge among the associated students and to provide the opportunity for students to learn how to organize and properly handle situations, as they relate to the well-being of the group and school.
2. Only those clubs and organizations expressly sanctioned by the school system can meet, organize, or conduct business on the school property.
3. All school clubs and student organizations must have a sponsor who is a member of the school faculty before they will be permitted to function.
4. Club and student organization sponsors have the same responsibility and authority in controlling the behavior and activities of the club or organization they sponsor, as they have in the classes they teach.
