BOARD OFFICER ELECTION PROCEDURE

Voting for School Board officers shall normally be done by secret ballot. The officers shall be elected in the following order: President, Vice-President, Treasurer, and Clerk.

The current Board President shall have the duty of presiding over the election of officers, unless he/she is no longer on the Board, in which case the Board shall appoint a temporary chair by majority vote for purposes of presiding over the election of officers. The Board President or other presiding officer shall appoint a member of the District staff to count any paper ballots used in connection with the election process and shall then confirm with the School Board the method of voting that will be used to elect officers. The election process, to be repeated as many times for each office as necessary to elect the officer, shall be as follows:

1. The current Board President or other presiding officer shall make a call for nominations for the officer position to be elected. Any Board member may nominate any eligible person for the office, including him/herself. Multiple nominations can be made and voted on by secret ballot.

Nominations need not be seconded. Additional nominees (including nominees who previously declined nomination or who withdrew from consideration during a prior round of voting) may be added prior to each new round of voting for the office, if such additional rounds of voting are needed.

2. The nominees (or any new nominee(s) added in a subsequent round of voting) shall be asked to accept or decline the nomination. If a nominee accepts the nomination, his/her name shall be included in the vote(s) for the officer position in question until such time as he/she may withdraw his/her name from consideration. If a nominee declines the nomination, his/her name is not included in the vote(s) for the position.
3. Once the nominees for the particular round of voting are clearly established, a vote shall be taken by the method specified above, or by such other method as is selected by a majority vote of the Board at the outset of the organizational meeting. All Board members who are participating in the meeting, including all nominees for the officer position in question, shall cast a vote. In the event that there is only one nominee for an office, the Board may set aside any prior decision to use secret ballots by a showing of unanimous consent, and then conduct a voice vote or other type of vote to elect the officer.
4. If a nominee earns a majority of the votes cast for the officer position in question, that nominee shall be asked whether he/she accepts the position. If the victorious nominee accepts the position, the position is filled and the process begins anew for the next officer position until all officer positions are filled. If the victorious nominee declines the position or if no nominee earns a majority of the votes cast, the voting process repeats for that position.

8. Informational Agenda

a. Discussion Items

1) Quarterly Budget Report

b. Schedule of Meetings

Building and Grounds Committee Meeting scheduled for April 18, 2023 at 2:00 PM

9. Superintendent's Report

- Hall Ceilings brought the cost of the acoustical tiles for the gym project down from \$47,000 to \$28,000.
- The district will need to look at an operational referendum next year due to decreased enrollment and thus less revenue because we are funded per pupil. Our enrollment has dropped over 70 students since the 2017-18 peak.
- The Civil Rights Review exit interview will take place April 18, 2023. Some of the items they pointed out that need correcting are the slopes the the handicap accesses; room sign with braille lettering are falling off and need to be retaped; need to have handicap accessible seating in the high school cafeteria and door pressures need adjusting

10. Principals' Reports

Kim Johnson, Elementary

- The Kickapoo Booster Club has 10 members who are doing community building activities such as elementary dance; Carnival on May 11th; Inclusion Day to celebrate diversity and build student relationships; Bagels for Breakfast; and the Counteract Program for 5th graders put on by the Sheriff's Department which talks about influences and pressures students encounter. They are great community building activities. Jen Chrisinger and Sam Goodwin are doing a great job organizing events.
- 3rd grade students will be taking the FastBridge Test this month.

Aaron Mithum, Middle/High School

- ACT testing scores are starting to come back with good results.
- High School Graduation will take place on the football field.
- Students will be attending a Build My Career Fair which focuses on the trades.
- The district lockdown drill has been completed and went well.
- A district wide tornado drill will be held this month.
- Scholarship Night is May 3rd. In the past, Scholarship Night and the National Honor Society have been held on the same night, so by having them separate, it doesn't make for a long night.
- A survey was given to staff regarding if they feel students should wear hats/hoods. The majority said no, but to leave it up to the teacher's discretion. Next week will be a trial period and students will be able to wear hats/hoods and the teacher will have the final say in their classroom.

11. Convene to Closed Session Wisconsin State Statute 19.85 (1) (c)

(c) Considering employment, promotion, compensation or performance evaluation data of any public employee over which the governmental body has jurisdiction or exercises responsibility.

Board President

Board Clerk

BGT Committee Meeting

4/18/23 2:30 pm

Earl Wallace, Janet Matthes, Beau Schroeder, Doug Olsen, DJ McNamer

1. Discussion about our lawn service care, and bids for the 2023 service. Service bids were requested from our current provider Tru Green, as well as from a different provider River Valley Lawn Care. We have had difficulty with the level of service provided by Tru Green, late or nonexistent service. River Valley comes highly recommended by some other school districts in the coulee region and we would like to give them a try. This is a granular slow release product vs. Tru Greens liquid spray on product. Decision was made to work with River Valley this year.
2. Miller Electric and Kish Electric submitted bids to complete some electrical work for the kitchen. There are two panels in the kitchen itself that need to be removed and replaced. In addition there are feed conductors and breakers in an original (1965) switchboard that need to be rerouted to blanks available on a 1998 panel. Miller Electric quoted something slightly different which is a partial fix to the problem with the panel. DJ is still awaiting a bid from MD Electric; the fix that Kish is recommending seems to be in the best interest of the school district at this time. This will come to the full board at the May meeting, securing materials might push this project into the fall or even next summer depending on the length of time needed for completion, and the lack of available electric service to the building during the repairs/replacement.
3. We compared bids on Sico lunch tables, these are very high quality tables that have lasted 40 years before replacement at the MS/HS level. The bids were from Marshfield and from Scholastic on the same tables.
 - Marshfield- 2733.56 per table
 - Scholastic-2571.75 per tableWe need 10 tables to replace tables with hydraulic closures that no longer work. These tables have also had the hardware replaced on them one time already.
Recommendation to purchase tables through fund 50 from Scholastic at \$25,717.50
DJ will check shared purchasing to see if there is a cheaper rate prior to the board meeting in May.
4. Some aluminum football benches are requested for the football field, these can also be used during track season. Each 21 foot bench is 1,050. Committee agreed to purchase with Griffin funds.
5. A bid from Greeley to replace the signage outside of classrooms around the building to match the new locker room and pool area came in at \$21, 239.36, for 176 signs and installation. Mr. Olsen and DJ McNamer will be looking into more cost effective options.
6. Discussion of the bus barn, and how much sq. footage is included in the current buildings.

Adventure in Costa Rica

7 Days | Summer 2025

The experience of a lifetime is waiting for you. Every detail from the cities you'll stay in to the cultural discoveries you'll make have been customized by your teacher for your group. Take a look at your personal itinerary for a sneak peek of what's in store.

Included on tour

Round-trip flights on major carriers; full-time Tour Director; project-based learning program, EF's personalized learning experience; hotels with private bathrooms; breakfast and dinner daily unless otherwise specified.

Entrances: Whitewater rafting, Sarapiquí; Kayaking on Lake Arenal; La Fortuna Waterfall; Hot springs, Arenal; Ziplining adventure, Monteverde; Reserve tree planting, Monteverde; Rainforest Adventures Park; Crocodile safari cruise, Central Pacific Coast; Manuel Antonio National Park; Folklore evening, San José

Overnights: San Jose region (1); Arenal region (2); Monteverde (1); Central Pacific Coast (1); San Jose region (1)

Your Itinerary

Day 1: Fly to Costa Rica

Arrive in San José

Touch down in San José. Founded in 1737 as "Villa Nueva de la Boca Del Monte del Valle de Abra," the city's name was later abbreviated in honor of its patron saint: "San José." As you tour Costa Rica, keep in mind that the country, by establishing national parks and reserves, is one of the world's most progressive in its efforts to save the earth's endangered rain forests. Costa Rica is home to one tenth of the world's bird species and of the world's butterflies.

Day 2: San José region | Arenal region

Whitewater rafting excursion

Costa Rica offers some of the best whitewater rafting in the world. Travel to one of the many great rivers today for a thrilling paddling adventure. Be prepared to get wet!

Travel to the Arenal region

Journey across the Central Valley to the magnificent Arenal Region. Volcanologists from all over the world come here to study the impressive tropical Arenal Volcano.

Day 3: Arenal region

Kayaking on Lake Arenal

Enjoy a breathtaking view of the Arenal Volcano during a kayaking excursion across the lake. The volcano, whose perfect conical shape emerges from the green hills of Alajuela, overlooks the San Carlos plain and the Pacific lowlands. *(Please note: For safety reasons the maximum weight limit for this activity is 250lbs)*

Visit La Fortuna Waterfall

Visit the Rio Fortuna waterfall, a picturesque cascade falling from rocky heights of 230-feet. One of Costa Rica's most spectacular waterfalls, La Fortuna is located within the thick rain forest near the town of La Fortuna. If you have time, you can make the breathtaking downhill climb to the waterfall's base. *(This activity does require a certain level of physical stamina; if travelers are not interested in participating they may choose to sit out and wait for their group.)*

Visit the hot springs

Experience the relaxation properties of one of the area's many natural hot springs, filled with water heated by nearby Arenal volcano and channeled into pools. It is an ideal way to soothe muscles after the day's activities!

Day 4: Arenal region | Monteverde

Travel to Monteverde

Continue through the mountainous scenery to the Monteverde (Green Mountain) Reserve, one of the most beautiful of the mystical Costa Rican jungles. Monteverde was founded by a group of Alabama Quakers; attracted by the country's pacifist history, they began dairy farming here in 1951. Now a biological reserve - and still primarily an English-speaking community - this treasure land of natural phenomena stretches from the lush ferns and mosses that cover the ground to the dark canopy formed by the tallest trees.

Ziplining adventure

Make like the birds and the monkeys who call the cloud forest home. Special trails and zip lines unveil one of the planet's most fascinating ecological systems from a unique perspective-the tops of the trees. With local expert guides at your side, you can decide which view you prefer-from below or from above!

Plant a tree

Did you know trees renew our air supply by absorbing carbon dioxide and producing oxygen? Today you will help make the world a better place as you plant a tree with your group in a nature reserve.

Day 5: Monteverde | Central Pacific Coast

Travel to the Central Pacific Coast

Travel to the breathtaking Central Pacific Coast, where sandy beaches, a rocky coastline and lush rainforests act as a magnet for travelers.

Rainforest Adventure Park

Enjoy a stop at the Rainforest Adventures Park. During your visit, you will take to the air on an aerial tram ride, followed by a guided nature hike and visit to a butterfly garden.

Jungle crocodile safari

Discover firsthand the wonders of nature in the Rain Forest. This adventure takes place on the Pacific Coast of Costa Rica, along the Tarcoles River, near the Carara National Park. The area is surrounded by mangroves and located in a transitional forest, where literally hundreds of different kinds of mammals, birds and reptiles flourish. This is the nesting site of the Scarlet Macaw and large colonies of crocodiles, some measuring up to 23 feet in length!

Day 6: Central Pacific Coast | San José region

Visit Manuel Antonio National Park

Embark on a full-day trip to the 716-acre Manuel Antonio National Park, known for its white, sandy beaches and abundant wildlife-sea turtles, two-toed sloths, iguanas, and more.

Return to the San José region

Welcome back to the San José region, where you will spend your final night before departing for home.

Costa Rican folklore evening

Learn about the rich cultural traditions of the region as you enjoy an included dinner with Costa Rican specialties, marimba music, entertainment by a local dance troupe, and spectacular city views from the restaurant.

Day 7: Depart for home

Transfer to the airport for your return flight

Your Tour Director assists with your transfer to the airport, where you'll check in for your return flight home.

International Travel Program Proposal

Adventure in Costa Rica - Summer 2025

Your partner in travel-based learning

EF Education First is the world leader in international education. For over 55 years, we've partnered with educators around the world to help more than 15 million students gain new perspectives and build skills for the future through experiential learning.

Our mission is to empower educators to do their best work. At EF Educational Tours, we're working to define the modern educational tour experience. Our itineraries are more than places to go and things to see. We build programs that challenge assumptions, spark connections, and inspire curiosity in young students. Students will expand their knowledge of the world around them, discover more about themselves, grow more confident and independent, and understand new people, places, and cultures.

We take care of every last detail of the tour experience—transportation and lodging, meal reservations and menus, museum tickets and local tour guides, and much more. That also includes behind-the-scenes elements, like safety checks at hotels and background checks on adult travelers. With all that taken care of, educators and students can focus on the bigger picture.

You'll find all the details and more on the next few pages.

Safety

Your students' safety is our number one priority. We would never send a traveler to a location we believe to be unsafe—and with our extensive global presence, our best-in-the-industry experience, and our close working relationships with U.S. and international authorities, that's a statement we can back up with real insight. Whether it's a worldwide pandemic or a sprained ankle, a missed flight or confusing medical paperwork, we make sure every situation is taken care of.

***For specific information on EF's response to COVID-19, visit [eftours.com/covid](https://www.eftours.com/covid)**

Worldwide presence

EF's global presence is truly unmatched. We have staff on the ground 365 days a year in over 50 countries. And we don't just work in those countries—we call them home. EF team members live in nearly every one of our tour destinations, meaning we have the local knowledge to help keep our groups safe. That presence allows us to be there to support you on the ground wherever and whenever you need us.

24/7 emergency support

In the event that anything on tour goes wrong, EF staff is always available to help. Your Tour Director is your group's constant companion and first point of contact in an emergency. Additionally, our fully trained support teams are on hand 24/7 to walk teachers through any issues and provide the resources necessary to get things back on track. Our Safety and Incident Response Team—comprised of industry experts, healthcare experts, and even former FBI personnel—is ready to spring into action 24 hours a day, 365 days a year. And when they aren't directly helping EF travelers, they're actively innovating on and shaping the new worldwide standards for cleanliness and safety.

Your team

This group is fully committed to your school's trip and the safety of every traveler.

Operations Safety & Incident Response

Team – This team is strategically based in our Boston, Panama, Tokyo, and Zurich offices to accommodate for all time zones. Available 24 hours a day, every day of the year, they are trained to react quickly if travelers need help. The team uses a combination of extensive training, simulations, incident response planning, and previous experience to manage emergencies. As needed, they can facilitate additional support for groups on tour, solve operational issues, arrange assistance from outside specialists, and liaise with local and international authorities.

Emergency Services & Support Team

Our support team is available 24/7 to help resolve any issue, from a missed flight to a lost passport to more serious on-tour incidents. They also facilitate communication between travelers and families in the event of an emergency at home. The team is made up of highly trained and dedicated EF staff in our Boston and Denver offices who are equipped to solve problems and answer questions that may come up, even outside of regular business hours.

Tour Director – Assigned exclusively to your tour for the length of the stay at your destination, your Tour Director meets your group at the airport and travels with you until your departure. All Tour Directors undergo a background check as permissible by local law every two years and are required to participate in ongoing EF safety trainings. They're the first point of contact in an emergency and also communicate information to help travelers stay safe in a foreign destination. Tour Directors assist Group Leaders with hotel check-ins, coordinate meals, facilitate excursions with local guides, and much more. They're also culturally connected and expertly trained to support impactful learning experiences.

Tour Consultant – This itinerary expert is devoted to the growth of your students. They are your school's partner, working with you on everything from finding the perfect tour and enrolling students to offering fundraising advice and creating long-term travel programs for your school community. They work directly alongside the Group Leader (a.k.a. local teacher), right up until the moment of departure to make sure everything goes smoothly.

Traveler Support – Our team of support specialists are readily available to walk families through insurance inquiries, payment plans, food allergy issues, and any other topics that arise.

Chaperones – For every six travelers who enroll on your school's tour, your group is eligible to bring along a chaperone for free (the first spot goes to the Group Leader). This allows for a 6:1 ratio of students to chaperones, who assist Group Leaders with supervision of students to help keep them safe.

Protection for travelers, schools, and districts

We understand that unpredictable things can happen, either on tour or before departure. We offer a variety of protections, programs, and policies to make sure that, no matter what happens, travelers, schools, and districts are covered. We're doing everything we can to make planning for the future as flexible as possible.

General liability insurance

All Group Leaders, schools, and districts who travel with EF are automatically added as additional insureds under our **\$50 million General Liability Policy**, regardless of whether or not the tour is affiliated with the school. EF's liability coverage is primary and non-contributory for covered third-party claims. The policy helps safeguard Group Leaders and their schools for covered third-party claims related to bodily injury or property damage, which includes providing a legal defense and covering legal costs for such claims. In addition, all travelers are required to sign EF's Release and Agreement, which includes a release of liability of their Group Leader, school, and school board.

Flexibility to change tours

The world is always changing. And while our belief in the positive impact of travel is unwavering, it can feel hard to predict what life, here in the U.S. and abroad, will look like several months, a year, or even two years from now. When you decide to travel with EF, we want you to feel secure in that decision. That's why these benefits are built into every EF program.

Peace of Mind

Provided to all groups

We understand that plans can change due to unforeseen circumstances. EF provides this exclusive program to account for such situations. It provides groups with flexibility to change the dates and destination of their tours in uncertain times. This program accounts for such circumstances and can be enacted up to 45 days prior to departure at the group level for any reason, including terrorism or other world events.

COVID Care Promise

Provided to all groups

If your child is diagnosed with COVID-19 while on tour, we will coordinate and facilitate support services and logistics including translation services, connections with local health care providers, communication with family, and flights home at no additional cost.

Protection for individual travelers

Travelers can help protect their investment and themselves from certain unexpected events and expenses while on tour with the Global Travel Protection Plan and Global Travel Protection Plan Plus.

Global Travel Protection Plan

Available to all travelers

Designed specifically with EF travelers in mind, this plan provides both pre-departure and post-departure benefits, including medical expense coverage that may apply on tour and tour cancellation for specified reasons.

Global Travel Protection Plan Plus

Available to all travelers

To further protect your investment from the unexpected, this plan provides all of the benefits included in the Global Travel Protection Plan as well as expanded cancellation protection.

Background checks for adult travelers

EF requires all adults (20 years and older) to pass a criminal background check before traveling on our student tours. This provides a safer tour experience for all travelers and aligns with the process and expectations of many school districts for adults who volunteer in schools or chaperone school activities. The secure process, provided by a leading professional provider, only identifies those individuals who could present a risk to student travelers while on tour.

Affordability

We believe every student should have the opportunity to travel. That's why we're dedicated to providing the lowest prices possible and giving travelers multiple resources for managing payments.

Tour Consultants work closely with teachers to build a tour that's exactly right for your students. Through discussions with your teacher, they take into account learning objectives, cost, timing considerations, and any other factors to craft a tour that's accessible to as many students as possible.

Resources for managing cost and payments

Automatic Payment Plan – Our recommended payment plan offers the ability to break the tour fee into smaller installments. With most tours planned well in advance, travelers can enroll for only \$95, then pay over a long period of time—often up to 18 months or two years—with final payment due 30 days before departure. Families make payments directly to EF, with no payments going through the school.

Donation pages – Each student has access to their own unique and customizable donation page. The easy-to-share page makes it simple for friends and family to contribute a little something that is automatically applied to the balance of the tour, with no fees whatsoever.

Global Citizen Scholarship Fund – EF Educational Tours provides \$100,000 worth of scholarships to students across the country every year. Any student is able to apply for the Global Citizen Scholarship, which is awarded on both a merit and need basis.

Risk-free enrollment period - New travelers who enroll by their Early Enrollment Discount Deadline can cancel for any reason up to 14 days after enrollment for a full refund of 100% of the money paid to EF. Travelers must pay in full or enroll in our Automatic Payment Plan at the time of program enrollment and must remain either paid in full or enrolled in our Automatic Payment Plan and in good financial standing at the time of cancellation to remain eligible. To be eligible, the traveler must enroll on a tour at least 110 days prior to the scheduled departure date.

Educational value

Our tours help prepare students for the future by teaching them more about the world, themselves, and the impact they can have on the world. Combining the power of experiential learning with the thrill of global travel, our tours help students:

- Expand their knowledge of the world around them
- Grow more confident and independent
- Understand new people, places, and cultures
- Discover more about themselves

EF is an accredited institution

We echo your commitment to education. Our travel-based learning approach is designed to blend classroom and experiential learning. This allows us to meet the same rigorous standards as schools like yours, ensuring students gain valuable experiences that transform the way they look at the world.

Earning credit for new experiences

EF makes it easy for students to turn their tour experience into high school credit, college credit, or to get a head start on their college essays—all while making their travel experience even more engaging.

- Students in grades 6 - 12 can earn .5 elective high school credit by successfully completing the final project as part of EF's Personalized Learning Guide. Tuition is free.
- Students in grades 9 - 12 can earn 3.0 undergraduate credits, along with the confidence that comes with taking a college course, by completing a series of assignments and a final research project with our partner, Southern New Hampshire University—all for just \$215.
- Educators traveling on student tours may earn up to 45 free hours toward relicensure OR 3 or 6 graduate level credits (\$285/\$450) through Southern New Hampshire University.

Sample hotels

Every hotel we work with must meet our high standards for safety, quality, and cleanliness. Hotels are vetted by our team to make sure they meet our requirements and are subsequently inspected regularly to ensure they continue to satisfy those parameters. Please note that hotels abroad may have different amenities than travelers are accustomed to in the United States.

Here are some examples of hotels students might stay in on tour:

Hotel Quality Real San José | San José

<https://qualityhotelrealsanjose.com-hotel.com/>

The Hotel Quality Real San José is conveniently located with easy access to both the airport and downtown San José. Guests are greeted by the friendly Tuscan yellow exterior and charmed by the variety of modern conveniences offered, including an outdoor pool, fitness center, and hot breakfast buffet. All bedrooms feature air conditioning, flat screen television, coffee maker, and Wi-Fi access.

Hotel Mar de Luz | Central Pacific Coast, Costa Rica

www.mardeluz.com

Conveniently located in downtown Jaco, Hotel Mar de Luz is walking distance from local shops and restaurants. Guests can take a relaxing dip in the hotel's sparkling blue pools or jacuzzi. The hotel also features a gym and a fresh breakfast every morning.

Hotel Lacas Tacotal | Arenal Region

<https://www.tacotal.com>

At the Hotel Lavas Tacotal, the natural landscape of Costa Rica takes center stage! Lounge poolside while enjoying spectacular views of the Arenal Volcano or explore the beautiful flower gardens woven amongst the wooden bungalows. Each cabin is equipped with air conditioning, Wi-Fi, coffee maker, and TV.

Sample meals

Meals are selected to establish a more immersive cultural experience and give students an idea of how locals eat. Below are some examples of local dishes travelers may try at the destination that your teacher has chosen, but please note that meals can vary from tour to tour.

On tour, breakfast generally is simple and will be at the hotel; it could be plated or buffet-style. **Lunch** typically is your chance to make culinary discoveries of your own. **Dinners** will be a mix of familiar dishes and local specialties. All meals will be a mix of familiar dishes and local specialties all served from a pre-set group menu.

Costa Rica: Sample Meals

Rice and beans, fried sweet plantains, chicken/meat, steamed vegetables, fresh fruit juice

I hope this overview has given you the information you need to feel confident in EF as an educational travel provider. Should you have any questions or need any additional information, please don't hesitate to reach out to me directly. EF is excited to partner with your school to bring this life-changing experiential learning opportunity to your students.

"I am now more confident than ever in the safety and experiences of my students after working with EF on this trip. As a leader, I am committed to ensuring a global mindset throughout my district and student/teacher travel."

Angela M., Administrator, Brunswick, ME

"I advocate for travel because the world is vast and diverse. If we want to truly understand our neighbors in other states or countries, we must reach out and meet them where they live. Travel provides a glimpse into another world that our students may have Googled or watched on a device, but living it with the smells, food, smiles, and various challenges teaches flexibility, tolerance, understanding, and empathy."

- Chuck C., Group Leader, Central, SC

From a single tour to a whole program

A single tour can open up endless possibilities for a small group of students. Our goal at EF is to bring that experience to as many students as possible, including the broadest collection of students at your school. By progressing from a single tour to a consistent travel program, you'll not only build a culture of exploration, but you'll provide the opportunity of travel to even more students. We can work directly with you and your staff to establish a framework for your travel program that's tailored specifically to your school's needs and goals.

Adventure in Costa Rica

7 Days | Summer 2025

The experience of a lifetime is waiting for you. Every detail from the cities you'll stay in to the cultural discoveries you'll make have been customized by your teacher for your group. Take a look at your personal itinerary for a sneak peek of what's in store.

Included on tour

Round-trip flights on major carriers; full-time Tour Director; project-based learning program, EF's personalized learning experience; hotels with private bathrooms; breakfast and dinner daily unless otherwise specified.

Entrances: Whitewater rafting, Sarapiquí; Kayaking on Lake Arenal; La Fortuna Waterfall; Hot springs, Arenal; Ziplining adventure, Monteverde; Reserve tree planting, Monteverde; Rainforest Adventures Park; Crocodile safari cruise, Central Pacific Coast; Manuel Antonio National Park; Folklore evening, San José

Overnights: San Jose region (1); Arenal region (2); Monteverde (1); Central Pacific Coast (1); San Jose region (1)

Your Itinerary

Day 1: Fly to Costa Rica

Arrive in San José

Touch down in San José. Founded in 1737 as "Villa Nueva de la Boca Del Monte del Valle de Abra," the city's name was later abbreviated in honor of its patron saint: "San José." As you tour Costa Rica, keep in mind that the country, by establishing national parks and reserves, is one of the world's most progressive in its efforts to save the earth's endangered rain forests. Costa Rica is home to one tenth of the world's bird species and of the world's butterflies.

Day 2: San José region | Arenal region

Whitewater rafting excursion

Costa Rica offers some of the best whitewater rafting in the world. Travel to one of the many great rivers today for a thrilling paddling adventure. Be prepared to get wet!

Travel to the Arenal region

Journey across the Central Valley to the magnificent Arenal Region. Volcanologists from all over the world come here to study the impressive tropical Arenal Volcano.

Day 3: Arenal region

Kayaking on Lake Arenal

Enjoy a breathtaking view of the Arenal Volcano during a kayaking excursion across the lake. The volcano, whose perfect conical shape emerges from the green hills of Alajuela, overlooks the San Carlos plain and the Pacific lowlands. *(Please note: For safety reasons the maximum weight limit for this activity is 250lbs)*

Visit La Fortuna Waterfall

Visit the Rio Fortuna waterfall, a picturesque cascade falling from rocky heights of 230-feet. One of Costa Rica's most spectacular waterfalls, La Fortuna is located within the thick rain forest near the town of La Fortuna. If you have time, you can make the breathtaking downhill climb to the waterfall's base. *(This activity does require a certain level of physical stamina; if travelers are not interested in participating they may choose to sit out and wait for their group.)*

Visit the hot springs

Experience the relaxation properties of one of the area's many natural hot springs, filled with water heated by nearby Arenal volcano and channeled into pools. It is an ideal way to soothe muscles after the day's activities!

Day 4: Arenal region | Monteverde

Travel to Monteverde

Continue through the mountainous scenery to the Monteverde (Green Mountain) Reserve, one of the most beautiful of the mystical Costa Rican jungles. Monteverde was founded by a group of Alabama Quakers; attracted by the country's pacifist history, they began dairy farming here in 1951. Now a biological reserve - and still primarily an English-speaking community - this treasure land of natural phenomena stretches from the lush ferns and mosses that cover the ground to the dark canopy formed by the tallest trees.

Ziplining adventure

Make like the birds and the monkeys who call the cloud forest home. Special trails and zip lines unveil one of the planet's most fascinating ecological systems from a unique perspective-the tops of the trees. With local expert guides at your side, you can decide which view you prefer-from below or from above!

Plant a tree

Did you know trees renew our air supply by absorbing carbon dioxide and producing oxygen? Today you will help make the world a better place as you plant a tree with your group in a nature reserve.

Day 5: Monteverde | Central Pacific Coast

Travel to the Central Pacific Coast

Travel to the breathtaking Central Pacific Coast, where sandy beaches, a rocky coastline and lush rainforests act as a magnet for travelers.

Rainforest Adventure Park

Enjoy a stop at the Rainforest Adventures Park. During your visit, you will take to the air on an aerial tram ride, followed by a guided nature hike and visit to a butterfly garden.

Jungle crocodile safari

Discover firsthand the wonders of nature in the Rain Forest. This adventure takes place on the Pacific Coast of Costa Rica, along the Tarcoles River, near the Carara National Park. The area is surrounded by mangroves and located in a transitional forest, where literally hundreds of different kinds of mammals, birds and reptiles flourish. This is the nesting site of the Scarlet Macaw and large colonies of crocodiles, some measuring up to 23 feet in length!

Day 6: Central Pacific Coast | San José region

Visit Manuel Antonio National Park

Embark on a full-day trip to the 716-acre Manuel Antonio National Park, known for its white, sandy beaches and abundant wildlife-sea turtles, two-toed sloths, iguanas, and more.

Return to the San José region

Welcome back to the San José region, where you will spend your final night before departing for home.

Costa Rican folklore evening

Learn about the rich cultural traditions of the region as you enjoy an included dinner with Costa Rican specialties, marimba music, entertainment by a local dance troupe, and spectacular city views from the restaurant.

Day 7: Depart for home

Transfer to the airport for your return flight

Your Tour Director assists with your transfer to the airport, where you'll check in for your return flight home.

4K

The summer school program is designed to provide children with an opportunity to learn in a developmentally appropriate classroom environment, expose them to social experiences and develop various skills through play based learning. Swimming lessons will be part of this class. Exciting stories, projects and adventures will ease students into the 2023 school year as 4K students!

July 10-21, 2023

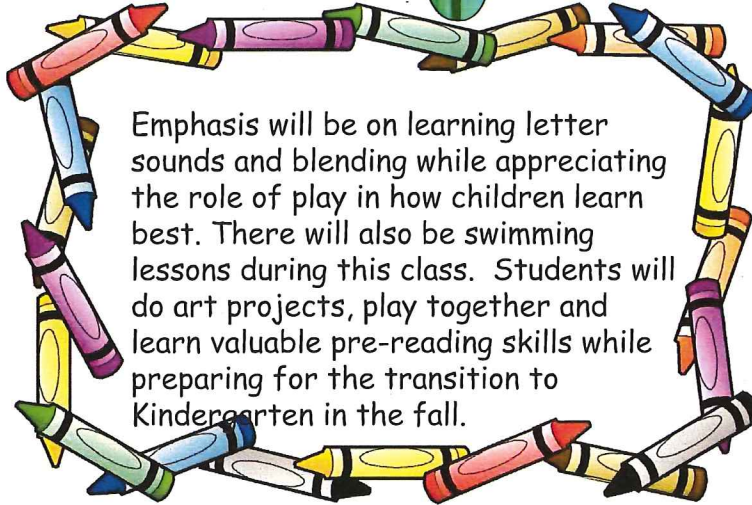

Mrs. Matthes

Mrs. Mueller

Kindergarten

Emphasis will be on learning letter sounds and blending while appreciating the role of play in how children learn best. There will also be swimming lessons during this class. Students will do art projects, play together and learn valuable pre-reading skills while preparing for the transition to Kindergarten in the fall.

Mrs. Cauffman
Mrs. Goodrich

Sunshine Olympics 2023

Teachers: Miss Johnson and Miss Drone

Class Description:

Calling all 1st - 3rd graders! Learning can be SO fun! This class offers indoor and outdoor activities! Let's learn through sports. Do you like learning group games, partner games, and individual exercises? Through all of it, we will be running, throwing, catching, hopping, jumping, writing, reading, problem solving, and much more out in the SUNSHINE!

Please wear sunscreen, tennis shoes, and bring a water bottle each day!

Adventures and More

Instructors: Mrs. Sanwick and Ms. Hamilton

Grades 3-8

Class Description:

Are you ready for two weeks full of adventures, excitement, and fun?! During these two weeks, we will be exploring STEM-based activities, challenging your inner creativity, building a community of collaboration, putting our heads together to complete various challenges, and doing a little baking!

Summer Stitching and Sewing

Miss Nelson

Age Level: Going into 4th Grade - 8th Grade

Do you enjoy crafting? Want to make your own tote bag, shorts, or quilt a pillow? How about learning some sewing tricks like fixing a seam or attaching a button? Keep your brain sharp over the summer while using math skills needed to measure and count to complete fun projects. Bring your summer reading book to class to share with others and maintain your reading habit over the summer.

R² Robotics and Rockets

Grades 6-8

Mrs. Martin

You will work in small groups to build a remote controlled robot and learn how to program with Blocks and Python coding. You will also learn how to combine autonomous with remote control driving. If time allows we will conduct "robot wars."

Additionally, you will learn the dynamics of rocketry. You will design and build 2 rockets (one air, one water) to further your understanding of Newton's Laws of motion. You will learn to predict flight time and landing location based on angle of launch and pressure used.

Arts and Crafts

Mrs. Martin and Ms. Schullo

Grades 6-12

This class will allow for a variety of arts and crafts topics. Students can decide for themselves whether they would like to focus on: scrapbooking, cardmaking, photography, painting, drawing, or any other type of artwork.

Scrapbooking: Please bring in any pictures you would like to put in your scrapbook. If you don't have access to a printer, feel free to bring in a flash drive with photos loaded onto it. If you have any scrapbooking supplies of your own, feel free to bring them into class to use. All other materials and supplies will be provided. Students will learn how to use a Cricut Machine to make individualized cut outs.

Cardmaking: Utilizes paper, stickers, stamps, cut outs, and embellishments to enhance ordinary cards. Students will leave with a variety of homemade cards to give to others.

Photography: We will focus on composition, lighting, editing, and subject matter. Students may use cell phones or bring in their own camera.

Art Studio: Students will have the freedom to select their own projects to create throughout the class.

IDEALEASE

4/20/2023

Dear Doug Olsen,

I request an unpaid leave of absence from teaching at Kickapoo Elementary for the 2023-2024 school year as stated in section 14.03 of the Kickapoo Employee Handbook. I love working with the Kickapoo Staff but I want to spend more time with my 2 young sons and family in the next year. During my unpaid leave of absence I plan to continue contributing to my Roth 403 B retirement account.

I still intend to work remotely for Kickapoo as the Pool Supervisor; coordinating pool rentals, schedules, community swim classes, and communication to lifeguards and staff. I will come into school as needed to complete pool related tasks. I also still intend to work for Kickapoo as the Summer School Swim Lesson Coordinator/Instructor and American Red Cross Lifeguard Trainer.

Sincerely,
Anna Marty
